CHAPTER 1: Get started as a member

SECTION 1 You're a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP)

Section 1.1 You're enrolled in Elderplan Plus Long- Term Care (HMO-POS D-SNP), which is a Medicare Special Needs Plan

You're covered by both Medicare and Medicaid:

- **Medicare** is the federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (kidney failure).
- **Medicaid** is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid coverage varies depending on the state and the type of Medicaid you have. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people also get coverage for additional services and drugs that aren't covered by Medicare.

Chapter 1 Get started as a member

You've chosen to get your Medicare and Medicaid health care and your drug coverage through our plan, Elderplan Plus Long-Term Care (HMO-POS D-SNP). Our plan covers all Part A and Part B services. However, cost sharing and provider access in our plan differ from Original Medicare.

Elderplan Plus Long-Term Care (HMO-POS D-SNP) is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means benefits are designed for people with special health care needs. Elderplan Plus Long-Term Care (HMO-POS D-SNP) is designed for people who have Medicare and are entitled to help from Medicaid.

Because you get help from Medicaid with Medicare Part A and B cost sharing (deductibles, copayments, and coinsurance), you may pay nothing for your Medicare services. Medicaid also provides other benefits by covering health care services and home and community-based Long-Term care services that aren't usually covered under Medicare. You'll also get Extra Help from Medicare to pay for the costs of your Medicare drugs. Elderplan Plus Long-Term Care (HMO-POS D-SNP) will help you manage all these benefits, so you get the health services and payment help that you're entitled to.

Chapter 1 Get started as a member

Elderplan Plus Long-Term Care (HMO-POS D-SNP) is run by a non-profit organization. Like all Medicare Advantage Plans, this Medicare Special Needs Plan is approved by Medicare. Our plan also has a contract with the New York State Medicaid program to coordinate your Medicaid benefits. We're pleased to provide your Medicare and Medicaid coverage, including drug coverage and home and community-based Long-Term care services as applicable.

Section 1.2 Legal information about the *Evidence of Coverage*

This *Evidence of Coverage* is part of our contract with you about how Elderplan Plus Long-Term Care (HMO-POS D-SNP) *covers* your care. Other parts of this contract include your enrollment form, the *List of Covered Drugs* (formulary), and any notices you get from us about changes to your coverage or conditions that affect your coverage. These notices are sometimes called *riders* or *amendments*.

The contract is in effect for the months you're enrolled in Elderplan Plus Long-Term Care (HMO-POS D-SNP) between January 1, 2026, and December 31, 2026.

Medicare allows us to make changes to our plans we offer each calendar year. This means we can change the costs and benefits of Elderplan Plus Long-Term Care (HMO-POS D-SNP) after December 31, 2026. We can also choose to stop offering our plan in your service area, after December 31, 2026.

Chapter 1 Get started as a member

Medicare (the Centers for Medicare & Medicaid Services) and New York State Medicaid program must approve Elderplan Plus Long-Term Care (HMO-POS D-SNP). You can continue each year to get Medicare coverage as a member of our plan as long as we choose to continue offering our plan and Medicare and New York State Medicaid program renews approval of our plan.

SECTION 2 Plan eligibility requirements

Section 2.1 Eligibility requirements

You're eligible for membership in our plan as long as you meet all these conditions:

- You have both Medicare Part A and Medicare Part B
- You live in our geographic service area (described in Section 2.3). People who are incarcerated aren't considered to be living in the geographic service area even if they're physically located in it.
- You're a United States citizen or lawfully present in the United States
- You meet the special eligibility requirements described below.

Special eligibility requirements for our plan

Our plan is designed to meet the needs of people who get certain Medicaid benefits. (Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.) To be eligible for our plan you must be eligible for Medicare and Full Medicaid Benefits.

- Must be 18 years of age or older;
- You are determined eligible for Long-Term care services by Elderplan, or entity designated by the New York State Department of Health using the current New York State eligibility tool;
- Must be capable, at the time of enrollment of returning to or remaining in your home and community without jeopardy to health and safety, based upon criteria provided by New York State Department of Health;
- Must be medically eligible for nursing home level of care (as of the time of enrollment); and
- For new enrollees, starting September 1, 2025, the Managed Long-Term Care (MLTC) Program eligibility criteria to join a Medicaid Advantage Plus (MAP) plan requires an individual to be assessed as in need of care management and Community Based Long Term Care Services and Support (CBLTSS) for more than 120 continuous days from the effective date of enrollment:
 - a) nursing services in the home;
 - b) therapies in the home;
 - c) home health aide services;

Chapter 1 Get started as a member

- d) personal care services in the home;
- e) adult day health care;
- f) private duty nursing; or
- g) Consumer Directed Personal Assistance Services.

And the following Minimum Need from the effective date of enrollment:

- At least limited assistance with physical maneuvering with more than two activities of daily living (ADLs); or
- Individuals with a Dementia or Alzheimer's diagnosis, assessed as needing at least supervision with more than one ADL.

If you enrolled in any MLTC Plan prior to September 1, 2025, you will not be subject to the new Minimum Needs Requirements at reassessment as long as you remain continuously enrolled in any MLTC Plan. If you leave the MLTC Program and want to rejoin, you will need to meet the eligibility criteria that is in place for the MLTC enrollment at the time you rejoin.

Note: If you lose your eligibility but can reasonably be expected to regain eligibility within 3-month(s), then you're still eligible for membership. Chapter 4, Section 2.1 tells you about coverage and cost sharing during a period of deemed continued eligibility.

Section 2.2 Medicaid

Medicaid is a joint federal and state government program that helps with medical and long-term care costs for certain people who have limited incomes and resources. Each state decides what counts as income and resources, who's eligible, what services are covered, and the cost for services. States also can decide how to run its program as long as they follow the federal guidelines.

In addition, Medicaid offers programs to help people pay their Medicare costs, such as their Medicare premiums. These Medicare Savings Programs help people with limited income and resources save money each year:

- **Full Benefit Dual Eligible (FBDE):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). These individuals are also eligible for full Medicaid benefits.
- **Qualified Medicare Beneficiary-Plus (QMB+):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). These individuals are also eligible for full Medicaid benefits.

Chapter 1 Get started as a member

Section 2.3 Plan service area for Elderplan Plus Long-Term Care (HMO-POS D-SNP)

Elderplan Plus Long-Term Care (HMO-POS D-SNP) is only available to people who live in our plan service area. To stay a member of our plan, you must continue to live in our plan service area. The service area is described below.

Our service area includes these counties in New York State: Bronx, Dutchess, Kings, Nassau, New York, Orange, Putnam, Queens, Richmond, Rockland, Sullivan, Ulster and Westchester counties.

If you plan to move to a new state, you should also contact your state's Medicaid office and ask how this move will affect your Medicaid benefits. Phone numbers for Medicaid are in Chapter 2, Section 6 of this document.

If you move out of our plan's service area, you can't stay a member of this plan. Call Member Services 1-877-891-6447 (TTY users call 711) to see if we have a plan in your new area. When you move, you'll have a Special Enrollment Period to either switch to Original Medicare or enroll in a Medicare health or drug plan in your new location.

If you move or change your mailing address, it's also important to call Social Security. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

Chapter 1 Get started as a member

Section 2.4 U.S. citizen or lawful presence

You must be a U.S. citizen or lawfully present in the United States to be a member of a Medicare health plan. Medicare (the Centers for Medicare & Medicaid Services) will notify Elderplan Plus Long-Term Care (HMO-POS D-SNP) if you're not eligible to stay a member of our plan on this basis. Elderplan Plus Long-Term Care (HMO-POS D-SNP) must disenroll you if you don't meet this requirement.

SECTION 3 Important membership materials

Section 3.1 Our plan membership card

Use your membership card whenever you get services covered by our plan and for prescription drugs you get at network pharmacies. You should also show the provider your Medicaid card. Sample membership card:

Chapter 1 Get started as a member

DON'T use your red, white, and blue Medicare card for covered medical services while you're a member of this plan. If you use your Medicare card instead of your Elderplan Plus Long-Term Care (HMO-POS D-SNP) membership card, you may have to pay the full cost of medical services yourself. Keep your Medicare card in a safe place. You may be asked to show it if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials).

If our plan membership card is damaged, lost, or stolen, call Member Services at 1-877-891-6447 (TTY users call 711) right away and we'll send you a new card.

Section 3.2 Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* www.elderplan.org lists our current network providers and durable medical equipment suppliers. **Network providers** are the doctors and other health care professionals, medical groups, durable medical equipment suppliers, hospitals, and other health care facilities that have an agreement with us to accept our payment and any plan cost sharing as payment in full.

Chapter 1 Get started as a member

You must use network providers to get your medical care and services. If you go elsewhere without proper authorization, you'll have to pay in full. The only exceptions are emergencies, urgently needed services when the network isn't available (that is situations where it's unreasonable or not possible to get services in network), out-of-area dialysis services, and cases when Elderplan Plus Long-Term Care (HMO-POS D-SNP) authorizes use of out-of-network providers.

Your plan also offers a Point-of-Service (POS) option. The POS option is an additional benefit that covers certain services and benefits from any Medicare-certified provider who has not opted out of Medicare. For more information, please refer to Chapter 3 (Using the plan's coverage for your medical services) for more specific information. Details of covered services and benefits can be found in Chapter 4, Medical Benefits Chart.

The most recent list of providers and suppliers on our website at www.elderplan.org.

If you don't have a *Provider and Pharmacy Directory*, you can ask for a copy (electronically or in paper form) from Member Services 1-877-891-6447 (TTY users call 711). Requested paper *Provider and Pharmacy Directories* will be mailed to you within 3 business days.

Section 3.3 Drug List (formulary)

Our plan has a *List of Covered Drugs* (also called the Drug List or formulary). It tells which prescription drugs are covered under the Part D benefit in Elderplan Plus Long-Term Care (HMO-POS D-SNP). The drugs on this list are selected by our plan, with the help of doctors and pharmacists. The Drug List must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your Drug List unless they have been removed and replaced as described in Chapter 5, Section 6. Medicare approved the Elderplan Plus Long-Term Care (HMO-POS D-SNP) Drug List.

The Drug List also tells if there are any rules that restrict coverage for a drug.

We'll give you a copy of the Drug List. The Drug List includes information for the covered drugs most commonly used by our members. However, we also cover additional drugs that aren't included in the Drug List. If one of your drugs isn't listed in the Drug List, visit our website or call Member Services at 1-877-891-6447 (TTY users call 711) to find out if we cover it. To get the most complete and current information about which drugs are covered, visit www.elderplan.org or call Member Services 1-877-891-6447 (TTY users call 711).

Chapter 1 Get started as a member

Your costs may include the following:

- Plan Premium (Section 4.1)
- Monthly Medicare Part B Premium (Section 4.2)
- Part D Late Enrollment Penalty (Section 4.3)
- Income Related Monthly Adjusted Amount (Section 4.4)
- Medicare Prescription Payment Plan Amount (Section 4.5)

Section 4.1 Plan premium

You don't pay a separate monthly plan premium for Elderplan Plus Long-Term Care (HMO-POS D-SNP).

If you *already* get help from one of these programs, **the information about premiums in this *Evidence of Coverage* may not apply to you.** We sent you a separate document, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the *LIS Rider*.

In some situations, our plan premium could be less.

There are programs to help people with limited resources pay for their drugs. These include Extra Help and State Pharmaceutical Assistance Programs. Learn more about these programs in Chapter 2, Section 7. If you qualify, enrolling in one of these programs might lower your monthly plan premium.

Chapter 1 Get started as a member

Medicare Part B and Part D premiums differ for people with different incomes. If you have questions about these premiums, check your copy of the *Medicare & You 2026* handbook in the section called *2026 Medicare Cost*. Download a copy from the Medicare website (www.Medicare.gov/medicare-and-you) or order a printed copy by phone at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

Section 4.2 Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums

Some members are required to pay other Medicare premiums. As explained in Section 2 above to be eligible for our plan, you must maintain your eligibility for Medicaid as well as have both Medicare Part A and Medicare Part B. For most Elderplan Plus Long-Term Care (HMO-POS D-SNP) members, Medicaid pays for your Part A premium (if you don't qualify for it automatically) and Part B premium.

If Medicaid isn't paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. This includes your premium for Part B. You may also pay a premium for Part A if you aren't eligible for premium-free Part A.

Chapter 1 Get started as a member

Section 4.3 Part D Late Enrollment Penalty

Because you're dually-eligible, the LEP doesn't apply as long as you maintain your dually-eligible status, but if you lose your dually-eligible status, you may incur an LEP. The Part D late enrollment penalty is an additional premium that must be paid for Part D coverage if at any time after your initial enrollment period is over, there was a period of 63 days or more in a row when you didn't have Part D or other creditable drug coverage. Creditable prescription drug coverage is coverage that meets Medicare's minimum standards since it is expected to pay, on average, at least as much as Medicare's standard drug coverage. The cost of the late enrollment penalty depends on how long you went without Part D or other creditable prescription drug coverage. You'll have to pay this penalty for as long as you have Part D coverage.

You **don't** have to pay the Part D late enrollment penalty if:

- You get Extra Help from Medicare to help pay your drug costs.
- You went less than 63 days in a row without creditable coverage.

Chapter 1 Get started as a member

- You had creditable drug coverage through another source (like a former employer, union, TRICARE, or Veterans Health Administration (VA)). Your insurer or human resources department will tell you each year if your drug coverage is creditable coverage. You may get this information in a letter or a newsletter from that plan. Keep this information, because you may need it if you join a Medicare drug plan later.
 - **Note:** Any letter or notice must state that you had creditable prescription drug coverage that's expected to pay as much as Medicare's standard drug plan pays.
 - **Note:** Prescription drug discount cards, free clinics, and drug discount websites aren't creditable prescription drug coverage.

Medicare determines the amount of the Part D late enrollment penalty. Here's how it works:

- First, count the number of full months that you delayed enrolling in a Medicare drug plan, after you were eligible to enroll. Or count the number of full months you did not have creditable drug coverage, if the break in coverage was 63 days or more. The penalty is 1% for every month that you didn't have creditable coverage. For example, if you go 14 months without coverage, the penalty percentage will be 14%.

Chapter 1 Get started as a member

- Then Medicare determines the amount of the average monthly plan premium for Medicare drug plans in the nation from the previous year (national base beneficiary premium). For 2025 this average premium amount was \$36.78. This amount may change for 2026.
- To calculate your monthly penalty, multiply the penalty percentage by the national base beneficiary premium and round to the nearest 10 cents. In the example here, it would be 14% times \$36.78, which equals \$5.15. This rounds to \$5.20. This amount would be added **to the monthly plan premium for someone with a Part D late enrollment penalty.**

Three important things to know about the monthly Part D late enrollment penalty:

- **The penalty may change each year**, because the national base beneficiary premium can change each year.
- **You'll continue to pay a penalty** every month for as long as you're enrolled in a plan that has Medicare Part D drug benefits, even if you change plans.
- If you're *under* 65 and enrolled in Medicare, the Part D late enrollment penalty will reset when you turn 65. After age 65, your Part D late enrollment penalty will be based only on the months you don't have coverage after your initial enrollment period for aging into Medicare.

Chapter 1 Get started as a member

If you disagree about your Part D late enrollment penalty, you or your representative can ask for a review. Generally, you must ask for this review **within 60 days** from the date on the first letter you get stating you have to pay a late enrollment penalty. However, if you were paying a penalty before you joined our plan, you may not have another chance to ask for a review of that late enrollment penalty.

Section 4.4 Income Related Monthly Adjustment Amount

If you lose eligibility for this plan because of changes income, some members may be required to pay an extra charge for their Medicare plan, known as the Part D Income Related Monthly Adjustment Amount (IRMAA). The extra charge is calculated using your modified adjusted gross income as reported on your IRS tax return from 2 years ago. If this amount is above a certain amount, you'll pay the standard premium amount and the additional IRMAA. For more information on the extra amount you may have to pay based on your income, visit www.Medicare.gov/health-drug-plans/part-d/basics/costs.

Chapter 1 Get started as a member

If you have to pay an extra IRMAA, Social Security, not your Medicare plan, will send you a letter telling you what that extra amount will be. The extra amount will be withheld from your Social Security, Railroad Retirement Board, or Office of Personnel Management benefit check, no matter how you usually pay our plan premium, unless your monthly benefit isn't enough to cover the extra amount owed. If your benefit check isn't enough to cover the extra amount, you'll get a bill from Medicare. **You must pay the extra IRMAA to the government. It can't be paid with your monthly plan premium. If you don't pay the extra IRMAA, you'll be disenrolled from our plan and lose prescription drug coverage.**

If you disagree about paying an extra IRMAA, you can ask Social Security to review the decision. To find out how to do this, call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

Section 4.5 Medicare Prescription Payment Plan Amount

If you're participating in the Medicare Prescription Payment Plan, each month you'll pay our plan premium (if you have one) and you'll get a bill from your health or drug plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

Chapter 1 Get started as a member

Chapter 2, Section 7 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in Chapter 9 to make a complaint or appeal.

SECTION 5 More information about your Part D late enrollment penalty

Section 5.1 There are several ways you can pay your Part D late enrollment penalty

There are 3 ways you can pay your Part D late enrollment penalty, if you are required to pay it.

If you decide to change the way you pay your penalty, it can take up to three months for your new payment method to take effect. While we are processing your request for a new payment method, you are responsible for making sure that your penalty is paid on time.

Chapter 1 Get started as a member

Option 1: Pay by check

If your late enrollment penalty is not being paid by Medicaid, each month Elderplan will send you a bill. Please return the copy of the bill and a check or money order made payable to Elderplan in the postage paid envelope by the 25th of the month you received the bill. If you misplace the postage paid envelope, you may request another from Member Services, or you can mail your payment to us at:

Elderplan, Inc.
Premium Payment Unit
PO Box 71401
Philadelphia, PA 19176

Please do not send cash. We can only accept checks or money orders.

Option 2: You can pay the late enrollment penalty by credit card or electronic funds transfer (EFT) each month.

You can have the late enrollment penalty taken out of your bank account each month, or it can be charged to your credit card. Contact Member Services for more information on how to pay your monthly penalty this way. We will be happy to help you set this up. (Phone number for Member Services are printed on the back cover of this booklet.)

Chapter 1 Get started as a member

Option 3: Have our Part D late enrollment penalty deducted from your monthly Social Security check

You can have the Part D late enrollment penalty taken out of your monthly Social Security check. Contact Member Services for more information on how to pay your monthly penalty this way. We will be happy to help you set this up. (Phone number for Member Services are printed on the back cover of this booklet).

Changing the way you pay your Part D late enrollment penalty. If you decide to change how you pay your Part D late enrollment penalty, it can take up to 3 months for your new payment method to take effect. While we process your new payment method, you're still responsible for making sure your Part D late enrollment penalty is paid on time. To change your payment method, please contact Member Services at 1-877-891-6447.

If you have trouble paying your Part D late enrollment penalty

Part D late enrollment penalty is due in our office by the 25th. If we don't get your payment by the 25th, we'll continue to send you invoices updating you on your current balance due. If you are required to pay a Part D late enrollment penalty, you must pay the penalty to keep your prescription drug coverage.

Chapter 1 Get started as a member

If you have trouble paying your Part D late enrollment penalty on time, call Member Services at 1-877-891-6447 (TTY users call 711) to see if we can direct you to programs that will help with your Part D late enrollment penalty. (Phone numbers for Member Services are printed on the back cover of this booklet.)

Section 5.2 Our monthly plan premium won't change during the year

We're not allowed to change our plan's monthly plan premium amount during the year. If the monthly plan premium changes for next year, we'll tell you in September, and the new premium will take effect on January 1.

However, in some cases, you may be able to stop paying a late enrollment penalty, if you owe one, or you may need to start paying a late enrollment penalty. This could happen if you become eligible for Extra Help or lose your eligibility for Extra Help during the year.

- If you currently pay a Part D late enrollment penalty and become eligible for Extra Help during the year, you'd be able to stop paying your penalty.
- If you lose Extra Help, you may be subject to the Part D late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Find out more about Extra Help in Chapter 2, Section 7.

SECTION 6 Keep our plan membership record up to date

Your membership record has information from your enrollment form, including your address and phone number. It shows your specific plan coverage including your Primary Care Provider.

The doctors, hospitals, pharmacists, and other providers in our plan's network **use your membership record to know what services and drugs are covered and your cost-sharing amounts**. Because of this, it's very important to help us keep your information up to date.

If you have any of these changes, let us know:

- Changes to your name, address, or phone number
- Changes in any other health coverage you have (such as from your employer, your spouse or domestic partner's employer, workers' compensation, or Medicaid)
- Any liability claims, such as claims from an automobile accident
- If you're admitted to a nursing home
- If you get care in an out-of-area or out-of-network hospital or emergency room
- If your designated responsible party (such as a caregiver) changes

Chapter 1 Get started as a member

- If you participate in a clinical research study (**Note:** You're not required to tell our plan about clinical research studies you intend to participate in, but we encourage you to do so.)

If any of this information changes, let us know by calling Member Services 1-877-891-6447 (TTY users call 711).

It's also important to contact Social Security if you move or change your mailing address. Call Social Security at 1-800-772-1213 (TTY users call 1-800-325-0778).

SECTION 7 How other insurance works with our plan

Medicare requires us to collect information about any other medical or drug coverage you have so we can coordinate any other coverage with your benefits under our plan. This is called **Coordination of Benefits**.

Once a year, we'll send you a letter that lists any other medical or drug coverage we know about. Read this information carefully. If it's correct, you don't need to do anything. If the information isn't correct, or if you have other coverage that's not listed, call Member Services 1-877-891-6447 (TTY users call 711). You may need to give our plan member ID number to your other insurers (once you confirm their identity) so your bills are paid correctly and on time.

Chapter 1 Get started as a member

When you have other insurance (like employer group health coverage), Medicare rules decide whether our plan or your other insurance pays first. The insurance that pays first (the “primary payer”) pays up to the limits of its coverage. The insurance that pays second, (the “secondary payer”) only pays if there are costs left uncovered by the primary coverage. The secondary payer may not pay all uncovered costs. If you have other insurance, tell your doctor, hospital, and pharmacy.

These rules apply for employer or union group health plan coverage:

- If you have retiree coverage, Medicare pays first.
- If your group health plan coverage is based on your or a family member’s current employment, who pays first depends on your age, the number of people employed by your employer, and whether you have Medicare based on age, disability, or End-Stage Renal Disease (ESRD):
 - If you’re under 65 and disabled and you (or your family member) are still working, your group health plan pays first if the employer has 100 or more employees or at least one employer in a multiple employer plan has more than 100 employees.
 - If you’re over 65 and you (or your spouse or domestic partner) are still working, your group health plan pays first if the employer has 20 or more employees or at least one employer in a multiple employer plan has more than 20 employees.

Chapter 1 Get started as a member

- If you have Medicare because of ESRD, your group health plan will pay first for the first 30 months after you become eligible for Medicare.

These types of coverage usually pay first for services related to each type:

- No-fault insurance (including automobile insurance)
- Liability (including automobile insurance)
- Black lung benefits
- Workers' compensation

Medicaid and TRICARE never pay first for Medicare-covered services. They only pay after Medicare and/or employer group health plans have paid.

How to ask for a coverage decision or appeal about your medical care

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or Part D drugs. An appeal is a formal way of asking us to review and change a coverage decision. For more information on how to ask for coverage decisions or appeals about your medical care or Part D drugs, go to Chapter 9.

SECTION 3 State Health Insurance Assistance Program (SHIP)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state that offers free help, information, and answers to your Medicare questions. In New York, the SHIP is called The Office for the Aging's Health Insurance Information, Counseling and Assistance Program (HIICAP).

HIICAP is an independent state program (not connected with any insurance company or health plan) that gets money from the federal government to give free local health insurance counseling to people with Medicare.

HIICAP counselors can help you understand your Medicare rights, make complaints about your medical care or treatment, and straighten out problems with your Medicare bills. HIICAP counselors can also help you with Medicare questions or problems, help you understand your Medicare plan choices, and answer questions about switching plans.

SECTION 4 Quality Improvement Organization (QIO)

A designated Quality Improvement Organization (QIO) serves people with Medicare in each state. For New York, the Quality Improvement Organization is called Livanta.

Livanta has a group of doctors and other health care professionals paid by Medicare to check on and help improve the quality of care for people with Medicare. Livanta is an independent organization. It's not connected with our plan.

Contact Livanta in any of these situations:

- You have a complaint about the quality of care you got. Examples of quality-of-care concerns include getting the wrong medication, unnecessary tests or procedures, or a misdiagnosis.
- You think coverage for your hospital stay is ending too soon.
- You think coverage for your home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services is ending too soon.

SECTION 5 Social Security

Social Security determines Medicare eligibility and handles Medicare enrollment. Social Security is also responsible for determining who has to pay an extra amount for Part D drug coverage because they have a higher income. If you got a letter from Social Security telling you that you have to pay the extra amount and have questions about the amount, or if your income went down because of a life-changing event, you can call Social Security to ask for reconsideration.

If you move or change your mailing address, contact Social Security to let them know.

SECTION 6 Medicaid

Individuals with Medicare Part A and/or Part B, who have limited income and resources, may get help paying for their out-of-pocket medical expenses from the New York State Medicaid Program. Medicare cost-sharing includes Part A and Part B premiums and, in some cases, may also pay a Part A and Part B deductible and coinsurance. In New York State the name of the program is New York Medicaid State Plan.

Individuals who are entitled to Medicare Part A and/or Part B and are eligible for some form of Medicaid benefit are often referred to as dual eligible. These benefits are sometimes referred to as Medicare Savings Programs (MSPs). Dual Eligibles are eligible for some form of Medicaid benefit. Elderplan Plus Long-Term Care (HMO-POS D-SNP) is a Dual Eligible Special Needs Plan that coordinates your Medicare coverage while you may be entitled to receive additional Medicaid benefits under New York State's Medicaid Program.

Elderplan Plus Long-Term Care (HMO-POS D-SNP) allows individuals that are dually eligible for Medicare and Medicaid to enroll in the same health plan for most of their Medicare and Medicaid benefits. Elderplan Plus Long-Term Care (HMO-POS D-SNP) integrates Medicare and Medicaid benefits through a state contract to provide a defined set of Medicaid wrap-around benefits on a capitated basis. These Medicaid benefits are detailed in Chapter 4 and your Statement of Benefits.

Chapter 2 Phone numbers and resources

Enrollment in Elderplan Plus Long-Term Care (HMO-POS D-SNP) is subject to conditions of eligibility set forth by CMS and the New York State Department of Health (NYSDOH). CMS is responsible for processing enrollment into the Medicare Advantage plan and the Local Department of Social Services, or entity designated by the NYSDOH, is responsible for processing enrollment applications for the Medicaid component of the benefit.

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources.

In addition, there are programs offered through Medicaid that help people with Medicare pay their Medicare costs, such as their Medicare premiums. These “Medicare Savings Programs” help people with limited income and resources save money each year:

- **Full Benefit Dual Eligible (FBDE):** Helps pay Medicare Part A and Part B premiums, and other cost-sharing (like deductibles, coinsurance, and copayments). These individuals are also eligible for full Medicaid benefits.
- **Qualified Medicare Beneficiary (QMB+):** Helps pay Medicare Part A and Part B premiums, and other cost sharing (like deductibles, coinsurance, and copayments). These individuals are also eligible for full Medicaid benefits.

SECTION 7 Programs to help people pay for prescription drugs

The Medicare website

(www.Medicare.gov/basics/costs/help/drug-costs) has information on ways to lower your prescription drug costs. The programs below can help people with limited incomes.

Extra Help from Medicare

Because you're eligible for Medicaid, you qualify for and get Extra Help from Medicare to pay for your prescription drug plan costs. You don't need to do anything further to get this Extra Help.

If you have questions about Extra Help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048;
- The Social Security Office at 1-800-772-1213, between 8 am and 7 pm, Monday through Friday. TTY users call 1-800-325-0778; or
- Your State Medicaid Office at New York State Medicaid Program 1-800-541-2831 Monday through Friday 8:00AM-8:00PM, Saturday 9:00AM-1:00PM.

Chapter 2 Phone numbers and resources

If you think you're paying an incorrect amount for your prescription at a pharmacy, our plan has a process to help you get evidence of your proper copayment amount. If you already have evidence of the right amount, we can help you share this evidence with us.

- Please submit a copy of one of the following documents as evidence that you qualified for Extra Help to the Member Services Department. The Member Services address is listed in the beginning of this chapter:
 - Extra Help Award letter from Social Security. An Important Information letter from SSA confirming that you are “automatically eligible for extra help”.
 - Nursing home residents – the pharmacy will provide the necessary evidence on your behalf
 - Upon receipt, we will confirm your Extra Help copayment level with Medicare.
- If you are unable to locate supporting documentation, we will assist you in obtaining proof, which includes contacting Medicare on your behalf to determine the correct co-payment level.

Chapter 2 Phone numbers and resources

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back, either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. Call Member Services at 1-877-891-6447 (TTY users call 711) if you have questions.

What if you have Extra Help and coverage from a State Pharmaceutical Assistance Program (SPAP)?

Many states offer help paying for prescriptions, drug plan premiums and/or other drug costs. If you're enrolled in a State Pharmaceutical Assistance Program (SPAP), then Medicare's Extra Help pays first. New York's State Pharmaceutical Assistance Program (SPAP) is called the Elderly Pharmaceutical Insurance Coverage (EPIC) Program.

What if you have Extra Help and coverage from an AIDS Drug Assistance Program (ADAP)?

The AIDS Drug Assistance Program (ADAP) helps people living with HIV/AIDS access life-saving HIV medications. Medicare Part D drugs that are also on the ADAP formulary qualify for prescription cost-sharing help through the ADAP.

Note: To be eligible for the ADAP in your state, people must meet certain criteria, including proof of state residence and HIV

status, low income (as defined by the state), and uninsured/under-insured status. If you change plans, notify your local ADAP enrollment worker so you can continue to get help. For information on eligibility criteria, covered drugs, or how to enroll in the program, call ADAP at 1-800-542-2437 Monday - Friday, 9:00AM - 5:00PM. In State - Toll Free 1-800-542-2437 or 1-844-682-4058 Out of State - (518) 459-1641

State Pharmaceutical Assistance Programs

Many states have State Pharmaceutical Assistance Programs that help people pay for prescription drugs based on financial need, age, medical condition, or disabilities. Each state has different rules to provide drug coverage to its members.

In New York State, the State Pharmaceutical Assistance Program is Elderly Pharmaceutical Insurance Coverage (EPIC) Program.

Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across **the calendar year** (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2026.** Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. To learn more about this payment option, call Member Services at 1-866-490-2102 (TTY users call 711) or visit www.Medicare.gov.

Chapter 3 Using our plan for your medical and other covered services

CHAPTER 3: Using our plan for your medical and other covered services

SECTION 1 How to get medical care and other services as a member of our plan

This chapter explains what you need to know about using our plan to get your medical care and other services covered. For details on what medical care and other services our plan covers, go to the Medical Benefits Chart in Chapter 4.

Section 1.1 Network providers and covered services

- **Providers** are doctors and other health care professionals licensed by the state to provide medical services and care. The term “providers” also includes hospitals and other health care facilities.
- **Network providers** are the doctors and other health care professionals, medical groups, hospitals, and other health care facilities that have an agreement with us to accept our payment as payment in full. We arranged for these providers to deliver covered services to members in our plan. The providers in our network bill us directly for care they give you. When you see a network provider, you pay nothing for covered services.

Chapter 3 Using our plan for your medical and other covered services

- **Covered services** include all the medical care, health care services, supplies, equipment, and prescription drugs that are covered by our plan. Your covered services for medical care are listed in the Medical Benefits Chart in Chapter 4. Your covered services for prescription drugs are discussed in Chapter 5.

Section 1.2 Basic rules for your medical care and other services to be covered by our plan

As a Medicare and Medicaid health plan, Elderplan Plus Long-Term Care (HMO-POS D-SNP) must cover all services covered by Original Medicare and may offer other services in addition to those covered under Original Medicare. Please see Chapter 4, Section 2.1 for benefits covered by the plan.

Elderplan Plus Long-Term Care (HMO-POS D-SNP) will generally cover your medical care as long as:

- **The care you get is included in our plan's Medical Benefits Chart** in Chapter 4.
- **The care you get is considered medically necessary.** Medically necessary means that the services, supplies, equipment, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Chapter 3 Using our plan for your medical and other covered services

- **You have a network primary care provider (a PCP) providing and overseeing your care.** As a member of our plan, you must choose a network PCP (go to Section 2.1 for more information).
 - In general, you do not need to get advance approval from your PCP to see a specialist in the community. However, it is important for your PCP to have this information, so we encourage you to talk to your doctor about services and medical care you are receiving. For certain services, such as home doctor visits other than your PCP, or certified Home Health Care, you will need an authorization from our plan (see Chapter 4 about medical services that need an authorization) Your PCP can help you get those authorizations from our plan.
 - Referrals from your PCP are not required for emergency care or urgently needed services. There are also some other kinds of care you can get without having approval in advance from your PCP (for more information about this, see Section 2.2 of this chapter).
- **You must get your care from a network provider** (see Section 2). In most cases, care you get from an out-of-network provider (a provider who's not part of our plan's network) won't be covered. This means that you have to pay the provider in full for services you get. Here are 4 exceptions:

Chapter 3 Using our plan for your medical and other covered services

- Our plan covers emergency care or urgently needed services you get from an out-of-network provider. For more information, and to see what emergency or urgently needed services are, go to Section 3.
- If you need medical care that Medicare or Medicaid requires our plan to cover but there are no specialists in our network that provide this care, you can get this care from an out-of-network provider at the same cost sharing you normally pay in-network. Authorization should be obtained from the plan by your provider prior to seeking care from an out-of-network provider. If a benefit is offered in and out-of-network, you or your provider should contact the plan to confirm if authorization is required. In this situation, we'll cover these services as if you got the care from a network provider. For information about getting approval to see an out-of-network doctor, go to Section 2.4.

Chapter 3 Using our plan for your medical and other covered services

- Our plan covers kidney dialysis services you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area or when your provider for this service is temporarily unavailable or inaccessible. The cost sharing you pay our plan for dialysis can never be higher than the cost sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider outside our plan's network, your cost sharing can't be higher than the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from a provider outside our plan's network, your cost sharing for the dialysis may be higher.
- Under a Point of Service (POS) option, you may use out-of-network providers to get limited covered services and benefits from any Medicare-certified provider who has not opted out of Medicare. Not all services are covered out-of-network under your Point of Service (POS) option. For more information on these services and how to use them, see section 2.4 (How to get care from out-of-network providers).

Chapter 3 Using our plan for your medical and other covered services

SECTION 2 Use providers in our plan's network to get medical care and other services

Section 2.1 You must choose a Primary Care Provider (PCP) to provide and oversee your care

What is a PCP and what does the PCP do for you?

- *What is a PCP?*
 - When you become a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP), you must choose a plan provider to be your PCP. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. As we explain below, you will get your routine or basic care from your PCP.
- *What types of providers may act as a PCP?*
 - You may select from among several types of providers as a PCP. These include, for example, internists and family practitioners, who have agreed to service our members in a primary care provider role.
- *The role of a PCP in our plan.*
 - Your primary care provider will provide you with most of your routine and preventive health care services.

Chapter 3 Using our plan for your medical and other covered services

- *What is the role of the PCP in coordinating covered services?*
 - It is also the role of the PCP to help coordinate the additional healthcare and services you may need, such as specialist consultations, laboratory and diagnostic tests. “Coordinating” your services includes checking or consulting with other plan providers about your care and how it is going. Since your PCP will provide and coordinate your medical care, you should have all of your past medical records sent to your PCP’s office. Your primary care provider maintains your complete medical record, which includes all your medical and surgical history, current and past problems, medications and documentation of services you have received from other healthcare providers.
- *What is the role of the PCP in making decisions about or getting a prior authorization (PA), if applicable?*
 - In some cases, your PCP will need to get prior authorization (prior approval) from us for certain types of covered services or supplies.

Chapter 3 Using our plan for your medical and other covered services

How to choose a PCP

When you become a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP), you must choose a plan provider to be your PCP. Your PCP is a provider who meets state requirements and is trained to give your basic medical care. Upon enrollment you will select a PCP from our listing of participating primary care providers. If you do not select a Primary care provider at the time of your enrollment one will be chosen for you according to your service area. We can assist enrollees in selecting or identifying who their PCP is and arranging an appointment with a (PCP). To have Elderplan assist you, call the Member Services number located on your ID Card.

How to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP might leave our plan's network of providers, and you'd need to choose a new PCP.

Chapter 3 Using our plan for your medical and other covered services

To change your PCP, call Member Services. When you call, be sure to tell Member Services if you are seeing specialists or getting other covered services where your PCP is managing any prior-authorizations or approvals. Member Services will help make sure that you can continue with the specialty care and other service you have been getting when you change your PCP. They will also check to be sure the PCP you want to switch to is accepting new patients in our network. Member Services will change your membership record to show the name of your new PCP and tell you when the change to your new PCP will take effect. All changes will be made immediately upon request. They will also send you a new membership card that shows the name and phone number of your new PCP.

If your health care provider leaves the network, an ongoing course or treatment may be continued for a transitional period for certain qualifying conditions of up to 90 days if the provider accepts payment at the plan rate, adheres to plan quality assurance and other policies, and provides medical information about the care to the plan.

Chapter 3 Using our plan for your medical and other covered services

Section 2.2 Medical care and other services you can get without a PCP referral

You can get the services listed below without getting approval in advance from your PCP.

- Routine women’s health care, including breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider
- Flu shots, COVID-19 vaccines: Hepatitis B vaccines, and pneumonia vaccines as long as you get them from a network provider
- Emergency services from network providers or from out-of-network providers
- Urgently needed plan-covered services are services that require immediate medical attention (but not an emergency) if you’re either temporarily outside our plan’s service area, or if it’s unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren’t considered urgently needed even if you’re outside our plan’s service area or our plan network is temporarily unavailable.

Chapter 3 Using our plan for your medical and other covered services

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our plan's service area. If possible, call Member Services at 1-877-891-6447 (TTY users call 711) before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
- Provider specialist visits.
- Public health agency facilities for Tuberculosis Screening, Diagnosis and, Treatment.
- Family Planning and Reproductive Health services.
- Article 28 clinics operated by academic dental centers to obtain covered dental services.
- Article 28 clinics that provide optometry services and are affiliated with the College of Optometry of the State University of New York to obtain covered optometry services.

Section 2.3 How to get care from specialists and other network providers

A specialist is a doctor who provides health care services for a specific disease or part of the body. There are many kinds of specialists. For example:

- Oncologists care for patients with cancer
- Cardiologists care for patients with heart conditions

Chapter 3 Using our plan for your medical and other covered services

- Orthopedists care for patients with certain bone, joint, or muscle conditions
- How to access specialists and other network providers?
 - You can find a specialist and other network providers by using our Provider and Pharmacy Directory at www.elderplan.org. You can also call Member Services (phone numbers are printed on the back cover of this booklet).
- *What is the role (if any) of the PCP in referring members to specialists and other providers?*
 - Your PCP is the best person to advise you on when to see a Specialist. While you may see the Plan participating specialist you choose, your PCP will make his or her recommendation and advise you as part of coordination of your healthcare needs.
- *What to do if you need prior authorization?*
 - Generally, you obtain prior authorization through your primary care provider or specialist. Your doctor will contact the plan's Prior Authorization Department to discuss your service needs. The plan will then notify you and your provider of the determination. Please see Chapter 4, Section 2.1 for information about which services require prior authorization.

Chapter 3 Using our plan for your medical and other covered services

- *For what services, will the PCP need to get prior authorization from the plan?*
 - For various services, your PCP may need to get authorization from the Plan. These include, but are not limited to, services from non-participating facilities or an elective admission to hospital. Please refer to Chapter 4, Section 2.1 for information about services that require prior authorization.

When a specialist or another network provider leaves our plan

We may make changes to the hospitals, doctors, and specialists (providers) in our plan's network during the year. If your doctor or specialist leaves our plan, you have these rights and protections:

- Even though our network of providers may change during the year, Medicare requires that you have uninterrupted access to qualified doctors and specialists.
- We'll notify you that your provider is leaving our plan so that you have time to choose a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past 3 years.

Chapter 3 Using our plan for your medical and other covered services

- If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past 3 months.
- We'll help you choose a new qualified in-network provider for continued care.
- If you're undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- When an in-network provider or benefit is unavailable or inadequate to meet your medical needs, we'll arrange for any medically necessary covered benefit outside of our provider network at in-network cost sharing. If you are receiving care from a provider type listed in Section 2.4 of this chapter, your provider should call the plan to see if "Authorization is Required" for the service that you are receiving.
- If you find out your doctor or specialist is leaving our plan, contact us so we can help you choose a new provider to manage your care.

Chapter 3 Using our plan for your medical and other covered services

- If you believe we haven't furnished you with a qualified provider to replace your previous provider or that your care isn't being appropriately managed, you have the right to file a quality-of-care complaint to the QIO, a quality-of-care grievance to our plan, or both (go to Chapter 9).

Section 2.4 How to get care from out-of-network providers

This plan is an HMO-POS plan. The POS option allows you to get certain services and benefits from any Medicare-certified provider who has not opted out of Medicare. Check with your provider before receiving services to confirm they have not opted out of Medicare. Out-of-network providers may choose not to accept our plan members as patients.

Chapter 3 Using our plan for your medical and other covered services

If an out-of-network provider refuses to accept our plan, we recommend you seek care from within our contracted in-network provider. If an out-of-network provider sends you a bill that you think we should pay, please contact Member Services or send the bill to us for payment. We will pay your doctor for our share of the bill and your doctor may bill you for the amount you owe, if any. Out-of-network providers who accept Medicare cannot bill for any more than what is allowed by Original Medicare. It is best to ask an out-of-network provider to bill us first, but if you have already paid for the covered services, we will reimburse you for our share of the costs. If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. See Chapter 4 for a list of covered services that are included in the POS (out-of-network) benefit and your cost share.

As a member of our plan, you can choose to receive care from out-of-network providers for the following services only:

- Supplemental Diagnostic and Preventative Dental Services
- Supplemental Comprehensive Dental Services
- Occupational Therapy Services
- Other Health care professional services (i.e.: Nurse Practitioner, Physician Assistant)
- Physical Therapy and Speech-Language Pathology Services
- Medicare Covered Podiatry Services

Chapter 3 Using our plan for your medical and other covered services

- Routine (Supplemental) Podiatry Services
- Specialist Services

For some types of services, your doctor may need to get approval in advance from our plan (this is called getting “prior authorization”). See Chapter 4, Section 2.1 for more information about services where “Authorization is Required”.

Note: Members are entitled to receive services from out-of-network providers for emergency or urgently needed services. In addition, plan must cover dialysis services for ESRD members who have traveled outside the plans service area and are not able to access contracted ESRD providers.

SECTION 3 How to get services in an emergency, disaster, or urgent need for care

Section 3.1 Get care if you have a medical emergency

A **medical emergency** is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent your loss of life (and, if you’re a pregnant woman, loss of an unborn child), loss of a limb or function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that’s quickly getting worse.

Chapter 3 Using our plan for your medical and other covered services

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You don't need to get approval or a referral first from your PCP. You don't need to use a network doctor. You can get covered emergency medical care whenever you need it, anywhere in the United States or its territories, and from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, make sure our plan has been told about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Please call the Member Services phone number located on your ID card.

Covered services in a medical emergency

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency.

The doctors giving you emergency care will decide when your condition is stable and when the medical emergency is over.

Chapter 3 Using our plan for your medical and other covered services

After the emergency is over, you're entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. Your follow-up care will be covered by our plan.

If your emergency care is provided by out-of-network providers, we'll try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if it wasn't a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care—thinking that your health is in serious danger—and the doctor may say that it wasn't a medical emergency after all. If it turns out that it wasn't an emergency, as long as you reasonably thought your health was in serious danger, we'll cover your care.

However, after the doctor says it wasn't an emergency, we'll cover additional care *only* if you get the additional care in one of these 2 ways:

- You go to a network provider to get the additional care.
- The additional care you get is considered urgently needed services and you follow the rules below for getting this urgent care.

Chapter 3 Using our plan for your medical and other covered services

Section 3.2 Get care when you have an urgent need for services

A service that requires immediate medical attention (but isn't an emergency) is an urgently needed service if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

To locate in-network providers for Urgently Needed Services, please look for Urgent Care Centers in the Provider and Pharmacy Directory at www.elderplan.org.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider.

Our plan covers worldwide emergency and urgent care services outside the United States, up to \$50,000 maximum benefit. (See Benefits Chart in Chapter 4 for more detailed information.)

Chapter 3 Using our plan for your medical and other covered services

Section 3.3 Get care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit www.elderplan.org for information on how to get needed care during a disaster.

If you can't use a network provider during a disaster, our plan will allow you to get care from out-of-network providers at in-network cost sharing. If you can't use a network pharmacy during a disaster, you may be able to fill your prescriptions at an out-of-network pharmacy. Go to Chapter 5, Section 2.5.

SECTION 4 What if you're billed directly for the full cost of covered services?

If you paid for your covered services or if you get a bill for covered medical services, you can ask us to pay our share of the cost of covered services. Go to Chapter 7 for information about what to do.

Chapter 3 Using our plan for your medical and other covered services

Section 4.1 If services aren't covered by our plan

Elderplan Plus Long-Term Care (HMO-POS D-SNP) covers all medically necessary services as listed in the Medical Benefits Chart in Chapter 4. If you get services that aren't covered by our plan, or you get services out-of-network without authorization, you're responsible for paying the full cost of services.

For covered services that have a benefit limitation, you also pay the full cost of any services you get after you use up your benefit for that type of covered service. If you pay for costs, once your benefit limit has been reached these costs will not count towards your combined in-network and out-of-network out-of-pocket maximum. You can call Member Services when you want to know how much of your benefit limit you have already used.

SECTION 5 Medical services in a clinical research study

Section 5.1 What is a clinical research study

A clinical research study (also called a *clinical trial*) is a way that doctors and scientists test new types of medical care, like how well a new cancer drug works. Certain clinical research studies are approved by Medicare. Clinical research studies approved by Medicare typically ask for volunteers to participate in the study. When you're in a clinical research study, you can stay enrolled in our plan and continue to get the rest of your care (care that's not related to the study) through our plan.

Chapter 3 Using our plan for your medical and other covered services

If you participate in a Medicare-approved study, Original Medicare pays most of the costs for covered services you get as part of the study. If you tell us that you're in a qualified clinical trial, you're only responsible for the in-network cost sharing for the services in that trial. If you paid more—for example, if you already paid the Original Medicare cost-sharing amount—we'll reimburse the difference between what you paid and the in-network cost sharing. You'll need to provide documentation to show us how much you paid.

If you want to participate in any Medicare-approved clinical research study, you don't need to tell us or get approval from us or your PCP. The providers that deliver your care as part of the clinical research study don't need to be part of our plan's network. (This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.)

While you don't need our plan's permission to be in a clinical research study, we encourage you to notify us in advance when you choose to participate in Medicare-qualified clinical trials.

If you participate in a study not approved by Medicare, you'll be responsible for paying all costs for your participation in the study.

Chapter 3 Using our plan for your medical and other covered services

Section 5.2 Who pays for services in a clinical research study

Once you join a Medicare-approved clinical research study, Original Medicare covers the routine items and services you get as part of the study, including:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure if it is part of the research study.
- Treatment of side effects and complications of the new care.

After Medicare pays its share of the cost for these services, our plan will pay the difference between the cost sharing in Original Medicare and your in-network cost sharing as a member of our plan. This means you'll pay the same amount for services you get as part of the study as you would if you got these services from our plan. However, you must submit documentation showing how much cost sharing you paid. Go to Chapter 7 for more information on submitting requests for payments.

Chapter 3 Using our plan for your medical and other covered services

Example of cost sharing in a clinical trial: Let's say you have a lab test that costs \$100 as part of the research study. Your share of the costs for this test is \$20 under Original Medicare, but the test would be \$10 under our plan. In this case, Original Medicare would pay \$80 for the test, and you would pay the \$20 copay required under Original Medicare. You would notify our plan that you got a qualified clinical trial service and submit documentation (like a provider bill) to our plan. Our plan would then directly pay you \$10. This makes your net payment for the test \$10, the same amount you'd pay under our plan's benefits.

When you're in a clinical research study, **neither Medicare nor our plan will pay for any of the following:**

- Generally, Medicare won't pay for the new item or service the study is testing unless Medicare would cover the item or service even if you weren't in a study.
- Items or services provided only to collect data and not used in your direct health care. For example, Medicare won't pay for monthly CT scans done as part of a study if your medical condition would normally require only one CT scan.
- Items and services provided by the research sponsors free-of-charge for people in the trial.

SECTION 6 Rules for getting care in a religious non-medical health care institution

Section 6.1 A religious non-medical health care institution

A religious non-medical health care institution is a facility that provides care for a condition that would ordinarily be treated in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against a member's religious beliefs, we'll instead cover care in a religious non-medical health care institution. This benefit is provided only for Part A inpatient services (non-medical health care services).

Chapter 3 Using our plan for your medical and other covered services

Section 6.2 How to get care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you're conscientiously opposed to getting medical treatment that's **non-excepted**.

- **Non-excepted** medical care or treatment is any medical care or treatment that's *voluntary* and *not required* by any federal, state, or local law.
- **Excepted** medical treatment is medical care or treatment you get that's *not voluntary* or *is required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers *non-religious* aspects of care.
- If you get services from this institution provided to you in a facility, the following conditions apply:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.

Chapter 3 Using our plan for your medical and other covered services

- – *and* – you must get approval in advance from our plan before you're admitted to the facility, or your stay won't be covered.

Medicare Inpatient Hospital coverage limits apply. (Please see the benefits chart in Chapter 4, Section 2.1.)

SECTION 7 Rules for ownership of durable medical equipment

Section 7.1 You won't own some durable medical equipment after making a certain number of payments under our plan

Durable medical equipment (DME) includes items like oxygen equipment and supplies, wheelchairs, walkers, powered mattress systems, crutches, diabetic supplies, speech generating devices, IV infusion pumps, nebulizers, and hospital beds ordered by a provider for members to use in the home. The member always owns some DME items, like prosthetics. Other types of DME you must rent.

Chapter 3 Using our plan for your medical and other covered services

In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. **As a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP), you won't get ownership of rented DME items no matter how many copayments you make for the item while a member of our plan.** You won't get ownership, even if you made up to 12 consecutive payments for the DME item under Original Medicare before you joined our plan.

What happens to payments you made for durable medical equipment if you switch to Original Medicare?

If you didn't get ownership of the DME item while in our plan, you'll have to make 13 new consecutive payments after you switch to Original Medicare to own the DME item. The payments you made while enrolled in our plan don't count towards these 13 payments.

Example 1: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. The payments you made in Original Medicare don't count.

Example 2: You made 12 or fewer consecutive payments for the item in Original Medicare and then joined our plan. You didn't get ownership of the item while in our plan. You then go back to Original Medicare. You'll have to make 13 consecutive new payments to own the item once you rejoin Original Medicare. Any payments you already made (whether to our plan or to Original Medicare) don't count.

Chapter 3 Using our plan for your medical and other covered services

Section 7.2 Rules for oxygen equipment, supplies, and maintenance

If you qualify for Medicare oxygen equipment coverage Elderplan Plus Long-Term Care (HMO-POS D-SNP) will cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related oxygen accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

If you leave Elderplan Plus Long-Term Care (HMO-POS D-SNP) or no longer medically require oxygen equipment, the oxygen equipment must be returned.

What happens if you leave our plan and return to Original Medicare?

Original Medicare requires an oxygen supplier to provide you services for 5 years. During the first 36 months, you rent the equipment. For the remaining 24 months, the supplier provides the equipment and maintenance (you're still responsible for the copayment for oxygen). After 5 years, you can choose to stay with the same company or go to another company. At this point, the 5-year cycle starts over again, even if you stay with the same company, and you're again required to pay copayments for the first 36 months. If you join or leave our plan, the 5-year cycle starts over.

CHAPTER 4: Medical Benefits Chart (what's covered)

SECTION 1 Understanding covered services

The Medical Benefits Chart lists your covered services as a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP). This section also gives information about medical services that aren't covered.

Section 1.1 Out-of-pocket costs you may pay for covered services

Because you get help from Medicaid, you pay nothing for your covered services as long as you follow our plans' rules for getting your care. (Go to Chapter 3 for more information about our plans' rules for getting your care.)

Types of out-of-pocket costs you may pay for covered services include:

- **Deductible:** the amount you must pay for medical services before our plan begins to pay its share. (Section 1.2 tells you more about our plan deductible.)

Chapter 4 Medical Benefits Chart (what's covered)

- **Copayment:** the fixed amount you pay each time you get certain medical services. You pay a copayment at the time you get the medical service. (The Medical Benefits Chart tells you more about your copayments.)
- **Coinsurance:** the percentage you pay of the total cost of certain medical services. You pay a coinsurance at the time you get the medical service. (The Medical Benefits Chart tells you more about your coinsurance.)

Section 1.2 Our plan deductible

Your deductible is \$257. Because our members also get assistance from Medicaid, you are not responsible for paying any amount towards the deductible.

These are 2025 cost-sharing amounts and may change for 2026. Elderplan Plus Long-Term Care (HMO-POS D-SNP) will provide updated rates at www.elderplan.org as soon as they are released.

Chapter 4 Medical Benefits Chart (what's covered)

The in-network deductible applies to the following services:

Cardiac Rehabilitation Services, Intensive Cardiac Rehabilitation Services, Pulmonary Rehabilitation Services, SET for PAD Services, Partial Hospitalization, Intensive Outpatient Program Services, Home Health Services, Primary Care Physician Services, Chiropractic Services, Occupational Therapy Services, Physician Specialist Services, Mental Health Specialty Services Individual and Group, Podiatry Services, Other Health Care Professional, Psychiatric Services Individual and Group, Physical Therapy and Speech-Language Pathology Services, Additional Telehealth Services, Diagnostic Procedures/Tests/Lab Services, Therapeutic Radiological Services, Outpatient X-Ray Services, Outpatient Hospital Services, Observation Services, Ambulatory Surgical Center (ASC) Services, Outpatient Substance Abuse Individual and Group, Outpatient Blood Services, Ground Ambulance Services, Air Ambulance Services, Durable Medical Equipment (DME), Prosthetics Devices, Medical Supplies, Diabetic Supplies, Diabetic Therapeutic Shoes/Inserts, Dialysis Services, Kidney Disease Education Services, Glaucoma Screening, Diabetes Self-Management Training.

Chapter 4 Medical Benefits Chart (what's covered)

Section 1.3 What's the most you'll pay for Medicare Part A and Part B covered medical services?

Note: Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum. You're not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.

Medicare Advantage Plans have limits on the amount you have to pay out-of-pocket each year for medical services covered by our plan. This limit is called the maximum out-of-pocket (MOOP) amount for medical services. **For calendar year 2026 the MOOP amount is \$9,250.**

The amounts you pay for deductibles, copayments, and coinsurance for in-network and out-of-network combined covered services count toward this combined maximum out-of-pocket amount. The amounts you pay for plan premiums and Part D drugs don't count toward your combined maximum out-of-pocket amount. If you reach the combined maximum out-of-pocket amount of \$9,250, you won't have to pay any out-of-pocket costs for the rest of the year for covered Part A and Part B services. However, you must continue to pay the Medicare Part B premium (unless your Part B premium is paid for you by Medicaid or another third party).

Chapter 4 Medical Benefits Chart (what's covered)

SECTION 2 The Medical Benefits Chart shows your medical benefits and costs

The Medical Benefits Chart on the next pages lists the services Elderplan Plus Long-Term Care (HMO-POS D-SNP) covers (Part D drug coverage is in Chapter 5). The services listed in the Medical Benefits Chart are covered only when these requirements are met:

- Your Medicare and Medicaid covered services must be provided according to Medicare and Medicaid coverage guidelines.
- Your services (including medical care, services, supplies, equipment, and Part B drugs) *must* be medically necessary. Medically necessary means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, your MA coordinated care plan must provide a minimum 90-day transition period, during which time the new MA plan may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that commenced with an out-of-network provider.

Chapter 4 Medical Benefits Chart (what's covered)

- You get your care from a network provider. You may also receive care from an out-network provider. Your plan has a Point-Of-Service (POS) option that provides coverage for certain services and benefits from out-of-network providers. Chapter 3 provides more information about requirements for using network providers and the situations when we will cover services from an out-of-network provider.
- You have a primary care provider (a PCP) providing and overseeing your care.
- Some services listed in the Medical Benefits Chart are covered *only* if your doctor or other network provider gets approval from us in advance (sometimes called prior authorization). Covered services that need approval in advance are marked in the Medical Benefits Chart as “Authorization is Required”.

Other important things to know about our coverage:

- You're covered by both Medicare and Medicaid. Medicare covers health care and prescription drugs. Medicaid covers your cost sharing for Medicare services, including Inpatient Hospital-Acute and Inpatient Hospital-Psychiatric. Medicaid also covers services Medicare doesn't cover, like Non-Emergency Transportation and Long-Term care.

Chapter 4 Medical Benefits Chart (what's covered)

- Like all Medicare health plans, we cover everything that Original Medicare covers. (To learn more about the coverage and costs of Original Medicare, go to your *Medicare & You 2026* handbook. View it online at www.Medicare.gov or ask for a copy by calling 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.)
- For preventive services covered at no cost under Original Medicare, we also cover those services at no cost to you.
- If Medicare adds coverage for any new services during 2026, either Medicare or our plan will cover those services.
- Elderplan Plus Long-Term Care (HMO-POS D-SNP) offers fully integrated Medicare and Medicaid benefits. If you are eligible for Medicare cost-sharing assistance under Medicaid, you will have \$0 cost-sharing for certain Medicare covered services. For a list of Medicare and Medicaid covered benefits and applicable cost-sharing please see the Chapter 4, Medical Benefits Chart.
- If you're within our plan's 3-month period of deemed continued eligibility, we'll continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will also continue to cover Medicaid benefits that are included under this plan. Medicare cost sharing amounts for Medicare basic and supplemental benefits do not change during this period.

Chapter 4 Medical Benefits Chart (what's covered)

You don't pay anything for the services listed in the Medical Benefits Chart, as long as you meet the coverage requirements described above.

Supplemental Dental Benefits Limitations and Exclusions

As a member of our plan, our plan offers dental benefits limitations and exclusions, including but not limited to:

- Our plan offers both in-network and out-of-network dental coverage; all covered services have \$0 copayment.
 - You pay \$0 copayment for Supplemental Comprehensive Dental Services
 - You pay \$0 copayment for Supplemental Diagnostic and Preventive Dental services
 - Service limitations apply based on established fee schedule, including type of service, number, and frequency
 - Benefits received out-of-network are subject to any in-network benefit maximums, limitations and/or exclusions.
- If you would like to learn more about how your dental coverage relates to your proposed dental treatment and costs, you may ask your dentist to obtain coverage estimate from DentaQuest. If the provider has questions about how to obtain this information, they can contact DentaQuest using the number on the back of your Member ID card.
- In-Network dentists have agreed to provide services at a negotiated rate. If you visit an in-network dentist, you will not receive a bill for charges more than the negotiated fee schedule on covered services (annual maximum s till applies).

Chapter 4 Medical Benefits Chart (what's covered)

- When you have covered dental services performed at an in-network dentist, the dentist will submit the claim on your behalf.
- Dentists may ask you to sign an informed consent document detailing the risks, benefits, costs, and alternatives to all recommended treatments.
- When you see an out-of-network dentist, often the dentist will submit a claim on your behalf. If they do not, then you can submit it directly using the following instructions:
 - The claim submission must contain the following information:
 - Full member name and member ID number
 - Full provider name and address
 - List of dental services rendered with the corresponding ADA code(s)
 - Proof of payment in the form of an itemized receipt reflecting payment and a zero-patient balance
 - Mail all required claim information within 365 days from the date of service to:
 - DentaQuest Claims
PO Box 2906
Milwaukee, WI 53201-2906
 - or via fax at 262-834-3589
 - Payment will be sent to the address listed on your account. To update your address or for assistance with submitting claims, contact Member Services.

Chapter 4 Medical Benefits Chart (what's covered)

- Dental claims are paid within 30 days and an Explanation of Payment (EOP) will accompany check payment.
- Other limitations or exclusions of plan dental coverage are:

SECTION 4 Services that aren't covered by our plan

This section tells you what services are excluded by Medicare. The chart below lists services and items that aren't covered by our plan under any conditions or are covered by only under specific conditions.

If you get services that are excluded (not covered), you must pay for them yourself except under the specific conditions listed below. Even if you get the excluded services at an emergency facility, the excluded services are still not covered, and our plan will not pay for them. The only exception is if the service is appealed and decided: upon appeal to be a medical service that we should have paid for or covered because of your specific situation. (For information about appealing a decision we have made to not cover a medical service, go to Chapter 9, Section 6.3.)

CHAPTER 5: Using plan coverage for Part D drugs

How can you get information about your drug costs?

Because you're eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you're in the Extra Help program, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the *LIS Rider*. (Phone numbers for Member Services are printed on the back cover of this document.)

SECTION 1 Basic rules for our plan's Part D drug coverage

Go to the Medical Benefits Chart in Chapter 4 for Medicare Part B drug benefits and hospice drug benefits.

In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits.

Chapter 5 Using plan coverage for Part D drugs

For additional information regarding the New York State Medicaid Pharmacy Program, please go to:

https://www.health.ny.gov/health_care/medicaid/program/pharmacy.htm

Residents of New York City can call New York State Medicaid Program 8 a.m. to 8 p.m., Monday through Friday, Saturday 9:00AM-1:00PM at 1-800-541-2831.

Our plan will generally cover your drugs as long as you follow these rules:

- You must have a provider (a doctor, dentist, or other prescriber) write you a prescription that's valid under applicable state law.
- Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
- You generally must use a network pharmacy to fill your prescription (Go to Section 2) *or you can fill your prescription through our plan's mail-order service.*
- Your drug must be on our plan's Drug List (Go to Section 3).

Chapter 5 Using plan coverage for Part D drugs

- Your drug must be used for a medically accepted indication. A “medically accepted indication” is a use of the drug that’s either approved by the FDA or supported by certain references. (Go to Section 3 for more information about a medically accepted indication.)
- Your drug may require approval from our plan based on certain criteria before we agree to cover it. (Go to Section 4 for more information)

SECTION 2 Fill your prescription at a network pharmacy or through our plan’s mail-order service

In most cases, your prescriptions are covered *only* if they’re filled at our plan’s network pharmacies. (Go to Section 2.5 for information about when we cover prescriptions filled at out-of-network pharmacies.)

A network pharmacy is a pharmacy that has a contract with our plan to provide your covered drugs. The term “covered drugs” means all the Part D drugs on our plan’s Drug List.

Chapter 5 Using plan coverage for Part D drugs

Section 2.1 Network pharmacies

Find a network pharmacy in your area

To find a network pharmacy, go to your *Provider and Pharmacy Directory*, visit our website (www.elderplan.org), and/or call Member Services at 1-877-891-6447 (TTY users call 711).

You may go to any of our network pharmacies

If your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you'll have to find a new pharmacy in the network. To find another pharmacy in your area, get help from Member Services at 1-877-891-6447 (TTY users call 711) or use the *Provider and Pharmacy Directory*. You can also find information on our website at www.elderplan.org.

Specialized pharmacies

Some prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy. Please refer to your *Provider and Pharmacy Directory* to find a home infusion pharmacy provider in your area. For more information, please contact Member Services at 1-877-891-6447.

Chapter 5 Using plan coverage for Part D drugs

- Pharmacies that supply drugs for residents of a long-term care (LTC) facility. Usually, a LTC facility (such as a nursing home) has its own pharmacy. If you have difficulty getting your Part D drugs in an LTC facility, call Member Services at 1-877-891-6447 (TTY users call 711).
- Pharmacies that serve the Indian Health Service / Tribal / Urban Indian Health Program (not available in Puerto Rico). Except in emergencies, only Native Americans or Alaska Natives have access to these pharmacies in our network.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on its use. To locate a specialized pharmacy, go to your *Provider and Pharmacy Directory* www.elderplan.org or call Member Services at 1-877-891-6447 (TTY users call 711).

Section 2.2 Our plan's mail-order service

For certain kinds of drugs, you can use our plan's network mail-order service. Generally, the drugs provided through mail order are drugs you take on a regular basis, for a chronic or long-term medical condition. The drugs that aren't available through our plan's mail-order service are marked with an "NM" in our Drug List.

Chapter 5 Using plan coverage for Part D drugs

Our plan's mail-order service allows you to order **up to a 90-day supply**.

To get order forms and information about filling your prescriptions by mail please go to www.elderplan.org or contact Member Services. If you use a mail-order pharmacy not in the plan's network, your prescription will not be covered.

Usually, a mail-order pharmacy order will be delivered to you in no more than 5-7 days. However, sometimes your mail order may be delayed. If your provider instructs you to begin taking the medication, you may obtain another prescription from your provider and obtain a 30-day supply from a local pharmacy. You will have to pay the applicable cost sharing or cost sharing for both the mail order pharmacy prescription drug you received and the 30-day supply of the prescription drug you receive from your local pharmacy. Please contact Member Services to update your contact information so the pharmacy can reach you to confirm your order before shipping.

New prescriptions the pharmacy gets directly from your doctor's office.

The pharmacy will automatically fill and deliver new prescriptions it gets from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or

Chapter 5 Using plan coverage for Part D drugs

- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You can ask for automatic delivery of all new prescriptions at any time by logging in to your [Caremark.com](https://www.caremark.com) account or by calling CVS/Caremark at 1-866-490-2102, 24 hours a day, 7 days a week. TTY users should dial 711.

If you get a prescription automatically by mail that you don't want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you used mail order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by logging in to your [Caremark.com](https://www.caremark.com) account or by calling CVS/Caremark at 1-866-490-2102, 24 hours a day, 7 days a week. TTY users should dial 711.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy will contact you each time it gets a new prescription from a health care provider to see if you want the medication filled and shipped immediately. It's important to respond each time you're contacted by the pharmacy, to let them know whether to ship, delay, or cancel the new prescription.

Chapter 5 Using plan coverage for Part D drugs

To opt out of automatic deliveries of new prescriptions received directly from your health care provider's office, contact us by logging in to your [Caremark.com](https://www.caremark.com) account or by calling CVS/Caremark at 1-866-490-2102, 24 hours a day, 7 days a week. TTY users should dial 711.

Refills on mail-order prescriptions. For refills of your drugs, you have the option to sign up for the Automatic Refill Program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug. The pharmacy will contact you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.

If you choose not to use our auto-refill program but still want the mail-order pharmacy to send you your prescription, contact your pharmacy 29 days before your current prescription will run out. This will ensure your order is shipped to you in time.

To opt out of the Automatic Refill Program that automatically prepares mail-order refills, contact us by logging in to your [Caremark.com](https://www.caremark.com) account or by calling CVS/Caremark at 1-866-490-2102, 24 hours a day, 7 days a week. TTY users should dial 711.

If you get a refill automatically by mail that you don't want, you may be eligible for a refund.

Chapter 5 Using plan coverage for Part D drugs

Section 2.3 How to get a long-term supply of drugs

When you get a long-term supply of drugs, your cost sharing may be lower. Our plan offers 2 ways to get a long-term supply (also called an extended supply) of maintenance drugs on our plan's Drug List. (Maintenance drugs are drugs you take on a regular basis, for a chronic or long-term medical condition.)

1. Some retail pharmacies in our network allow you to get a long-term supply of maintenance drugs. Your *Provider and Pharmacy Directory* www.elderplan.org tells you which pharmacies in our network can give you a long-term supply of maintenance drugs. You can also call Member Services at 1-877-891-6447 (TTY users call 711) for more information.
2. You can also get maintenance drugs through our mail-order program. Go to Section 2.3 for more information.

Section 2.4 Using a pharmacy that's not in our plan's network

Generally, we cover drugs filled at an out-of-network pharmacy *only* when you aren't able to use a network pharmacy. We also have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. **Check first with Member Services at 1-877-891-6447 (TTY users call 711)** to see if there's a network pharmacy nearby.

Chapter 5 Using plan coverage for Part D drugs

We cover prescriptions filled at an out-of-network pharmacy only in these circumstances:

- Prescriptions filled because of a medical emergency.
- We will cover prescriptions that are filled at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgently needed care. In this situation, you will have to pay the full cost (rather than paying just your copayment/coinsurance) when you fill your prescription. You may send us a request for payment. When you send us a request for payment, we will review your request and decide whether the drug should be covered. This is called making a “coverage decision.” If we decide it should be covered, we will pay for our share of the drug cost. If we deny your request for payment, you can appeal our decision. Chapter 9 of this booklet (What to do if you have a problem or complaint (coverage decision, appeals, complaints)) has information about how to make an appeal.
- Getting coverage when you travel or are away from the plan’s service area:

Chapter 5 Using plan coverage for Part D drugs

If you take a prescription drug on a regular basis and you are taking a trip, be sure to check your supply of the drug before you leave. When possible, take all the medications you will need with you. You may be able to order your prescription drugs ahead of time through our network pharmacy service or through a retail network pharmacy that offers an extended supply. If you are traveling within the United States, but outside of the plan's service area, and you become ill, lose, or run out of prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy if you follow all other coverage rules identified within this document and a network pharmacy is not available. In these situations, please check first with Member Services to see if there is a network pharmacy nearby.

We will also cover prescriptions at an out-of-network pharmacy if at least one of the following applies:

- If you are unable to get a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provide 24-hour service.
- If you are trying to fill a covered prescription drug in a timely manner and that particular covered drug (for example, an orphan drug or other specialty pharmaceutical typically shipped directly from the manufacturer or special vendor) is not regularly stocked at accessible network or mail-order pharmacies.

Chapter 5 Using plan coverage for Part D drugs

In these situations, **please check first with Member Services** to see if there is a network pharmacy nearby. (Phone numbers for Member Services are printed on the back cover of this document.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost that we would cover at an in-network pharmacy.

If you must use an out-of-network pharmacy, you'll generally have to pay the full cost at the time you fill your prescription. You can ask us to reimburse you. (Go to Chapter 7, Section 2 for information on how to ask our plan to pay you back.) You may be required to pay the difference between what you pay for the drug at the out-of-network pharmacy and the cost we would cover at an in-network pharmacy.

SECTION 3 Your drugs need to be on our plan's Drug List

Section 3.1 The Drug List tells which Part D drugs are covered

Our plan has a *List of Covered Drugs* (formulary). In this *Evidence of Coverage*, we **call it the Drug List**.

The drugs on this list are selected by our plan with the help of doctors and pharmacists. The list meets Medicare's requirements and has been approved by Medicare.

Chapter 5 Using plan coverage for Part D drugs

The Drug List only shows drugs covered under Medicare Part D. In addition to the drugs covered by Medicare, some prescription drugs are covered under your Medicaid benefits.

For additional information regarding the New York State Medicaid Pharmacy Program, please go to https://www.health.ny.gov/health_care/medicaid/program/pharmacy.htm

Residents of New York City can call New York State Medicaid Program 8 a.m. to 8 p.m., Monday through Friday, Saturday 9:00AM-1:00PM at 1-800-541-2831.

We generally cover a drug on our plan's Drug List as long as you follow the other coverage rules explained in this chapter and use of the drug for a medically accepted indication. A medically accepted indication is a use of the drug that's *either*:

- Approved by the FDA for the diagnosis or condition for which it's prescribed, or
- Supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System.

Go to Chapter 12 for definitions of types of drugs that may be on the Drug List.

Chapter 5 Using plan coverage for Part D drugs

Drugs that aren't on the Drug List

Elderplan Plus Long-Term Care (HMO-POS D-SNP) does not include Medicaid-covered drugs on our Drug List. New York State Medicaid continues to provide coverage for certain drugs excluded from the Medicare Part D benefit such as some prescription vitamins, and some non-prescription drugs.

For additional information regarding the New York State Medicaid Pharmacy Program, please go to

https://www.health.ny.gov/health_care/medicaid/program/pharmacy.htm.

Residents of New York City may contact New York City Human Resources Administration at 1-888-692-6116 for the most current and accurate benefit information.

Our plan doesn't cover all prescription drugs.

- In some cases, the law doesn't allow any Medicare plan to cover certain types of drugs. (For more information, go to Section 7.)
- In other cases, we decided not to include a particular drug on the Drug List.
- In some cases, you may be able to get a drug that isn't on our Drug List. (For more information, go to Chapter 9.)

Chapter 5 Using plan coverage for Part D drugs

Section 3.2 How to find out if a specific drug is on the Drug List

To find out if a drug is on our Drug List, you have these options:

- Check the most recent Drug List we provided electronically. (The Drug List includes information for the covered drugs most commonly used by our members. We cover additional drugs that aren't included in the Drug List. If one of your drugs isn't listed, visit our website or call Member Services at 1-877-891-6447 (TTY users call 711) to find out if we cover it.)
- Visit our plan's website (www.elderplan.org). The Drug List on the website is always the most current.
- Call Member Services at 1-877-891-6447 (TTY users call 711) to find out if a particular drug is on our plan's Drug List or ask for a copy of the list.
- Use our plan's "Real-Time Benefit Tool" (www.caremark.com) to search for drugs on the Drug List to get an estimate of what you'll pay and see if there are alternative drugs on the Drug List that could treat the same condition. You can also call Member Services at 1-877-891-6447 (TTY users call 711).

Chapter 5 Using plan coverage for Part D drugs

SECTION 4 Drugs with restrictions on coverage

Section 4.1 Why some drugs have restrictions

For certain prescription drugs, special rules restrict how and when our plan covers them. A team of doctors and pharmacists developed these rules to encourage you and your provider to use drugs in the most effective way. To find out if any of these restrictions apply to a drug you take or want to take, check the Drug List.

If a safe, lower-cost drug will work just as well medically as a higher-cost drug, our plan's rules are designed to encourage you and your provider to use that lower-cost option.

Note that sometimes a drug may appear more than once in our Drug List. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your health care provider, and different restrictions or cost sharing may apply to the different versions of the drug (for example, 10 mg versus 100 mg; one per day versus 2 per day; tablet versus liquid).

Chapter 5 Using plan coverage for Part D drugs

Section 4.2 Types of restrictions

If there's a restriction for your drug, it usually means that **you or your provider have to take extra steps for us to cover the drug.** Call Member Services at 1-877-891-6447 (TTY users call 711) to learn what you or your provider can do to get coverage for the drug. **If you want us to waive the restriction for you, you need to use the coverage decision process and ask us to make an exception.** We may or may not agree to waive the restriction for you. (Go to Chapter 9.)

Getting plan approval in advance

For certain drugs, you or your provider need to get approval from our plan based on specific criteria before we agree to cover the drug for you. This is called **prior authorization.** This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get this approval, your drug might not be covered by our plan. Our plan's prior authorization criteria can be obtained by calling Member Services at 1-877-891-6447 (TTY users call 711) or on our website www.elderplan.org.

Chapter 5 Using plan coverage for Part D drugs

Trying a different drug first

This requirement encourages you to try less costly but usually just as effective drugs before our plan covers another drug. For example, if Drug A and Drug B treat the same medical condition and Drug A is less costly, our plan may require you to try Drug A first. If Drug A doesn't work for you, our plan will then cover Drug B. This requirement to try a different drug first is called **step therapy**. Our plan's step therapy criteria can be obtained by calling Member Services at 1-877-891-6447 (TTY users call 711) or on our website www.elderplan.org.

Quantity limits

For certain drugs, we limit how much of a drug you can get each time you fill your prescription. For example, if it's normally considered safe to take only one pill per day for a certain drug, we may limit coverage for your prescription to no more than one pill per day.

SECTION 5 What you can do if one of your drugs isn't covered the way you'd like

There are situations where a prescription drug you take, or that you and your provider think you should take, isn't on our Drug List or has restrictions. For example:

- The drug might not be covered at all. Or a generic version of the drug may be covered but the brand name version you want to take isn't covered.

Chapter 5 Using plan coverage for Part D drugs

- The drug is covered, but there are extra rules or restrictions on coverage.

If your drug isn't on the Drug List or is restricted, here are options for what you can do:

- You may be able to get a temporary supply of the drug.
- You can change to another drug.
- You can ask for an **exception** and ask our plan to cover the drug or remove restrictions from the drug.

You may be able to get a temporary supply

Under certain circumstances, our plan must provide a temporary supply of a drug you're already taking. This temporary supply gives you time to talk with your provider about the change.

To be eligible for a temporary supply, the drug you take **must no longer be on our plan's Drug List OR is now restricted in some way.**

- **If you're a new member**, we'll cover a temporary supply of your drug during the first **90 days** of your membership in our plan.
- **If you were in our plan last year**, we'll cover a temporary supply of your drug during the first **90 days** of the calendar year.

Chapter 5 Using plan coverage for Part D drugs

- This temporary supply will be for a maximum of 30-day. If your prescription is written for fewer days, we'll allow multiple fills to provide up to a maximum of 30-day of medication. The prescription must be filled at a network pharmacy. (Note that a long-term care pharmacy may provide the drug in smaller amounts at a time to prevent waste.)
- **For members who've been in our plan for more than 90 days and live in a long-term care facility and need a supply right away:** We'll cover one 31-day supply emergency supply of a particular drug, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
- If you enter a Long-Term care (LTC) facility from the outpatient (home), hospital or another LTC facility, we will cover a temporary 31-day transition supply (unless you have a prescription written for fewer days) for each of the drugs that is not on our formulary or that have coverage restrictions or limits.
- If you leave the LTC facility or a hospital and return to the outpatient (home) setting, we will cover a temporary 30- day supply (unless you have a prescription written for fewer days) following the discharge for each of the drugs that is not on our formulary or that have coverage restrictions or limits. Please note that our transition policy applies only to those drugs that are "Part D drugs" and that are filled at a network pharmacy.

Chapter 5 Using plan coverage for Part D drugs

Please note that our transition policy applies only to those drugs that are “Part D drugs” and that are filled at a network pharmacy.

For questions about a temporary supply, call Member Services at 1-877-891-6447 (TTY users call 711).

During the time when you’re using a temporary supply of a drug, you should talk with your provider to decide what to do when your temporary supply runs out. You have 2 options:

Option 1. You can change to another drug

Talk with your provider about whether a different drug covered by our plan may work just as well for you. Call Member Services at 1-877-891-6447 (TTY users call 711) to ask for a list of covered drugs that treat the same medical condition. This list can help your provider find a covered drug that might work for you.

Option 2. You can ask for an exception

You and your provider can ask our plan to make an exception and cover the drug in the way you’d like it covered. If your provider says you have medical reasons that justify asking us for an exception, your provider can help you ask for an exception. For example, you can ask our plan to cover a drug even though it’s not on our plan’s Drug List. Or you can ask our plan to make an exception and cover the drug without restrictions.

Chapter 5 Using plan coverage for Part D drugs

If you're a current member and a drug you take will be removed from the formulary or restricted in some way for next year, we'll tell you about any change before the new year. You can ask for an exception before next year and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement). If we approve your request, we'll authorize coverage for the drug before the change takes effect.

If you and your provider want to ask for an exception, go to Chapter 9, Section 7.4 to learn what to do. It explains the procedures and deadlines set by Medicare to make sure your request is handled promptly and fairly.

SECTION 6 Our Drug List can change during the year

Most changes in drug coverage happen at the beginning of each year (January 1). However, during the year, our plan can make some changes to the Drug List. For example, our plan might:

- **Add or remove drugs from the Drug List.**
- **Add or remove a restriction on coverage for a drug.**
- **Replace a brand name drug with a generic version of the drug.**
- **Replace an original biological product with an interchangeable biosimilar version of the biological product.**

Chapter 5 Using plan coverage for Part D drugs

We must follow Medicare requirements before we change our plan's Drug List.

Information on changes to drug coverage

When changes to the Drug List occur, we post information on our website about those changes. We also update our online Drug List regularly. Sometimes you'll get direct notice if changes were made for a drug that you take.

Changes to drug coverage that affect you during this plan year

- **Adding new drugs to the Drug List and immediately removing or making changes to a like drug on the Drug List.**
 - We may immediately remove a like drug from the Drug List, move the like drug to a different cost-sharing tier, add new restrictions, or both. The new version of the drug will be with the same or fewer restrictions.
 - We'll make these immediate changes only if we add a new generic version of a brand name or add certain new biosimilar versions of an original biological product that was already on the Drug List.
 - We may make these changes immediately and tell you later, even if you take the drug that we remove or make changes to. If you take the like drug at the time we make the change, we'll tell you about any specific change we made.

Chapter 5 Using plan coverage for Part D drugs

- **Adding drugs to the Drug List and removing or making changes to a like drug on the Drug List.**
 - When adding another version of a drug to the Drug List, we may remove a like drug from the Drug List, move it to a different cost-sharing tier, add new restrictions, or both. The version of the drug that we add will be with the same or fewer restrictions.
 - We'll make these changes only if we add a new generic version of a brand name drug or adding certain new biosimilar versions of an original biological product that was already on the Drug List.
 - We'll tell you at least 30 days before we make the change or tell you about the change and cover an 30-day fill of the version of the drug you're taking.
- **Removing unsafe drugs and other drugs on the Drug List that are withdrawn from the market.**
 - Sometimes a drug may be deemed unsafe or taken off the market for another reason. If this happens, we may immediately remove the drug from the Drug List. If you're taking that drug, we'll tell you after we make the change.
- **Making other changes to drugs on the Drug List.**
 - We may make other changes once the year has started that affect drugs you are taking. For example, we based on FDA boxed warnings or new clinical guidelines recognized by Medicare.

Chapter 5 Using plan coverage for Part D drugs

- We'll tell you at least 30 days before we make these changes or tell you about the change and cover an additional 30-day fill of the drug you take.

If we make any of these changes to any of the drugs you take, talk with your prescriber about the options that would work best for you, including changing to a different drug to treat your condition, or ask for a coverage decision to satisfy any new restrictions on the drug you're taking. You or your prescriber can ask us for an exception to continue covering the drug or version of the drug you have been taking. For more information on how to ask for a coverage decision, including an exception, go to Chapter 9.

Changes to the Drug List that don't affect you during this plan year

We may make certain changes to the Drug List that aren't described above. In these cases, the change won't apply to you if you're taking the drug when the change is made; however, these changes will likely affect you starting January 1 of the next plan year if you stay in the same plan.

In general, changes that won't affect you during the current plan year are:

- We put a new restriction on the use of your drug.
- We remove your drug from the Drug List.

Chapter 5 Using plan coverage for Part D drugs

If any of these changes happen for a drug you take (except for market withdrawal, a generic drug replacing a brand name drug, or other change noted in the sections above), the change won't affect your use or what you pay as your share of the cost until January 1 of the next year.

We won't tell you about these types of changes directly during the current plan year. You'll need to check the Drug List for the next plan year (when the list is available during the open enrollment period) to see if there are any changes to drugs you take that will impact you during the next plan year.

SECTION 7 Types of drugs we don't cover

Some kinds of prescription drugs are *excluded*. This means Medicare doesn't pay for these drugs.

If you appeal and the drug asked for is found not to be excluded under Part D, we'll pay for or cover it. (For information about appealing a decision, go to Chapter 9.) If the drug is excluded, you must pay for it yourself.

Here are 3 general rules about drugs that Medicare drug plans won't cover under Part D:

- Our plan's Part D drug coverage can't cover a drug that would be covered under Medicare Part A or Part B.
- Our plan can't cover a drug purchased outside the United States or its territories.

Chapter 5 Using plan coverage for Part D drugs

- Our plan can't cover *off-label* use of a drug when the use isn't supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information System. *Off-label* use is any use of the drug other than those indicated on a drug's label as approved by the FDA.

In addition, by law, the following categories of drugs listed below aren't covered by Medicare. However, some of these drugs may be covered for you under your Medicaid drug coverage.

For additional information regarding the New York State Medicaid Pharmacy Program, please go to

https://www.health.ny.gov/health_care/medicaid/program/pharmacy.htm.

Residents of New York City can call New York State Medicaid Program 8 a.m. to 8 p.m., Monday through Friday, Saturday 9:00AM-1:00PM at 1-800-541-2831.

- Non-prescription drugs (also called over-the-counter drugs)
- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations

Chapter 5 Using plan coverage for Part D drugs

- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs for which the manufacturer requires associated tests or monitoring services be purchased only from the manufacturer as a condition of sale

If you get Extra Help to pay for your prescriptions, Extra Help won't pay for drugs that aren't normally covered. If you have drug coverage through Medicaid, your state Medicaid program may cover some prescription drugs not normally covered in a Medicare drug plan. Contact your state Medicaid program to determine what drug coverage may be available to you. (Find phone numbers and contact information for Medicaid in Chapter 2, Section 6.)

SECTION 8 How to fill a prescription

To fill your prescription, provide our plan membership information (which can be found on your membership card at the network pharmacy you choose. The network pharmacy will automatically bill our plan for your drug. You'll need to pay the pharmacy *your* share of the cost when you pick up your prescription.

Chapter 5 Using plan coverage for Part D drugs

If you don't have our plan membership information with you, you or the pharmacy can call our plan to get the information, or you can ask the pharmacy to look up our plan enrollment information.

If the pharmacy can't get the necessary information, **you may have to pay the full cost of the prescription when you pick it up.** You can then **ask us to reimburse you.** Go to Chapter 7, Section 2 for information about how to ask our plan for reimbursement.

SECTION 9 Part D drug coverage in special situations

Section 9.1 In a hospital or a skilled nursing facility for a stay covered by our plan

If you're admitted to a hospital or to a skilled nursing facility for a stay covered by our plan, we'll generally cover the cost of your prescription drugs during your stay. Once you leave the hospital or skilled nursing facility, our plan will cover your prescription drugs as long as the drugs meet all of our rules for coverage described in this chapter.

Chapter 5 Using plan coverage for Part D drugs

Section 9.2 As a resident in a long-term care (LTC) facility

Usually, a long-term care (LTC) facility (such as a nursing home) has its own pharmacy or uses a pharmacy that supplies drugs for all its residents. If you're a resident of an LTC facility, you may get your prescription drugs through the facility's pharmacy or the one it uses, as long as it is part of our network.

Check your *Provider and Pharmacy Directory* www.elderplan.org to find out if your LTC facility's pharmacy or the one it uses is part of our network. If it isn't, or if you need more information or help, call Member Services at 1-877-891-6447 (TTY users call 711). If you're in an LTC facility, we must ensure that you're able to routinely get your Part D benefits through our network of LTC pharmacies.

If you're a resident in an LTC facility and need a drug that isn't on our Drug List or restricted in some way, go to Section 5 for information about getting a temporary or emergency supply.

Chapter 5 Using plan coverage for Part D drugs

Section 9.3 If you're in Medicare-certified hospice

Hospice and our plan don't cover the same drug at the same time. If you're enrolled in Medicare hospice and require certain drugs (e.g., anti-nausea drugs, laxatives, pain medication or anti-anxiety drugs) that aren't covered by your hospice because it is unrelated to your terminal illness and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug. To prevent delays in getting these drugs that should be covered by our plan, ask your hospice provider or prescriber to provide notification before your prescription is filled.

In the event you either revoke your hospice election or are discharged from hospice, our plan should cover your drugs as explained in this document. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, bring documentation to the pharmacy to verify your revocation or discharge.

Chapter 5 Using plan coverage for Part D drugs

SECTION 10 Programs on drug safety and managing medications

We conduct drug use reviews to help make sure our members get safe and appropriate care.

We do a review each time you fill a prescription. We also review our records on a regular basis. During these reviews, we look for potential problems like:

- Possible medication errors
- Drugs that may not be necessary because you take another similar drug to treat the same condition
- Drugs that may not be safe or appropriate because of your age or gender
- Certain combinations of drugs that could harm you if taken at the same time
- Prescriptions for drugs that have ingredients you're allergic to
- Possible errors in the amount (dosage) of a drug you take
- Unsafe amounts of opioid pain medications

If we see a possible problem in your use of medications, we'll work with your provider to correct the problem.

Chapter 5 Using plan coverage for Part D drugs

Section 10.1 Drug Management Program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP). If you use opioid medications that you get from several prescribers or pharmacies, or if you had a recent opioid overdose, we may talk to your prescribers to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescribers, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, the limitations may be:

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)
- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you

Chapter 5 Using plan coverage for Part D drugs

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific prescriber or pharmacy. You'll have an opportunity to tell us which prescribers or pharmacies you prefer to use, and about any other information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter confirming the limitation. If you think we made a mistake or you disagree with our decision or with the limitation, you and your prescriber have the right to appeal. If you appeal, we'll review your case and give you a new decision. If we continue to deny any part of your request related to the limitations that apply to your access to medications, we'll automatically send your case to an independent reviewer outside of our plan. Go to Chapter 9 for information about how to ask for an appeal.

You won't be placed in our DMP if you have certain medical conditions, such as cancer-related pain or sickle cell disease, you're getting hospice, palliative, or end-of-life care, or live in a long-term care facility.

Chapter 5 Using plan coverage for Part D drugs

Section 10.2 Medication Therapy Management (MTM) program to help members manage medications

We have a program that can help our members with complex health needs. Our program is called a Medication Therapy Management (MTM) program. This program is voluntary and free. A team of pharmacists and doctors developed the program for us to help make sure our members get the most benefit from the drugs they take.

Some members who have certain chronic diseases and take medications that exceed a specific amount of drug costs or are in a DMP to help them use opioids safely, may be able to get services through an MTM program. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications. During the review, you can talk about your medications, your costs, and any problems or questions you have about your prescription and over-the-counter medications. You'll get a written summary which has a recommended to-do list that includes steps you should take to get the best results from your medications. You'll also get a medication list that will include all the medications you're taking, how much you take, and when and why you take them. In addition, members in the MTM program will get information on the safe disposal of prescription medications that are controlled substances.

Chapter 5 Using plan coverage for Part D drugs

It's a good idea to talk to your doctor about your recommended to-do list and medication list. Bring the summary with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Keep your medication list up to date and with you (for example, with your ID) in case you go to the hospital or emergency room.

If we have a program that fits your needs, we'll automatically enroll you in the program and send you information. If you decide not to participate, notify us and we'll withdraw you. For questions about this program, call Member Services at 1-877-891-6447 (TTY users call 711).

CHAPTER 6: **What you pay for Part D drugs**

SECTION 1 What you pay for Part D drugs

We use “drug” in this chapter to mean a Part D prescription drug. Not all drugs are Part D drugs. Some drugs are excluded from Part D coverage by law. Some of the drugs excluded from Part D coverage are covered under Medicare Part A or Part B.

To understand the payment information, you need to know what drugs are covered, where to fill your prescriptions, and what rules to follow when you get your covered drugs. Chapter 5 explains these rules. When you use our plan’s “Real-Time Benefit Tool” to look up drug coverage (www.caremark.com), the cost you see shows an estimate of the out-of-pocket costs you’re expected to pay. You can also get information provided in the “Real-Time Benefit Tool” by calling Member Services at 1-877-891-6447 (TTY users call 711).

Chapter 6 What you pay for Part D drugs

How can you get information about your drug costs?

Because you're eligible for Medicaid, you qualify for and are getting Extra Help from Medicare to pay for your prescription drug plan costs. Because you have Extra Help, **some information in this *Evidence of Coverage* about the costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the *Low-Income Subsidy Rider* or the *LIS Rider*), which tells you about your drug coverage. If you don't have this insert, call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the *LIS Rider*.

Section 1.1 Types of out-of-pocket costs you may pay for covered drugs

There are 3 different types of out-of-pocket costs for covered Part D drugs that you may be asked to pay:

- **Deductible** is the amount you pay for drugs before our plan starts to pay our share.
- **Copayment** is a fixed amount you pay each time you fill a prescription.
- **Coinsurance** is a percentage of the total cost you pay each time you fill a prescription.

Chapter 6 What you pay for Part D drugs

Section 1.2 How Medicare calculates your out-of-pocket costs

Medicare has rules about what counts and what doesn't count toward your out-of-pocket costs. Here are the rules we must follow to keep track of your out-of-pocket costs.

These payments are included in your out-of-pocket costs

Your out-of-pocket costs **include** the payments listed below (as long as they're for covered Part D drugs and you followed the rules for drug coverage explained in Chapter 5):

- The amount you pay for drugs when you're in the following drug payment stages:
 - The Deductible Stage
 - The Initial Coverage Stage
- Any payments you made during this calendar year as a member of a different Medicare drug plan before you joined our plan
- Any payments for your drugs made by family or friends
- Any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, State Pharmaceutical Assistance Programs (SPAPs), and most charities

Chapter 6 What you pay for Part D drugs

Moving to the Catastrophic Coverage Stage:

When you (or those paying on your behalf) have spent a total of \$2,100 in out-of-pocket costs within the calendar year, you move from the Initial Coverage Stage to the Catastrophic Coverage Stage.

These payments aren't included in your out-of-pocket costs

Your out-of-pocket costs **don't include** any of these types of payments:

- Your monthly plan premium
- Drugs you buy outside the United States and its territories
- Drugs that aren't covered by our plan
- Drugs you get at an out-of-network pharmacy that don't meet our plan's requirements for out-of-network coverage
- Non-Part D drugs, including prescription drugs covered by Part A or Part B and other drugs excluded from coverage by Medicare
- Payments you make toward drugs not normally covered in a Medicare Drug Plan
- Payments for your drugs made by certain insurance plans and government-funded health programs such as TRICARE and the Veterans Health Administration (VA)

Chapter 6 What you pay for Part D drugs

- Payments for your drugs made by a third-party with a legal obligation to pay for prescription costs (for example, Workers' Compensation)
- Payments made by drug manufacturers under the Manufacturer Discount Program

Reminder: If any other organization like the ones listed above pays part or all your out-of-pocket costs for drugs, you're required to tell our plan by calling Member Services at 1-877-891-6447 (TTY users call 711).

Tracking your out-of-pocket total costs

- The *Part D Explanation of Benefits* (EOB) you get includes the current total of your out-of-pocket costs. When this amount reaches \$2,100, the *Part D EOB* will tell you that you left the Initial Coverage Stage and moved to the Catastrophic Coverage Stage.
- **Make sure we have the information we need.** Go to Section 3.1 to learn what you can do to help make sure our records of what you spent are complete and up to date.

Chapter 6 What you pay for Part D drugs

SECTION 2 Drug payment stages for Elderplan Plus Long-Term Care (HMO-POS D-SNP) members

There are **3 drug payment stages** for your drug coverage under Elderplan Plus Long-Term Care (HMO-POS D-SNP). How much you pay for each prescription depends on what stage you're in when you get a prescription filled or refilled. Details of each stage are explained in this chapter. The stages are:

- **Stage 1: Yearly Deductible Stage**
- **Stage 2: Initial Coverage Stage**
- **Stage 3: Catastrophic Coverage Stage**

SECTION 3 Your Part D Explanation of Benefits explains which payment stage you're in

Our plan keeps track of your prescription drug costs and the payments you make when you get prescriptions at the pharmacy. This way, we can tell you when you move from one drug payment stage to the next. We track 2 types of costs:

- **Out-of-Pocket Costs:** this is how much you paid. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, and any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).

Chapter 6 What you pay for Part D drugs

- **Total Drug Costs:** this is the total of all payments made for your covered Part D drugs. It includes what our plan paid, what you paid, and what other programs or organizations paid for your covered Part D drugs.

If you filled one or more prescriptions through our plan during the previous month, we'll send you a *Part D EOB*. *The Part D EOB* includes:

- **Information for that month.** This report gives payment details about prescriptions you filled during the previous month. It shows the total drug costs, what our plan paid, and what you and others paid on your behalf.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This displays the total drug price, and information about changes in price from first fill for each prescription claim of the same quantity.
- **Available lower cost alternative prescriptions.** This shows information about other available drugs with lower cost sharing for each prescription claim, if applicable

Chapter 6 What you pay for Part D drugs

Section 3.1 Help us keep our information about your drug payments up to date

To keep track of your drug costs and the payments you make for drugs, we use records we get from pharmacies. Here is how you can help us keep your information correct and up to date:

- **Show your membership card every time you get a prescription filled.** This helps make sure we know about the prescriptions you fill and what you pay.
- **Make sure we have the information we need.** There are times you may pay for the entire cost of a prescription drug. In these cases, we won't automatically get the information we need to keep track of your out-of-pocket costs. To help us keep track of your out-of-pocket costs, give us copies of your receipts. **Examples of when you should give us copies of your drug receipts:**
 - When you purchase a covered drug at a network pharmacy at a special price or use a discount card that's not part of our plan's benefit.
 - When you pay a copayment for drugs provided under a drug manufacturer patient assistance program.
 - Any time you buy covered drugs at out-of-network pharmacies or pay the full price for a covered drug under special circumstances.
 - If you're billed for a covered drug, you can ask our plan to pay our share of the cost. For instructions on how to do this, go to Chapter 7, Section 2.

Chapter 6 What you pay for Part D drugs

- **Send us information about the payments others make for you.** Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by a State Pharmaceutical Assistance Program, an AIDS drug assistance program (ADAP), the Indian Health Service, and charities count toward your out-of-pocket costs. Keep a record of these payments and send them to us so we can track your costs.
- **Check the written report we send you.** When you get the *Part D EOB*, look it over to be sure the information is complete and correct. If you think something is missing or have questions, call Member Services at 1-877-891-6447 (TTY users call 711). Be sure to keep these reports.

SECTION 4 The Deductible Stage

Because most of our members get Extra Help with their prescription drug costs, the Deductible Stage doesn't apply to most members. If you get Extra Help, this payment stage doesn't apply to you.

Look at the separate insert (the *LIS Rider*) for information about your deductible amount.

Chapter 6 What you pay for Part D drugs

If you don't get Extra Help, the Deductible Stage is the first payment stage for your drug coverage. This stage begins when you fill your first prescription in the year. When you're in this payment stage, **you must pay the full cost of your drugs** until you reach our plan's deductible amount, which is \$615 for 2026. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. The **full cost** is usually lower than the normal full price of the drug since our plan negotiated lower costs for most drugs at network pharmacies. The full cost cannot exceed the maximum fair price plus dispensing fees for drugs with negotiated prices under the Medicare Drug Price Negotiation Program.

Once you pay \$615 for your drugs, you leave the Deductible Stage and move on to the Initial Coverage Stage.

SECTION 5 The Initial Coverage Stage

Section 5.1 What you pay for a drug depends on the drug and where you fill your prescription

During the Initial Coverage Stage, our plan pays its share of the cost of your covered drugs, and you pay your share (your copayment *or* coinsurance amount). Your share of the cost will vary depending on the drug and where you fill your prescription.

Chapter 6 What you pay for Part D drugs

Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- A network retail pharmacy
- A pharmacy that isn't in our plan's network. We cover prescriptions filled at out-of-network pharmacies in only limited situations. Go to Chapter 5, Section 2.5 to find out when we'll cover a prescription filled at an out-of-network pharmacy.
- Our plan's mail-order pharmacy.

For more information about these pharmacy choices and filling your prescriptions, go to Chapter 5 and our plan's *Provider and Pharmacy Directory* www.elderplan.org.

Chapter 6 What you pay for Part D drugs

Section 5.2 Your costs for a *one-month* supply of a covered drug

During the Initial Coverage Stage, your share of the cost of a covered drug will be either a copayment or coinsurance.

Your costs for a *one-month* supply of a covered Part D drug

Tier	Standard retail in-network cost sharing (up to a 30-day supply) Ω	Long-term care (LTC) cost sharing (up to a 31-day supply) Ω	Out-of-network cost sharing (Coverage is limited to certain situations; go to Chapter 5 for details.) (up to a 30-day supply) Ω
For generic drugs (including brand drugs treated as generic)	Depending on your “Extra Help” You Pay: \$0 copay or \$1.60 copay or \$5.10 copay or 25% of the cost.	Depending on your “Extra Help” You Pay: \$0 copay or \$1.60 copay or \$5.10 copay or 25% of the cost.	Depending on your “Extra Help” You Pay: \$0 copay or \$1.60 copay or \$5.10 copay or 25% of the cost.

Chapter 6 What you pay for Part D drugs

Tier	Standard retail in-network cost sharing (up to a 30-day supply) Ω	Long-term care (LTC) cost sharing (up to a 31-day supply) Ω	Out-of-network cost sharing (Coverage is limited to certain situations; go to Chapter 5 for details.) (up to a 30-day supply) Ω
For all other Drugs	Depending on your “Extra Help” You Pay: \$0 copay or \$4.90 copay or \$12.65 copay or 25% of the cost.	Depending on your “Extra Help” You Pay: \$0 copay or \$4.90 copay or \$12.65 copay or 25% of the cost.	Depending on your “Extra Help” You Pay: \$0 copay or \$4.90 copay or \$12.65 copay or 25% of the cost.

Ω You won’t pay more than \$35 for a one-month supply of each covered insulin product regardless of the cost-sharing tier, even if you haven’t paid your deductible.

Go to Section 8 for more information on cost sharing for Part D vaccines.

Chapter 6 What you pay for Part D drugs

Section 5.3 If your doctor prescribes less than a full month's supply, you may not have to pay the cost of the entire month's supply

Typically, the amount you pay for a drug covers a full month's supply. There may be times when you or your doctor would like you to have less than a month's supply of a drug (for example, when you're trying a medication for the first time). You can also ask your doctor to prescribe, and your pharmacist to dispense, less than a full month's supply if this will help you better plan refill dates.

If you get less than a full month's supply of certain drugs, you won't have to pay for the full month's supply.

- If you're responsible for coinsurance, you pay a *percentage* of the total cost of the drug. Since the coinsurance is based on the total cost of the drug, your cost will be lower since the total cost for the drug will be lower.
- If you're responsible for a copayment for the drug, you only pay for the number of days of the drug that you get instead of a whole month. We calculate the amount you pay per day for your drug (the daily cost-sharing rate) and multiply it by the number of days of the drug you get.

Chapter 6 What you pay for Part D drugs

Section 5.4 Your costs for a long-term up to a 90-day supply of a covered Part D drug

For some drugs, you can get a long-term supply (also called an extended supply). A long-term supply is up to a 90-day supply.

Your costs for a *long-term* (up to a 90-day) supply of a covered Part D drug

Tier	Standard retail cost sharing (in-network) (up to a 90-day supply) *†Ω	Mail-order cost sharing (up to a 90-day supply) *†Ω

*60-Day supply is also available for Standard Retail.

†NDS – Non-Extended Days’ Supply. Certain specialty drugs will be limited up to a 30-day supply per fill.

Ω -You will not pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter the cost-sharing for Part B and D drugs, even if you have not paid your deductible.

You won’t pay more than \$70 for up to a 2-month supply or \$105 for up to a 3-month supply of each covered insulin product regardless of the cost-sharing tier, even if you haven’t paid your deductible.

Chapter 6 What you pay for Part D drugs

Section 5.5 You stay in the Initial Coverage Stage until your out-of-pocket costs for the year reach \$2,100

You stay in the Initial Coverage Stage until your total out-of-pocket costs reach \$2,100. You then move to the Catastrophic Coverage Stage.

The *Part D EOB* that you get will help you keep track of how much you, our plan, and any third parties have spent on your behalf during the year. Not all members will reach the \$2,100 out-of-pocket limit in a year.

We'll let you know if you reach this amount. Go to Section 1.3 for more information on how Medicare calculates your out-of-pocket costs.

SECTION 6 The Catastrophic Coverage Stage

In the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs. You enter the Catastrophic Coverage Stage when your out-of-pocket costs reach the \$2,100 limit for the calendar year. Once you're in the Catastrophic Coverage Stage, you stay in this payment stage until the end of the calendar year.

- During this payment stage, you pay nothing for your covered Part D drugs.

Chapter 6 What you pay for Part D drugs

SECTION 7 What you pay for Part D vaccines

Important message about what you pay for vaccines – Some vaccines are considered medical benefits and are covered under Part B. Other vaccines are considered Part D drugs. You can find these vaccines listed in our plan’s Drug List. Our plan covers most adult Part D vaccines at no cost to you even if you haven’t paid your deductible. Go to our plan’s Drug List or call Member Services at 1-877-891-6447 (TTY users call 711) for coverage and cost-sharing details about specific vaccines.

There are 2 parts to our coverage of Part D vaccines:

- The first part is the cost of **the vaccine itself**.
- The second part is for the cost of **giving you the vaccine**. (This is sometimes called the administration of the vaccine.)

Your costs for a Part D vaccine depend on 3 things:

1. Whether the vaccine is recommended for adults by an organization called the Advisory Committee on Immunization Practices (ACIP).

- Most adult Part D vaccines are recommended by ACIP and cost you nothing.

2. Where you get the vaccine.

- The vaccine itself may be dispensed by a pharmacy or provided by the doctor’s office.

Chapter 6 What you pay for Part D drugs

3. Who gives you the vaccine.

- A pharmacist or another provider may give the vaccine in the pharmacy. Or a provider may give it in the doctor's office.

What you pay at the time you get the Part D vaccine can vary depending on the circumstances and what **drug payment stage** you're in.

- When you get a vaccine, you may have to pay the entire cost for both the vaccine itself and the cost for the provider to give you the vaccine. You can ask our plan to pay you back for our share of the cost. For most adult Part D vaccines, this means you'll be reimbursed the entire cost you paid.
- Other times, when you get a vaccine, you pay only your share of the cost under your Part D benefit. For most adult Part D vaccines, you pay nothing.

Below are 3 examples of ways you might get a Part D vaccine.

Situation 1: You get the Part D vaccine at the network pharmacy. (Whether you have this choice depends on where you live. Some states don't allow pharmacies to give certain vaccines.)

- For most adult Part D vaccines, you pay nothing.

Chapter 6 What you pay for Part D drugs

- For other Part D vaccines, you pay the pharmacy your coinsurance *OR* copayment for the vaccine itself which includes the cost of giving you the vaccine.
- Our plan will pay the remainder of the costs.

Situation 2: You get the Part D vaccine at your doctor's office.

- When you get the vaccine, you may have to pay the entire cost of the vaccine itself and the cost for the provider to give it to you.
- You can then ask our plan to pay our share of the cost by using the procedures described in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any coinsurance *OR* copayment for the vaccine (including administration), and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.).

Chapter 6 What you pay for Part D drugs

Situation 3: You buy the Part D vaccine itself at the network pharmacy and take it to your doctor's office where they give you the vaccine.

- For most adult Part D vaccines, you pay nothing for the vaccine itself.
- For other Part D vaccines, you pay the pharmacy your coinsurance *OR* copayment for the vaccine itself.
- When your doctor gives you the vaccine, you may have to pay the entire cost for this service.
- You can then ask our plan to pay our share of the cost by using the procedures in Chapter 7.
- For most adult Part D vaccines, you'll be reimbursed the full amount you paid. For other Part D vaccines, you'll be reimbursed the amount you paid less any coinsurance for the vaccine administration., and less any difference between the amount the doctor charges and what we normally pay. (If you get Extra Help, we'll reimburse you for this difference.)

CHAPTER 7: Asking us to pay a bill for covered medical services or drugs

SECTION 1 Situations when you should ask us to pay our share for covered services or drugs

Our network providers bill our plan directly for your covered services and drugs you shouldn't get a bill for covered services or drugs. If you get a bill for medical care or drugs you got, send this bill to us so that we can pay it. When you send us the bill, we'll look at the bill and decide whether the services and drugs should be covered. If we decide they should be covered, we'll pay the provider directly.

If you already paid for a Medicare service or item covered by our plan, you can ask our plan to pay you back (paying you back is often called **reimburse** you). It is your right to be paid back by our plan whenever you've paid for medical services or drugs that are covered by our plan. There may be deadlines that you must meet to get paid back. Go to Section 2 of this chapter. When you send us a bill you've already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

Chapter 7 Asking us to pay a bill for covered medical services or drugs

There may also be times when you get a bill from a provider for the full cost of medical care you got or for more than your share of cost sharing. First, try to resolve the bill with the provider. If that doesn't work, send the bill to us instead of paying it. We'll look at the bill and decide whether the services should be covered. If we decide they should be covered, we'll pay the provider directly. If we decide not to pay it, we'll notify the provider. You should never pay more than plan-allowed cost-sharing. If this provider is contracted, you still have the right to treatment.

Examples of situations in which you may need to ask our plan to pay you back or to pay a bill you got:

1. When you got emergency or urgently needed medical care from a provider who's not in our plan's network

- You can get emergency or urgently needed services from any provider, whether or not the provider is a part of our network. In these cases, ask the provider to bill our plan.
- If you pay the entire amount yourself at the time you get the care, ask us to pay you back. Send us the bill, along with documentation of any payments you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us this bill, along with documentation of any payments you made.
 - If the provider is owed anything, we'll pay the provider directly.

Chapter 7 Asking us to pay a bill for covered medical services or drugs

- If you already paid for the service, we'll pay you back.

2. When a network provider sends you a bill you think you shouldn't pay

Network providers should always bill our plan directly. But sometimes they make mistakes and ask you to pay for your services.

- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and resolve the billing problem.
- If you already paid a bill to a network provider, send us the bill along with documentation of any payment you made. Ask us to pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes a person's enrollment in our plan is retroactive. (This means that the first day of their enrollment has already passed. The enrollment date may even have occurred last year.)

If you were retroactively enrolled in our plan and you paid out of pocket for any of your covered services or drugs after your enrollment date, you can ask us to pay you back. You need to submit paperwork such as receipts and bills for us to handle the reimbursement.

Chapter 7 Asking us to pay a bill for covered medical services or drugs

4. When you use an out-of-network pharmacy to fill a prescription

If you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you have to pay the full cost of your prescription.

Save your receipt and send a copy to us when you ask us to pay you back. Remember that we only cover out-of-network pharmacies in limited circumstances. Go to Chapter 5, Section 2.5 to learn more about these circumstances. We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full cost for a prescription because you don't have our plan membership card with you

If you don't have our plan membership card with you, you can ask the pharmacy to call our plan or look up our plan enrollment information. If the pharmacy can't get the enrollment information they need right away, you may need to pay the full cost of the prescription yourself.

Save your receipt and send a copy to us when you ask us to pay you back. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

Chapter 7 Asking us to pay a bill for covered medical services or drugs

6. When you pay the full cost for a prescription in other situations

You may pay the full cost of the prescription because you find the drug isn't covered for some reason.

- For example, the drug may not be on our plan's Drug List or it could have a requirement or restriction you didn't know about or don't think should apply to you. If you decide to get the drug immediately, you may need to pay the full cost for it.
- Save your receipt and send a copy to us when you ask us to pay you back. In some situations, we may need to get more information from your doctor to pay you back for the drug. We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we'll review your request and decide whether the service or drug should be covered. This is called making a **coverage decision**. If we decide it should be covered, we'll pay for the service or drug. If we deny your request for payment, you can appeal our decision. Chapter 9 has information about how to make an appeal.

**Chapter 7 Asking us to pay a bill for covered
medical services or drugs**

**SECTION 2 How to ask us to pay you back or pay a
bill you got**

You can ask us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you've made. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 365 days** of the date you got the service, item, or drug.

To make sure you're giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment.

- You don't have to use the form, but it'll help us process the information faster.
- Download a copy of the form from our website (www.elderplan.org) or call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the form.

Mail your request for payment together with any bills or paid receipts to us at this address:

P.O. Box 73111
Newnan, GA 30271

Part D Prescription Drug Claims

You must submit your claim to us within 3 years of the date you received the drug.

Mail your request for payment together with any bills or receipts to this address:

CVS Caremark Medicare Part D Claims Processing
P.O. Box 52066
Phoenix, Arizona 85072-2066

**SECTION 3 We'll consider your request for payment
and say yes or no**

When we get your request for payment, we'll let you know if we need any additional information from you. Otherwise, we'll consider your request and make a coverage decision.

- If we decide the medical care or drug is covered and you followed all the rules, we'll pay for the service or drug. If you already paid for the service or drug, we'll mail your reimbursement to you. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid for a drug is higher than our negotiated price). If you haven't paid for the service or drug yet, we'll mail the payment directly to the provider.
- If we decide that the medical care or drug is *not* covered, or you did *not* follow all the rules, we won't pay for the care or drug. We'll send you a letter explaining the reasons why we aren't sending the payment and your rights to appeal that decision.

**Chapter 7 Asking us to pay a bill for covered
medical services or drugs**

**Section 3.1 If we tell you we won't pay for the
medical care or drug, you can make
an appeal**

If you think we made a mistake in turning down your request for payment or the amount we're paying, you can make an appeal. If you make an appeal, it means you're asking us to change the decision we made when we turned down your request for payment. The appeals process is a formal process with detailed procedures and important deadlines. For the details on how to make this appeal, go to Chapter 9.

Chapter 8 Your rights and responsibilities

**CHAPTER 8:
Your rights and responsibilities**

**SECTION 1 Our plan must honor your rights and
cultural sensitivities**

Section 1.1 We must provide information in a way that works for you and consistent with your cultural sensitivities (in languages other than English, braille, large print, or other alternate formats, etc.)

Our plan is required to ensure that all services, both clinical and non-clinical, are provided in a culturally competent manner and are accessible to all enrollees, including those with limited English proficiency, limited reading skills, hearing incapacity, or those with diverse cultural and ethnic backgrounds. Examples of how our plan may meet these accessibility requirements include, but aren't limited to, provision of translator services, interpreter services, teletypewriters, or TTY (text telephone or teletypewriter phone) connection.

Chapter 8 Your rights and responsibilities

Our plan has free interpreter services available to answer questions from non-English speaking members. This document is in large print and available for free in Spanish and Chinese. We can also give you materials in braille, in large print, or other alternate formats at no cost if you need it. We're required to give you information about our plan's benefits in a format that's accessible and appropriate for you. To get information from us in a way that works for you, call Member Services at 1-877-891-6447 (TTY users call 711).

Our plan is required to give female enrollees the option of direct access to a women's health specialist within the network for women's routine and preventive health care services.

If providers in our plan's network for a specialty aren't available, it's our plan's responsibility to locate specialty providers outside the network who will provide you with the necessary care. In this case, you'll only pay in-network cost sharing. If you find yourself in a situation where there are no specialists in our plan's network that cover a service you need, call our plan for information on where to go to get this service at in-network cost sharing.

Chapter 8 Your rights and responsibilities

If you have any trouble getting information from our plan in a format that's accessible and appropriate for you, seeing a women's health specialist or finding a network specialist, call to file a grievance with Elderplan Plus Long-Term Care (HMO-POS D-SNP) by calling Member Services at 1-877-891-6447, TTY 711, 8 a.m. to 8 p.m., 7 days a week. You can also file a complaint with Medicare by calling 1-800-MEDICARE (1-800-633-4227) or directly with the Office for Civil Rights 1-800-368-1019 or TTY 1-800-537-7697.

Su plan debe garantizar que todos los servicios, tanto clínicos como no clínicos, se brinden de una manera culturalmente competente y sean accesibles para todos los afiliados, incluidos aquellos con dominio limitado del inglés, habilidades limitadas de lectura, discapacidad auditiva o aquellos con diversidad cultural y orígenes étnicos. Los ejemplos de cómo un plan puede cumplir con estos requisitos de accesibilidad incluyen, entre otros, la provisión de servicios de traducción, servicios de interpretación, teletipos o conexión TTY (teléfono de texto o teletipo).

Chapter 8 Your rights and responsibilities

Nuestro plan tiene servicios de interpretación gratuitos disponibles para responder preguntas de los miembros que no hablan inglés. Este documento está en letra grande y está disponible de forma gratuita en español y chino. También podemos brindarle información en braille, en letra grande u otros formatos alternativos sin costo alguno si lo necesita. Estamos obligados a brindarle información sobre los beneficios del plan en un formato que sea accesible y apropiado para usted. Para obtener información de nosotros de una manera que funcione para usted, llame a Servicios para miembros al 1-877-891-6447, TTY 711.

Se requiere que nuestro plan brinde a las mujeres inscritas la opción de acceso directo a un especialista en salud de la mujer dentro de la red para los servicios de atención médica preventiva y de rutina de la mujer.

Si los proveedores de la red del plan para una especialidad no están disponibles, es responsabilidad del plan ubicar proveedores especializados fuera de la red que le brindarán la atención necesaria. En este caso, solo pagará el costo compartido dentro de la red. Si se encuentra en una situación en la que no hay especialistas en la red del plan que cubran un servicio que necesita, llame al plan para obtener información sobre dónde ir para obtener este servicio con costos compartidos dentro de la red.

Chapter 8 Your rights and responsibilities

Si tiene algún problema para obtener información de nuestro plan en un formato que sea accesible y apropiado para usted, consultar a un especialista en salud de la mujer o encontrar un especialista de la red, presente una queja a Servicios para Miembros de Elderplan Más Atención a Largo Plazo (HMO-POS D-SNP) llamando al 1-877-891-6447, TTY 711, de 8:00 a.m. a 8:00 p.m., los 7 días de la semana. Usted también puede presentar una queja ante Medicare llamando al 1-800-MEDICARE (1-800-633-4227) o directamente a la Oficina de Derechos Civiles al 1-800-368-1019 o TTY 1-800-537-7697.

您的計劃必須確保所有服務（包括臨床和非臨床服務）都以符合文化要求的方式提供，並且所有參與者都可以使用，包括英語水平有限、閱讀能力有限、聽力障礙或具有不同文化背景和種族背景的參與者。計劃如何滿足這些無障礙要求的示例包括但不限於提供筆譯服務、口譯服務、電傳打字機或TTY（文本電話或電傳打字機電話）連接。

我們的計劃提供免費口譯服務，可以回答非英語會員的問題。為了您的方便，本文檔以大字體印刷，並以西班牙文和中文免費提供。如果您需要，我們還可以免費為您提供盲文、大字體信息或其他格式。我們需要以適合您的可獲取格式向您提供有關計劃福利的信息。要以適合您的方式從我們這裡獲取信息，請致電會員服務部 1-877-891-6447（TTY 使用者請致電 711）。

Chapter 8 Your rights and responsibilities

我們的計劃需要讓女性參保者可以選擇直接訪問網絡內的女性健康專家，以獲得女性常規和預防性醫療保健服務。

如果計劃網絡中的專業提供者無法提供服務，則計劃有責任找到網絡之外的專業提供者，他們將為您提供必要的護理。在這種情況下，您只需支付網絡內費用分攤。如果您發現自己處於計劃網絡中沒有涵蓋您需要的服務的專家的情況下，請致電計劃以獲取有關在網絡內分攤費用的情況下獲取該服務的信息。

如果您在以適合您的格式從我們的計劃中獲取信息、向女性健康護理專家求診或尋找網絡專家時遇到任何問題，請致電會員服務部 1-877-891-6447，TTY 711，服務時間：每週 7 天，早上 8 點至晚上 8 點，向 Elderplan 長老計劃/加長期護理計劃 (HMO-POS D-SNP) 提出申訴。您也可以致電 1-800-MEDICARE (1-800-633-4227) 向 Medicare 聯邦醫療保險提出投訴或直接致電民權辦公室 1-800-368-1019 或 TTY 1-800-537-7697。

Chapter 8 Your rights and responsibilities

Section 1.2 We must ensure you get timely access to covered services and drugs

You have the right to choose a primary care provider (PCP) in our plan's network to provide and arrange for your covered services. You also have the right to go to a women's health specialist (such as a gynecologist) without a referral. We don't require you to get referrals to go to network providers.

You have the right to get appointments and covered services from our plan's network of providers *within a reasonable amount of time*. This includes the right to get timely services from specialists when you need that care. You also have the right to get your prescriptions filled or refilled at any of our network pharmacies without long delays.

If you think that you aren't getting your medical care or Part D drugs within a reasonable amount of time, Chapter 9 tells what you can do.

Section 1.3 We must protect the privacy of your personal health information

Federal and state laws protect the privacy of your medical records and personal health information. We protect your personal health information as required by these laws.

- Your personal health information includes the personal information you gave us when you enrolled in this plan as well as your medical records and other medical and health information.

Chapter 8 Your rights and responsibilities

- You have rights related to your information and controlling how your health information is used. We give you a written notice, called a *Notice of Privacy Practice*, that tells about these rights and explains how we protect the privacy of your health information.

How do we protect the privacy of your health information?

- We make sure that unauthorized people don't see or change your records.
- Except for the circumstances noted below, if we intend to give your health information to anyone who isn't providing your care or paying for your care, *we are required to get written permission from you or someone you've given legal power to make decisions for you first.*
- There are certain exceptions that don't require us to get your written permission first. These exceptions are allowed or required by law.
 - We are required to release health information to government agencies that are checking on quality of care.
 - Because you're a member of our plan through Medicare, we are required to give Medicare your health information including information about your Part D prescription drugs. If Medicare releases your information for research or other uses, this will be done according to federal statutes and regulations; typically, this requires that information that uniquely identifies you not be shared.

Chapter 8 Your rights and responsibilities

You can see the information in your records and know how it's been shared with others

You have the right to look at your medical records held at our plan, and to get a copy of your records. We're allowed to charge you a fee for making copies. You also have the right to ask us to make additions or corrections to your medical records. If you ask us to do this, we'll work with your health care provider to decide whether the changes should be made.

You have the right to know how your health information has been shared with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your personal health information, call Member Services at 1-877-891-6447 (TTY users call 711).

Elderplan, Inc. Notice of Privacy Practices

EFFECTIVE DATE: 9/1/2020

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN ACCESS THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

Chapter 8 Your rights and responsibilities

This notice summarizes the privacy practices of Elderplan Inc. (the “Plan”), its workforce, medical staff, and other health professionals. We may share protected health information (“PHI” or “Health Information”) about you with each other for purposes described in this notice, including for the Plan’s administrative activities.

The Plan is committed to safeguarding the privacy of our members’ PHI. PHI is information which: (1) identifies you (or can reasonably be used to identify you); and (2) relates to your physical or mental health or condition, the provision of health care to you or the payment for that care.

OUR OBLIGATIONS

- We are required by law to maintain the privacy and security of your PHI.
- We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information.
- We must follow the duties and privacy practices described in this notice and give you a copy of it.
- We will not use or share your information other than as described here unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

Chapter 8 Your rights and responsibilities

HOW WE MAY USE AND DISCLOSE HEALTH INFORMATION

The following categories describe different ways that we may use and disclose Health Information. Not every use or disclosure permitted in a category is listed below, but the categories provide examples of the uses and disclosures permitted by law.

Payment. We may use and disclose Health Information process and pay claims submitted to us by your or by physicians, hospitals and other health care providers for services provided to you. For example, other payment purposes may include the use of Health Information to determine eligibility for benefits, coordination of benefits, collection of premiums, and medical necessity. We may also share your information with another health plan that provides or has provided coverage to you for payment purposes or for detecting or preventing health care fraud and abuse.

Health Care Operations. We may use and disclose Health Information for health care operations, which are administrative activities involved in operating the Plan. For example, we may use Health Information to operate and manage our business activities related to providing and managing your health care coverage or resolving grievances.

Chapter 8 Your rights and responsibilities

Treatment. We may disclose your Health Information with your health care provider (pharmacies, physicians, hospitals, etc.) to help them provide care to you. For example, if you are in the hospital, we may disclose information sent to us by your physician.

Appointment Reminders, Treatment Alternatives, and Health-Related Benefits and Services. We may use and disclose Health Information to contact you as a reminder that you have an appointment/visit with us or your health care provider. We also may use and disclose Health Information to tell you about treatment options, alternatives, health-related benefits, or services that may be of interest to you.

By providing us with certain information, you expressly agree that the Plan and its business associates can use certain information (such as your home/work/cellular telephone number and your email), to contact you about various matters, such as follow up appointments, collection of amounts owed and other operational matters. You agree you may be contacted through the information you have provided and by use of pre-recorded/artificial voice messages and use of an automatic/predictive dialing system.

Chapter 8 Your rights and responsibilities

Individuals Involved in Your Care or Payment for Your Care.

We may disclose Health Information to a person, such as a family member or friend, who is involved in your medical care or helps pay for your care. We also may notify such individuals about your location or general condition, or disclose such information to an entity assisting in a disaster relief effort. In these cases, we will only share the Health Information that is directly relevant to the person's involvement in your health care or payment related to your health care.

Personal Representatives. We may disclose your Health Information to your personal representative, if any. A personal representative has legal authority to act on your behalf in making decisions related to your health care or care payment. For example, we may disclose your Health Information to a durable power of attorney or legal guardian.

Research. Under certain circumstances, as an organization that performs research, we may use and disclose Health Information for research purposes. For example, a research project may involve comparing the health and recovery of all members who received one medication or treatment to those who received another, for the same condition. Before we use or disclose Health Information for research, the project will go through a special approval process. This process evaluates a proposed research project and its use of Health Information to balance the benefits of research with the need for privacy of Health Information. We also may permit researchers to look at records to help them identify members who may be included in their research project or for other similar purposes.

Chapter 8 Your rights and responsibilities

Fundraising Activities. We may use or disclose your demographic information (e.g., name, address, telephone numbers and other contact information), the dates of health care provided to you, your health care status, the department and physician(s) who provided you services, and your treatment outcome information in contacting you in an effort to raise funds in support of the Plan and other non-profit entities with whom we are conducting a joint fundraising project. We may also disclose your Health Information to a related foundation or to our business associates so that they may contact you to raise funds for us. If we do use or disclose your Health Information for fundraising purposes, you will be informed of your rights to opt-out of receiving further fundraising communications.

SPECIAL CIRCUMSTANCES

In addition to the above, we may use and disclose Health Information in the following special circumstances. We have to meet many conditions in the law before we can share your information for these purposes. For more information see:

www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/index.html.

As Required by Law. We will disclose Health Information when required to do so by international, federal, state or local law.

Chapter 8 Your rights and responsibilities

To Avert a Serious Threat to Health or Safety. We may use and disclose Health Information when necessary to prevent or lessen a serious threat to your health or safety, or the health or safety of the public or another person. Any disclosure, however, will be to someone who we believe may be able to help prevent the threat.

Business Associates. We may disclose Health Information to the business associates that we engage to provide services on our behalf if the information is needed for such services. For example, we may use another company to perform billing services on our behalf. Our business associates are obligated, under contract with us, to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract with them.

Organ and Tissue Donation. If you are an organ donor, we may release Health Information to organizations that handle organ procurement or organ, eye, or tissue transplantation or to an organ donation bank, as necessary, to facilitate organ or tissue donation and transplantation.

Military and Veterans. If you are a member of the armed forces, we may release Health Information as required by military command authorities. We also may release Health Information to the appropriate foreign military authority if you are a member of a foreign military.

Chapter 8 Your rights and responsibilities

Workers' Compensation. We may disclose Health Information as authorized by and to the extent necessary to comply with laws relating to workers' compensation or similar programs. These programs provide benefits for work-related injuries or illness.

Public Health Risks. We may disclose Health Information for public health activities. These activities generally include disclosures to prevent or control disease, injury or disability; report births and deaths; report child abuse or neglect; report reactions to medications or problems with products; notify people of recalls of products they may be using; track certain products and monitor their use and effectiveness; if authorized by law, notify a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and conduct medical surveillance of our facilities in certain limited circumstances concerning workplace illness or injury. We also may release Health Information to an appropriate government authority if we believe a member has been the victim of abuse, neglect or domestic violence; however, we will only release this information if the member agrees or when we are required or authorized by law.

Health Oversight Activities. We may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure of our facilities and providers. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

Chapter 8 Your rights and responsibilities

Lawsuits and Legal Actions. We may disclose Health Information in response to a court or administrative order, or in response to a subpoena, discovery request, or other lawful process by someone else involved in a legal action, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.

Law Enforcement. We may release Health Information if asked by a law enforcement official as follows: (1) in response to a court order, subpoena, warrant, summons or similar process; (2) limited information to identify or locate a suspect, fugitive, material witness or missing person; (3) about the victim of a crime if, under certain limited circumstances, we are unable to obtain the person's agreement; (4) about a death we believe may be the result of criminal conduct; (5) about evidence of criminal conduct on our premises; and (6) in emergency circumstances to report a crime, the location of the crime or victims or the identity, description or location of the person who committed the crime.

Coroners, Medical Examiners and Funeral Directors. We may release Health Information to a coroner or medical examiner. In some circumstances this may be necessary, for example, to determine the cause of death. We also may release Health Information to funeral directors as necessary for their duties.

National Security and Intelligence Activities. We may release Health Information to authorized federal officials for intelligence, counter-intelligence and other national security activities authorized by law.

Chapter 8 Your rights and responsibilities

Protective Services for the President and Others. We may disclose Health Information to authorized federal officials so they may provide protection to the President, other authorized persons or foreign heads of state or conduct special investigations.

Inmates or Individuals in Custody. In the case of inmates of a correctional institution or that are under the custody of a law enforcement official, we may release Health Information to the appropriate correctional institution or law enforcement official. This release would be made only if necessary (1) for the institution to provide you with health care; (2) to protect your health and safety or the health and safety of others; or (3) for the safety and security of the correctional institution.

Additional Restrictions on Use and Disclosure: Some kinds of Health Information including, but not limited to, information related to alcohol and drug abuse, mental health treatment, genetic, and confidential HIV related information require written authorization prior to disclosure and are subject to separate special privacy protections under the laws of the State of New York or other federal laws, so that portions of this notice may not apply.

In the case of genetic information, we will not use or share your genetic information for underwriting purposes.

If a use or sharing of Health Information described above in this Notice is prohibited or otherwise limited by other laws that apply to us, our policy is to meet the requirements of the more stringent law.

Chapter 8 Your rights and responsibilities

USES AND DISCLOSURE REQUIRING WRITTEN AUTHORIZATION

In situations other than those described above, we will ask for your written authorization before using or disclosing personal information about you. For example, we will get your authorization:

- 1) for marketing purposes that are unrelated to your benefit plan,
- 2) before disclosing any psychotherapy notes,
- 3) related to the sale of your Health Information, and
- 4) for other reasons as required by law. For example, state law further requires us to ask for your written authorization before using or disclosing information relating to HIV/AIDS, substance abuse, or mental health information.

You have the right to revoke any such authorizations, except in limited circumstance such as if we have taken action in reliance on your authorization.

Chapter 8 Your rights and responsibilities

YOUR RIGHTS

You have the following rights, subject to certain limitations, regarding Health Information that we maintain about you – all requests must be made *IN WRITING*:

Right to Request Restrictions. You have the right to request a restriction or limitation on the Health Information that we use or disclose for treatment, payment, or health care operations. You have the right to request a limit on the Health Information that we disclose about you to someone who is involved in your care or the payment for your care, like a family member or friend. *We are not required to agree to your request, and we may say “no” if it would affect your care.* If we agree to your request, we will comply with your request unless we need to use the information in certain emergency treatment situations.

Right to Request Confidential Communications. If you clearly state that the disclosure of all or part of your Health Information could endanger you, you have the right to request that we communicate with you in a certain manner or at a certain location other than through our usual means of communication. For example, you can ask that we contact you only by sending mail to a P.O. Box rather than your home address or you may wish to receive calls at an alternate phone number. Your request must be in writing and specify how or where you wish to be contacted.

Chapter 8 Your rights and responsibilities

Right to Inspect and Copy. You have the right to inspect and receive a copy of your Health Information that we have in our records that is used to make decisions about your enrollment, care or payment for your care, including information kept in an electronic health record. If you want to review or receive a copy of these records, you must make the request in writing. We may charge you a reasonable fee for the cost of copying and mailing the records. We may deny your access to certain information. If we do so, we will give you the reason in writing. We will also explain how you may appeal the decision.

Please note that there may be a charge for paper or electronic copies of your records.

Right to Amend. If you feel that Health Information that we have is incorrect or incomplete, you may ask us to amend the information. You have the right to request an amendment for as long as the information is maintained by or for us. You must tell us the reason for your request.

We may deny your request for an amendment to your record. We may do this if your request is not in writing or does not include a reason to support the request. We also may deny your request if you ask us to amend information that:

- we did not create;
- is not part of the records used to make decisions about you;
- is not part of the information which you are permitted to inspect and to receive a copy; or
- is accurate and complete.

Chapter 8 Your rights and responsibilities

Right to an Accounting of Disclosures. You have the right to request an accounting of certain disclosures of Health Information that we made for a six-year period. The accounting will only include disclosures that were not made for treatment, payment, health care operations, to you, pursuant to authorization, or for “special circumstances” as outlined in this notice. You are entitled to one Accounting of Disclosures at no charge. Subsequent requests within a twelve-month period may be subject to a fee.

Right to a Paper Copy of This Notice. You have the right to a paper copy of this notice. You may ask us to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. You may obtain a copy of this notice at any time from the Plan’s website: <https://elderplan.org/>

HOW TO EXERCISE YOUR RIGHTS

To exercise any of your rights described in this notice, other than to obtain a paper copy of this notice, you must contact the Plan.

BREACH NOTIFICATION

We will keep your Health Information private and secure as required by law. If there is a breach (as defined by law) of any of your Health Information, then we will notify you within 60 days following the discovery of the breach, unless a delay in notification is requested by law enforcement.

ELECTRONIC HEALTH INFORMATION EXCHANGE

The Plan may participate in various systems of electronic exchange of Health Information with other healthcare providers, health information exchange networks and health plans. Your Health Information maintained by the Plan may be accessed by other providers, health information exchange networks and health plans for the purposes of treatment, payment, or health care operations. In addition, the Plan may access your Health Information maintained by other providers, health information exchange networks and health plans for treatment, payment or health care operation purposes but only with your consent.

CHANGES TO THIS NOTICE

We reserve the right to change this notice and to make the revised or changed notice effective for Health Information that we already have as well as any information we receive in the future. The new notice will be available upon request, on our website, and we will mail a copy to you. The notice will contain the effective date on the first page, in the top left-hand corner.

Chapter 8 Your rights and responsibilities

Section 1.4 We must give you information about our plan, our network of providers, and your covered services

As a member of Elderplan Plus Long-Term Care (HMO-POS D-SNP), you have the right to get several kinds of information from us.

If you want any of the following kinds of information, call Member Services at 1-877-891-6447 (TTY users call 711):

- **Information about our plan.** This includes, for example, information about our plan's financial condition.
- **Information about our network providers and pharmacies.** You have the right to get information about the qualifications of the providers and pharmacies in our network and how we pay the providers in our network.
- **Information about your coverage and the rules you must follow when using your coverage.** Chapters 3 and 4 provide information regarding medical services. Chapters 5 and 6 provide information about Part D drug coverage.
- **Information about why something isn't covered and what you can do about it.** Chapter 9 provides information on asking for a written explanation on why a medical service or Part D drug isn't covered or if your coverage is restricted. Chapter 9 also provides information on asking us to change a decision, also called an appeal.

Chapter 8 Your rights and responsibilities

Section 1.5 You have the right to know about your treatment options and participate in decisions about your care

You have the right to get full information from your doctors and other health care providers. Your providers must explain your medical condition and your treatment choices *in a way that you can understand*.

You also have the right to participate fully in decisions about your health care. To help you make decisions with your doctors about what treatment is best for you, your rights include the following:

- **To know about all your choices.** You have the right to be told about all treatment options recommended for your condition, no matter what they cost or whether they're covered by our plan. It also includes being told about programs our plan offers to help members manage their medications and use drugs safely.
- **To know about the risks.** You have the right to be told about any risks involved in your care. You must be told in advance if any proposed medical care or treatment is part of a research experiment. You always have the choice to refuse any experimental treatments.

Chapter 8 Your rights and responsibilities

- **The right to say “no.”** You have the right to refuse any recommended treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to leave. You also have the right to stop taking your medication. If you refuse treatment or stop taking medication, you accept full responsibility for what happens to your body as a result.

You have the right to give instructions about what’s to be done if you can’t make medical decisions for yourself

Sometimes people become unable to make health care decisions for themselves due to accidents or serious illness. You have the right to say what you want to happen if you’re in this situation. This means *if you want to*, you can:

- Fill out a written form to give **someone the legal authority to make medical decisions for you** if you ever become unable to make decisions for yourself.
- **Give your doctors written instructions** about how you want them to handle your medical care if you become unable to make decisions for yourself.

Legal documents you can use to give directions in advance in these situations are called **advance directives**. Documents like a **living will** and **power of attorney for health care** are examples of advance directives.

Chapter 8 Your rights and responsibilities

How to set up an advance directive to give instructions:

- **Get a form.** You can get an advance directive form from your lawyer, a social worker, or some office supply stores. You can sometimes get advance directive forms from organizations that give people information about Medicare. You can also call Member Services at 1-877-891-6447 (TTY users call 711) to ask for the forms.
- **Fill out the form and sign it.** No matter where you get this form, it's a legal document. Consider having a lawyer help you prepare it.
- **Give copies of the form to the right people.** Give a copy of the form to your doctor and to the person you name on the form who can make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.

If you know ahead of time that you're going to be hospitalized, and you signed an advance directive, **take a copy with you to the hospital.**

- The hospital will ask whether you signed an advance directive form and whether you have it with you.
- If you didn't sign an advance directive form, the hospital has forms available and will ask if you want to sign one.

Chapter 8 Your rights and responsibilities

Filling out an advance directive is your choice (including whether you want to sign one if you're in the hospital). According to law, no one can deny you care or discriminate against you based on whether or not you signed an advance directive.

If your instructions aren't followed

If you sign an advance directive and you believe that a doctor or hospital did not follow the instructions in it, you can file a complaint with the New York State Department of Health Hospital Complaint Line at 1-800-804-5447 or the Office of Professional Medical Conduct – Physician Complaint Line at 1-800-663-6114.

Section 1.6 You have the right to make complaints and ask us to reconsider decisions we made

If you have any problems, concerns, or complaints and need to ask for coverage, or make an appeal, Chapter 9 of this document tells what you can do. Whatever you do—ask for a coverage decision, make an appeal, or make a complaint—**we're required to treat you fairly.**

Chapter 8 Your rights and responsibilities

Section 1.7 If you believe you're being treated unfairly, or your rights aren't being respected

If you believe you've been treated unfairly or your rights haven't been respected due to your race, disability, religion, sex, health, ethnicity, creed (beliefs), age, or national origin, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY users call 1-800-537-7697), or call your local Office for Civil Rights.

If you believe you've been treated unfairly or your rights haven't been respected *and it's not* about discrimination, you can get help dealing with the problem you're having from these places:

- **Call our plan's Member Services at 1-877-891-6447 (TTY users call 711)**
- **Call your local SHIP** at 1-212-602-4180 Inside the boroughs 1-800-701-0501 Outside of boroughs.
- **Call Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048). Or, you can call HRA Medicaid Helpline (the New York State Department of Health (Social Services) at 1-888-692-6116 (TTY 711), 9 a.m. to 5 p.m., Monday through Friday.
- Or, you can call the Independent Consumer Advocacy Network (ICAN) at 1-844-614-8800 (TTY 711), 8 a.m. to 6 p.m., Monday through Friday.

Chapter 8 Your rights and responsibilities

Section 1.8 How to get more information about your rights

Get more information about your rights from these places:

- **Call Member Services at 1-877-891-6447 (TTY users call 711)**
- **Call your local SHIP at 1-212-602-4180** Inside the boroughs 1-800-701-0501 Outside the boroughs.
- **Contact Medicare**
 - Visit www.Medicare.gov to read the publication *Medicare Rights & Protections* (available at: [Medicare Rights & Protections](#))
 - Call 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

SECTION 2 Your responsibilities as a member of our plan

Things you need to do as a member of our plan are listed below. For questions, call Member Services at 1-877-891-6447 (TTY users call 711).

- **Get familiar with your covered services and the rules you must follow to get these covered services.** Use this *Evidence of Coverage* to learn what's covered and the rules you need to follow to get covered services.
 - Chapters 3 and 4 give details about medical services.

Chapter 8 Your rights and responsibilities

- Chapters 5 and 6 give details about Part D drug coverage.
- **If you have any other health coverage or drug coverage in addition to our plan, you're required to tell us.** Chapter 1 tells you about coordinating these benefits.
- **Tell your doctor and other health care providers that you're enrolled in our plan.** Show our plan membership card and your Medicaid card whenever you get medical care or Part D drugs.
- **Help your doctors and other providers help you by giving them information, asking questions, and following through on your care.**
 - To help get the best care, tell your doctors and other health providers about your health problems. Follow the treatment plans and instructions you and your doctors agree on.
 - Make sure your doctors know all the drugs you're taking, including over-the-counter drugs, vitamins, and supplements.
 - If you have questions, be sure to ask and get an answer you can understand.
- **Be considerate.** We expect our members to respect the rights of other patients. We also expect you to act in a way that helps the smooth running of your doctor's office, hospitals, and other offices.
- **Pay what you owe.** As a plan member, you're responsible for these payments:

Chapter 8 Your rights and responsibilities

- You must continue to pay your Medicare premiums to stay a member of our plan.
- For most of your drugs covered by our plan, you must pay your share of the cost when you get drug.
- **If you move *within* our plan service area, we need to know** so we can keep your membership record up to date and know how to contact you.
- **If you move *outside* our plan service area, you can't stay a member of our plan.**
- **If you move, tell Social Security (or the Railroad Retirement Board).**

**SECTION 1 What to do if you have a problem
or concern**

This chapter explains the processes for handling problems and concerns. The process you use to handle your problem depends on the type of problem you're having:

- For some problems, you need to use the **process for coverage decisions and appeals**.
- For other problems, you need to use the **process for making complaints** (also called grievances).

Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

Section 3 will help you identify the right process to use and what you should do.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 1.1 Legal terms

There are legal terms for some of the rules, procedures, and types of deadlines explained in this chapter. Many of these terms are unfamiliar to most people. To make things easier, this chapter uses more familiar words in place of some legal terms.

However, it's sometimes important to know the correct legal terms. To help you know which terms to use to get the right help or information, we include these legal terms when we give details for handling specific situations.

**SECTION 2 Where to get more information and
personalized help**

We're always available to help you. Even if you have a complaint about our treatment of you, we're obligated to honor your right to complain. You should always call Member Services at 1-877-891-6447 (TTY users call 711) for help. In some situations, you may also want help or guidance from someone who isn't connected with us. Two organizations that can help are:

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

State Health Insurance Assistance Program (SHIP)

Each state has a government program with trained counselors. The program isn't connected with us or with any insurance company or health plan. The counselors at this program can help you understand which process you should use to handle a problem you're having. They can also answer questions, give you more information, and offer guidance on what to do.

The services of SHIP counselors are free.

**SECTION 3 Understanding Medicare and Medicaid
complaints and appeals**

You have Medicare and get help from Medicaid. Information in this chapter applies to **all** your Medicare and Medicaid benefits. This is called an integrated process because it combines, or integrates, Medicare and Medicaid processes.

Sometimes the Medicare and Medicaid processes aren't combined. In those situations, use a Medicare process for a benefit covered by Medicare and a Medicaid process for a benefit covered by Medicaid. These situations are explained in **Section 6.4**.

SECTION 4 Which process to use for your problem

If you have a problem or concern, read the parts of this chapter that apply to your situation. The information below will help you find the right section of this chapter for problems or complaints about **benefits covered by Medicare or Medicaid**.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Is your problem or concern about your benefits or coverage?

This includes problems about whether medical care (medical items, services and/or Part B drugs) are covered or not, the way they're covered, and problems related to payment for medical care.

Yes.

Go to **Section 5, A guide to coverage decisions and appeals.**

No.

Go to **Section 11, How to make a complaint about quality of care, waiting times, customer service, or other concerns.**

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Coverage decisions and appeals

**SECTION 5 A guide to coverage decisions
and appeals**

Coverage decisions and appeals deal with problems related to your benefits and coverage for your medical care (services, items, and Part B drugs, including payment). To keep things simple, we generally refer to medical items, services, and Medicare Part B drugs as **medical care**. You use the coverage decision and appeals process for issues such as whether something is covered or not and the way in which something is covered.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Asking for coverage decisions before you get services

If you want to know if we'll cover medical care before you get it, you can ask us to make a coverage decision for you. A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your medical care. For example, if our plan network doctor refers you to a medical specialist not inside the network, this referral is considered a favorable coverage decision unless either you or your network doctor can show that you got a standard denial notice for this medical specialist, or the *Evidence of Coverage* makes it clear that the referred service is never covered under any condition. You or your doctor can also contact us and ask for a coverage decision if your doctor is unsure whether we'll cover a particular medical service or refuses to provide medical care you think you need.

In limited circumstances a request for a coverage decision will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we might decide medical care isn't covered or is no longer covered for you. If you disagree with this coverage decision, you can make an appeal.

Making an appeal

If we make a coverage decision, whether before or after you get a benefit, and you aren't satisfied, you can **appeal** the decision. An appeal is a formal way of asking us to review and change a coverage decision we made. Under certain circumstances, you can ask for an expedited or **fast appeal** of a coverage decision. Your appeal is handled by different reviewers than those who made the original decision.

When you appeal a decision for the first time, this is called a Level 1 appeal. In this appeal, we review the coverage decision we made to check to see if we properly followed the rules. When we complete the review, we give you our decision.

In limited circumstances, a request for a Level 1 appeal will be dismissed, which means we won't review the request. Examples of when a request will be dismissed include if the request is incomplete, if someone makes the request on your behalf but isn't legally authorized to do so, or if you ask for your request to be withdrawn. If we dismiss a request for a Level 1 appeal, we'll send a notice explaining why the request was dismissed and how to ask for a review of the dismissal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If we say no to all or part of your Level 1 appeal for medical care, your appeal will automatically go on to a Level 2 appeal conducted by an independent review organization not connected to us.

- You don't need to do anything to start a Level 2 appeal. Medicare rules require we automatically send your appeal for medical care to Level 2 if we don't fully agree with your Level 1 appeal.
- Go to **Section 6.4** of this chapter for more information about Level 2 appeals for medical care.
- Part D appeals are discussed in Section 7 of this chapter.

If you aren't satisfied with the decision at the Level 2 appeal, you may be able to continue through additional levels of appeal (this chapter explains the Level 3, 4, and 5 appeals processes).

Section 5.1 Get help asking for a coverage decision or making an appeal

Here are resources if you decide to ask for any kind of coverage decision or appeal a decision:

- **Call Member Services** at 1-877-891-6447 (TTY users call 711)
- **Get free help** from your State Health Insurance Assistance Program

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **Your doctor or other health care provider can make a request for you.** If your doctor helps with an appeal past Level 2, they need to be appointed as your representative. Call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.elderplan.org.)
 - For medical care, your doctor or other health care provider can ask for a coverage decision or a Level 1 appeal on your behalf. If your appeal is denied at Level 1, it'll be automatically forwarded to Level 2.
 - If your doctor or other health provider asks that a service or item that you're already getting be continued during your appeal, you **may** need to name your doctor or other prescriber as your representative to act on your behalf.
 - For Part D drugs, your doctor or other prescriber can ask for a coverage decision or a Level 1 appeal on your behalf. If your Level 1 appeal is denied, your doctor or prescriber can ask for a Level 2 appeal.
- **You can ask someone to act on your behalf.** You can name another person to act for you as your representative to ask for a coverage decision or make an appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If you want a friend, relative, or other person to be your representative, call Member Services at 1-877-891-6447 (TTY users call 711) and ask for the *Appointment of Representative* form. (The form is also available at www.CMS.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.elderplan.org. This form gives that person permission to act on your behalf. It must be signed by you and the person you want to act on your behalf. You must give us a copy of the signed form.

We can accept an appeal request from a representative without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal, your appeal request will be dismissed. If this happens, we'll send you a written notice explaining your right to ask the independent review organization to review our decision to dismiss your appeal.

- **You also have the right to hire a lawyer.** You can contact your own lawyer or get the name of a lawyer from your local bar association or other referral service. There are also groups that will give you free legal services if you qualify. However, **you aren't required to hire a lawyer** to ask for any kind of coverage decision or appeal a decision.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 5.2 Rules and deadlines for different situations

There are 4 different situations that involve coverage decisions and appeals. Each situation has different rules and deadlines, we give the details for each of these situations:

- **Section 6:** “Medical care: How to ask for a coverage decision or make an appeal”
- **Section 7:** “Part D drugs: How to ask for a coverage decision or make an appeal”
- **Section 8:** “How to ask us to cover a longer inpatient hospital stay if you think you’re being discharged too soon”
- **Section 9:** “How to ask us to keep covering certain medical services if you think your coverage is ending too soon”
(*Applies only to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services*)

If you’re not sure which information applies to you, call Member Services at 1-877-891-6447 (TTY users call 711). You can also get help or information from your SHIP.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**SECTION 6 Medical care: How to ask for a coverage
decision or make an appeal**

**Section 6.1 What to do if you have problems getting
coverage for medical care or want us to
pay you back for your care**

Your benefits for medical care are described in Chapter 4 in the Medical Benefits Chart. In some cases, different rules apply to a request for a Part B drug. In those cases, we'll explain how the rules for Part B drugs are different from the rules for medical items and services.

This section tells what you can do if you're in any of the 5 following situations:

1. You aren't getting certain medical care you want, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
2. Our plan won't approve the medical care your doctor or other health care provider wants to give you, and you believe our plan covers this care. **Ask for a coverage decision. Section 6.2.**
3. You got medical care that you believe our plan should cover, but we said we won't pay for this care. **Make an appeal. Section 6.3.**

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

4. You got and paid for medical care that you believe our plan should cover, and you want to ask our plan to reimburse you for this care. **Send us the bill. Section 6.5.**
5. You're told that coverage for certain medical care you've been getting (that we previously approved) will be reduced or stopped, and you believe that reducing or stopping this care could harm your health. **Make an appeal. Section 6.3.**

Note: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, go to Sections 8 and 9. Special rules apply to these types of care.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 6.2 How to ask for a coverage decision

Legal Terms:

A coverage decision that involves your medical care is called an **organization determination**.

A **fast coverage decision** is called an **expedited determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

A standard coverage decision is usually made within 7 calendar days when the medical item or service is subject to our prior authorization rules, 14 calendar days for all other medical items and services, or 72 hours for Part B drugs. A fast coverage decision is generally made within 72 hours, for medical services, 24 hours for Part B drugs.

- You can get a fast coverage decision *only* if using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor tells us that your health requires a fast coverage decision, we'll automatically agree to give you a fast coverage decision.**

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

- **If you ask for a fast coverage decision on your own, without your doctor's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.
 - Explains if your doctor asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
 - Explains that you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for.

Step 2: Ask our plan to make a coverage decision or fast coverage decision.

- Start by calling, writing, or faxing our plan to make your request for us to authorize or provide coverage for the medical care you want. You, your doctor, or your representative can do this. Chapter 2 has contact information.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 3: We consider your request for medical care coverage and give you our answer.

For standard coverage decisions we use the standard deadlines.

This means we'll give you an answer within 7 calendar days after we get your request **for a medical item or service that is subject to our prior authorization rules. If your requested medical item or service is not subject to our prior authorization rules, we'll give you an answer within 14 calendar days** after we get your request. If your request is for a **Part B drug**, we'll give you an answer **within 72 hours** after we get your request.

- **However**, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a fast complaint. We'll give you an answer to your complaint as soon as we make the decision. (The process for making a complaint is different from the process for coverage decisions and appeals. Go to Section 11 for information on complaints.)

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

For fast coverage decisions we use an expedited timeframe.

A fast coverage decision means we'll answer within 72 hours if your request is for a medical item or service. If your request is for a Part B drug, we'll answer within 24 hours.

- **However**, if you ask for more time, or if we need more that may benefit you, **we can take up to 14 more calendar days**. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we should *not* take extra days, you can file a fast complaint. (Go to Section 11 for information on complaints.) We'll call you as soon as we make the decision.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no.

Step 4: If we say no to your request for coverage for medical care, you can appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the medical care coverage you want. If you make an appeal, it means you're going on to Level 1 of the appeals process.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Section 6.3 How to make a Level 1 appeal

Legal Terms:

An appeal to our plan about a medical care coverage decision is called a plan **reconsideration**.

A fast appeal is also called an **expedited reconsideration**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 30 calendar days or 7 calendar days for Part B drugs. A fast appeal is generally made within 72 hours.

- If you're appealing a decision we made about coverage for care, you and/or your doctor need to decide if you need a fast appeal. If your doctor tells us that your health requires a fast appeal, we'll give you a fast appeal.
- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 6.2.

Step 2: Ask our plan for an appeal or a fast appeal

- **If you're asking for a standard appeal, submit your standard appeal in writing.** Chapter 2 has contact information.
- **If you're asking for a fast appeal, make your appeal in writing or call us.** Chapter 2 has contact information.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a free copy of the information regarding your medical decision. You and your doctor may add more information to support your appeal.**

If we told you we were going to stop or reduce services or items that you were already getting, you may be able to keep those services or items during your appeal.

- If we decided to change or stop coverage for a service or item that you currently get, we'll send you a notice before taking the proposed action.
- If you disagree with the action, you can file a Level 1 appeal. We'll continue covering the service or item if you ask for a Level 1 appeal within 10 calendar days of the postmark date on our letter or by the intended effective date of the action, whichever is later.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If you meet this deadline, you can keep getting the service or item with no changes while your Level 1 appeal is pending. You'll also keep getting all other services or items (that aren't the subject of your appeal) with no changes.

Step 3: We consider your appeal and we give you our answer.

- When we are reviewing your appeal, we take a careful look at all the information. We check to see if we were following all the rules when we said no to your request.
- We'll gather more information if needed and may contact you or your doctor.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal**. We'll give you our answer sooner if your health requires us to.
 - If you ask for more time, or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time if your request is for a Part B drug.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we don't give you an answer within 72 hours (or by the end of the extended time period if we took extra days), we're required to automatically send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must authorize or provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for,** we'll send you our decision in writing and automatically forward your appeal to the independent review organization for a Level 2 appeal. The independent review organization will notify you in writing when it gets your appeal.

Deadlines for a standard appeal

- For standard appeals, we must give you our answer **within 30 calendar days** after we get your appeal. If your request is for a Part B drug you didn't get yet, we'll give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if your health condition requires us to.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- However, if you ask for more time, or if we need more information that may benefit you, **we can take up to 14 more calendar days** if your request is for a medical item or service. If we take extra days, we'll tell you in writing. We can't take extra time to make a decision if your request is for a Part B drug.
- If you believe we *shouldn't* take extra days, you can file a fast complaint. When you file a fast complaint, we'll give you an answer to your complaint within 24 hours. (For more information about the process for making complaints, including fast complaints, go to **Section 11.**)
- If we don't give you an answer by the deadline (or by the end of the extended time period), we'll send your request to a Level 2 appeal where an independent review organization will review the appeal. Section 6.4 explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for, we must authorize or provide the coverage within 30 calendar days, or within 7 calendar days if your request is for a Part B drug.**
- **If our plan says no to part or all of your appeal, you have additional appeal rights.**
- If we say no to part or all of what you asked for, we'll send you a letter.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your problem is about coverage of a Medicare service or item, the letter will tell you that we sent your case to the independent review organization for a Level 2 appeal.
- If your problem is about coverage of a Medicaid service or item, the letter will tell you how to file a Level 2 appeal yourself.

Section 6.4 The Level 2 appeal process

Legal Term:

The formal name for the independent review organization is the **Independent Review Entity**. It's sometimes called the **IRE**.

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

- If your problem is about a service or item that's usually **covered by Medicare**, we'll automatically send your case to Level 2 of the appeals process as soon as the Level 1 appeal is complete.
- If your problem is about a service or item that's usually **covered by Medicaid**, you can file a Level 2 appeal yourself. The letter will tell you how to do this. Information is also below.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your problem is about a service or item that could be **covered by both Medicare and Medicaid**, you'll automatically get a Level 2 appeal with the independent review organization. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Go to page 376 for information about continuing your benefits during Level 1 appeals.

- If your problem is about a service that's usually covered by Medicare only, your benefits for that service will not continue during the Level 2 appeals process with the independent review organization.
- If your problem is about a service that's usually covered by Medicaid, your benefits for that service will continue if you submit a Level 2 appeal within 10 calendar days after getting our plan's decision letter.

If your problem is about a service or item Medicare usually covers:

Step 1: The independent review organization reviews your appeal.

- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a free copy of your case file.**

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You have a right to give the independent review organization additional information to support your appeal.
- Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

If you had a fast appeal at Level 1, you'll also have a fast appeal at Level 2.

- For the fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** of when it gets your appeal.
- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

If you had a standard appeal at Level 1, you'll also have a standard appeal at Level 2.

- For the standard appeal, if your request is for a medical item or service, the independent review organization must give you an answer to your Level 2 appeal **within 30 calendar days** of when it gets your appeal. If your request is for a Part B drug, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** of when it gets your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your request is for a medical item or service and the independent review organization needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The independent review organization can't take extra time to make a decision if your request is for a Part B drug.

Step 2: The independent review organization gives you its answer.

The independent review organization will tell you its decision in writing and explain the reasons for it.

- **If the independent review organization says yes to part or all of a request for a medical item or service**, we must authorize the medical care coverage within **72 hours** or provide the service within 14 calendar days after we get the decision from the independent review organization for **standard requests**. For **expedited requests**, we have **72 hours** from the date we get the decision from the independent review organization.
- **If the independent review organization says yes to part or all of a request for a Part B drug**, we must authorize or provide the Part B drug within **72 hours** after we get the decision from the independent review organization for **standard requests**. For **expedited requests** we have **24 hours** from the date we get the decision from the independent review organization

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the independent review organization says no to part or all of your appeal**, it means they agree with our plan that your request (or part of your request) for coverage for medical care shouldn't be approved. (This is called **upholding the decision or turning down your appeal**.) In this case, the independent review organization will send you a letter that:
 - Explains the decision.
 - Lets you know about your right to a Level 3 appeal if the dollar value of the medical care coverage meets a certain minimum. The written notice you get from the independent review organization will tell you the dollar amount you must meet to continue the appeals process.
 - Tells you how to file a Level 3 appeal.
- If your Level 2 appeal is turned down and you meet the requirements to continue with the appeals process, you must decide whether you want to go to Level 3 and make a third appeal. The details on how to do this are in the written notice you get after your Level 2 appeal.
 - The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** in this chapter explains the process for Level 3, 4, and 5 appeals.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

If your problem is about a service or item Medicaid usually covers:

Step 1: Ask for a Fair Hearing with the state.

- Level 2 of the appeals process for services usually covered by Medicaid is a Fair Hearing with the state. You must ask for a Fair Hearing in writing or over the phone **within 120 calendar days** of the date that we sent the decision letter on your Level 1 appeal. The letter you get from us will tell you where to submit your hearing request.

You can ask for a Fair Hearing with the state:

- By phone: 1-800-342-3334 (TTY call 711 and ask operator to call 1-877-502-6155)
- By fax: 518-473-6735
- By internet: <http://otda.ny.gov/oah/FHReq.asp>
- By mail: NYS Office of Temporary and Disability Assistance
Office of Administrative Hearings
Managed Care Hearing Unit
P.O. Box 22023
Albany, New York 12201-2023
- In person: For non-New York City residents:
Office of Temporary and Disability Assistance
Office of Administrative Hearings
40 North Pearl Street
Albany, New York 12243

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

- For New York City residents:
Office of Temporary and Disability Assistance
Office of Administrative Hearings
5 Beaver Street
New York, New York 10004

After you ask for a Fair Hearing, the State will send you a notice with the time and place of the hearing. At the hearing you will be asked to explain why you think this decision is wrong. A hearing officer will hear from both you and the plan and decide whether our decision was wrong. If the State denies your request for a fast track Fair Hearing, they will call you and send you a letter. If your request for a fast track Fair Hearing is denied, the State will process your Fair Hearing in 90 days.

If the State approves your request for a fast track Fair Hearing, they will call you to give you the time and date of your hearing. All Fast Track Fair Hearings will be held by phone.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

To prepare for the hearing:

- **We will send you a copy of the "evidence packet" before the hearing.** This is information we used to make our decision about your services. We will give this information to the hearing officer to explain our decision. If there is not time enough to mail it to you, we will bring a copy of the evidence packet to the hearing for you. If you do not get the evidence packet by the week before your hearing, you can call [1-800 MCO-PLAN] to ask for it.
- **You have the right to see your case file and other documents.** Your case file has your health records and may have more information about why your health care service was changed or not approved. You can also ask to see guidelines and any other document we used to make this decision. You can call [1-800 MCO-PLAN] to see your case file and other documents, or to ask for a free copy. Copies will only be mailed to you if you say you want them to be mailed.
- **You have a right to bring a person with you to help you at the hearing,** like a lawyer, a friend, a relative or someone else. At the hearing, you or this person can give the hearing officer something in writing, or just say why the decision was wrong. You can also bring people to speak in your favor. You or this person can also ask questions of any other people at the hearing.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **You have the right to submit documents to support your case.** Bring a copy of any papers you think will help your case, such as doctor's letters, health care bills, and receipts. It may be helpful to bring a copy of this notice and all the pages that came with it to your hearing.
- **You may be able to get legal help** by calling your local Legal Aid Society or advocate group. To locate a lawyer, check your Yellow Pages under "Lawyers" or go to www.LawhelpNY.org. In New York City, call 311.

External Appeal

You have other appeal rights if we said the service you asked for was:

1. not medically necessary;
2. experimental or investigational;
3. not different from care you can get in the plan's network; or
4. available from a participating provider who has correct training and experience to meet your needs.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

For these types of decisions, you can ask New York State (NYS) for an independent External Appeal. This is called an External Appeal because it is decided by reviewers who do not work for Elderplan Plus Long-Term Care (HMO-POS D-SNP) or NYS. These reviewers are qualified people approved by NYS. The service must be in the plan's benefit package or be an experimental treatment, clinical trial, or treatment for a rare disease. You do not have to pay for an External Appeal.

You have **4 months** from the date that we sent the decision letter on your Level 1 appeal to ask for an External Appeal. If you and Elderplan Plus Long-Term Care (HMO-POS D-SNP) agreed to skip our appeals process, then you must ask for the External Appeal within 4 months of when you made that agreement.

To ask for an External Appeal, fill out an application and send it to the Department of Financial Services. You can call Member Services at 1-877-891-6447 if you need help filing an External Appeal. You and your doctors will have to give information about your medical problem. The External Appeal application says what information will be needed.

Here are some ways to get an External Appeal application:

- Call the Department of Financial Services at 1-800-400-8882
- Go to the Department of Financial Services' web site at www.dfs.ny.gov.
- Contact us at 1-877-891-6447

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Your External Appeal will be decided in 30 days. More time (up to five work days) may be needed if the External Appeal reviewer asks for more information. You and Elderplan Plus Long-Term Care (HMO-POS D-SNP) will be told the final decision within two days after the decision is made.

You can get a faster decision if:

- Your doctor says that a delay will cause serious harm to your health; or
- You are in the hospital after an emergency room visit and the hospital care is denied by your plan.

This is called an Expedited External Appeal. The External Appeal reviewer will decide an expedited appeal in 72 hours or less.

If you asked for inpatient substance use disorder treatment at least 24 hours before you were to leave the hospital, we will continue to pay for your stay if:

- you ask for a fast track Level 1 appeal within 24 hours,
AND
- you ask for a fast track External Appeal at the same time.

We will continue to pay for your stay until there is a decision made on your appeals. We will make a decision about your fast track Level 1 appeal in 24 hours. The fast track External Appeal will be decided in 72 hours.

The External Appeal reviewer will tell you and the plan the decision right away by phone or fax. Later, a letter will be sent that tells you the decision.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

You may ask for a Fair Hearing or ask for an External Appeal, or both. If you ask for both a Fair Hearing and an External Appeal, the decision of the fair hearing officer will be the one that counts.

Step 2: The Fair Hearing office gives you its answer.

The Fair Hearing office will tell you its decision in writing and explain the reasons.

- **If the Fair Hearing office says yes to part or all of a request for a medical item or service**, we must authorize or provide the service or item within 72 hours after we get the decision from the Fair Hearing office.
- **If the Fair Hearing office says no to part or all of your appeal**, they agree with our plan that your request (or part of your request) for coverage for medical care should not be approved. (This is called **upholding the decision or turning down your appeal.**)

If the decision is no for all or part of what you asked for, you can make another appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If the independent review organization or Fair Hearing office decision is no for all or part of what you asked for, you have **additional appeal rights**.

The letter you get from the Fair Hearing office will describe this next appeal option.

Go to **Section 10** for more information on your appeal rights after Level 2.

Section 6.5 If you're asking us to pay you back for a bill you got for medical care

If you have already paid for a Medicaid service or item covered by our plan, ask our plan to pay you back (reimburse you). It's your right to be paid back by our plan whenever you've paid for medical services or drugs that are covered by our plan. When you send us a bill you already paid, we'll look at the bill and decide whether the services or drugs should be covered. If we decide they should be covered, we'll pay you back for the services or drugs.

Asking for reimbursement is asking for a coverage decision from us

If you send us the paperwork asking for reimbursement, you're asking for a coverage decision. To make this decision, we'll check to see if the medical care you paid for is covered. We'll also check to see if you followed the rules for using your coverage for medical care.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If you want us to reimburse you for a **Medicare** service or item or you're asking us to pay a health care provider for a Medicaid service or item you paid for, ask us to make this coverage decision. We'll check to see if the medical care you paid for is a covered service. We'll also check to see if you followed all the rules for using your coverage for medical care.

- **If we say yes to your request:** If the medical care is covered and you followed the rules, we'll send you the payment for the cost typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- **If we say no to your request:** If the medical care isn't covered, or you did *not* follow all the rules, we won't send payment. Instead, we'll send you a letter that says we'll not pay for the medical care and the reasons why.

If you don't agree with our decision to turn you down, **you can make an appeal**. If you make an appeal, it means you're asking us to change the coverage decision we made when we turned down your request for payment.

To make this appeal, follow the process for appeals in Section 6.3. For appeals concerning reimbursement, note:

- We must give you our answer within 30 calendar days after we get your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If the independent review organization decides we should pay, we must send you or the provider the payment within 30 calendar days. If the answer to your appeal is yes at any stage of the appeals process after Level 2, we must send the payment you asked for to you or the health care provider within 60 calendar days.

SECTION 7 Part D drugs: How to ask for a coverage decision or make an appeal

Section 7.1 This section tells you what to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits include coverage for many prescription drugs. To be covered, the drug must be used for a medically accepted indication. (Go to Chapter 5 for more information about a medically accepted indication.) For details about Part D drugs, rules, restrictions, and costs go to Chapters 5 and 6. **This section is about your Part D drugs only.** To keep things simple, we generally say *drug* in the rest of this section, instead of repeating *covered outpatient prescription drug* or *Part D drug* every time. We also use the term Drug List instead of *List of Covered Drugs* or formulary.

- If you don't know if a drug is covered or if you meet the rules, you can ask us. Some drugs require you to get approval from us before we'll cover it.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If your pharmacy tells you that your prescription can't be filled as written, the pharmacy will give you a written notice explaining how to contact us to ask for a coverage decision.

Part D coverage decisions and appeals

Legal Term:

An initial coverage decision about your Part D drugs is called a **coverage determination**.

A coverage decision is a decision we make about your benefits and coverage or about the amount we'll pay for your drugs. This section tells what you can do if you're in any of the following situations:

- Asking to cover a Part D drug that isn't on our plan's Drug List. **Ask for an exception. Section 7.2.**
- Asking to waive a restriction on our plan's coverage for a drug (such as limits on the amount of the drug you can get, prior authorization criteria, or the requirement to try another drug first). **Ask for an exception. Section 7.2.**
- Asking to get pre-approval for a drug. **Ask for a coverage decision. Section 7.4.**
- Pay for a prescription drug you already bought. **Ask us to pay you back. Section 7.4.**

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If you disagree with a coverage decision we made, you can appeal our decision.

This section tells you both how to ask for coverage decisions and how to ask for an appeal.

Section 7.2 Asking for an exception

Legal Terms:

Asking for coverage of a drug that's not on the Drug List is a **formulary exception**.

Asking for removal of a restriction on coverage for a drug is a **formulary exception**.

Asking to pay a lower price for a covered non-preferred drug is a **tiering exception**.

If a drug isn't covered in the way you'd like it to be covered, you can ask us to make an **exception**. An exception is a type of coverage decision.

For us to consider your exception request, your doctor or other prescriber will need to explain the medical reasons why you need the exception approved. Here are 2 examples of exceptions that you or your doctor or other prescriber can ask us to make:

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- 1. Covering a Part D drug that's not on our Drug List.** If we agree to cover a drug not on the Drug List, you'll need to pay the cost-sharing amount that applies to all our drugs. You can't ask for an exception to the cost-sharing amount we require you to pay for the drug.
- 2. Removing a restriction for a covered drug.** Chapter 5 describes the extra rules or restrictions that apply to certain drugs on our Drug List. If we agree to make an exception and waive a restriction for you, you can ask for an exception to the copayment or coinsurance amount we require you to pay for the drug.

Section 7.3 Important things to know about asking for exceptions

Your doctor must tell us the medical reasons

Your doctor or other prescriber must give us a statement that explains the medical reasons you're asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List typically includes more than one drug for treating a particular condition. These different possibilities are called **alternative** drugs. If an alternative drug would be just as effective as the drug you're asking for and wouldn't cause more side effects or other health problems, we generally won't approve your request for an exception.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

We can say yes or no to your request

- If we approve your request for an exception, our approval usually is valid until the end of our plan year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say no to your request, you can ask for another review by making an appeal.

Section 7.4 How to ask for a coverage decision, including an exception

Legal term:

A fast coverage decision is called an **expedited coverage determination**.

Step 1: Decide if you need a standard coverage decision or a fast coverage decision.

Standard coverage decisions are made within **72 hours** after we get your doctor's statement. **Fast coverage decisions** are made within **24 hours** after we get your doctor's statement.

If your health requires it, ask us to give you a fast coverage decision. To get a fast coverage decision, you must meet 2 requirements:

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- You must be asking for a *drug you didn't get yet*. (You can't ask for fast coverage decision to be paid back for a drug you have already bought.)
- Using the standard deadlines could *cause serious harm to your health or hurt your ability to function*.
- **If your doctor or other prescriber tells us that your health requires a fast coverage decision, we'll automatically give you a fast coverage decision.**
- **If you ask for a fast coverage decision on your own, without your doctor or prescriber's support, we'll decide whether your health requires that we give you a fast coverage decision.** If we don't approve a fast coverage decision, we'll send you a letter that:
 - Explains that we'll use the standard deadlines.
 - Explains if your doctor or other prescriber asks for the fast coverage decision, we'll automatically give you a fast coverage decision.
 - Tells you how you can file a fast complaint about our decision to give you a standard coverage decision instead of the fast coverage decision you asked for. We'll answer your complaint within 24 hours of receipt.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: Ask for a standard coverage decision or a fast coverage decision.

Start by calling, writing, or faxing our plan to ask us to authorize or provide coverage for the medical care you want. You can also access the coverage decision process through our website. We must accept any written request, including a request submitted on the *CMS Model Coverage Determination Request* form, which are available on our website www.elderplan.org. Chapter 2 has contact information. To help us process your request, include your name, contact information, and information that shows which denied claim is being appealed.

You, your doctor, (or other prescriber) or your representative can do this. You can also have a lawyer act on your behalf. Section 4 of this chapter tells how you can give written permission to someone else to act as your representative.

- **If you're asking for an exception, provide the supporting statement**, which is the medical reason for the exception. Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone and follow up by faxing or mailing a written statement if necessary.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 3: We consider your request and give you our answer.

Deadlines for a fast coverage decision

- We must generally give you our answer **within 24 hours** after we get your request.
 - For exceptions, we'll give you our answer within 24 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
 - If we don't meet this deadline, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for**, we must provide the coverage we agreed to within 24 hours after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for**, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Deadlines for a standard coverage decision about a drug you didn't get yet

- We must give you our answer **within 72 hours** after we get your request.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- For exceptions, we'll give you our answer within 72 hours after we get your doctor's supporting statement. We'll give you our answer sooner if your health requires us to.
- If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for, we must provide the coverage we agreed to within 72 hours** after we get your request or doctor's statement supporting your request.
- **If our answer is no to part or all of what you asked for, we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.**

Deadlines for a standard coverage decision about payment for a drug you have already bought

- We must give you our answer **within 14 calendar days** after we get your request.

If we don't meet this deadline, we are required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization.

- **If our answer is yes to part or all of what you asked for, we are also required to make payment to you within 14 calendar days** after we get your request.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your coverage request, you can make an appeal.

- If we say no, you have the right to ask us to reconsider this decision by making an appeal. This means asking again to get the drug coverage you want. If you make an appeal, it means you're going to Level 1 of the appeals process.

Section 7.5 How to make a Level 1 appeal

Legal Terms:

An appeal to our plan about a Part D drug coverage decision is called a **plan redetermination**.

A fast appeal is called an **expedited redetermination**.

Step 1: Decide if you need a standard appeal or a fast appeal.

A standard appeal is usually made within 7 calendar days. A fast appeal is generally made within 72 hours. If your health requires it, ask for a fast appeal.

- If you're appealing a decision we made about a drug you didn't get yet, you and your doctor or other prescriber will need to decide if you need a fast appeal.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

- The requirements for getting a fast appeal are the same as those for getting a fast coverage decision in Section 7.4.

Step 2: You, your representative, doctor or other prescriber must contact us and make your Level 1 appeal. If your health requires a quick response, you must ask for a fast appeal.

- **For standard appeals, submit a written request or call us.** Chapter 2 has contact information.
- **For fast appeals, either submit your appeal in writing or call us at (1-877-891-6447).** Chapter 2 has contact information.
- **We must accept any written request,** including a request submitted on the *CMS Model Redetermination Request Form*, which is available on our website www.elderplan.org. Include your name, contact information, and information about your claim to help us process your request.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **You must make your appeal request within 65 calendar days** from the date on the written notice we sent to tell you our answer on the coverage decision. If you miss this deadline and have a good reason for missing it, explain the reason your appeal is late when you make your appeal. We may give you more time to make your appeal. Examples of good cause may include a serious illness that prevented you from contacting us or if we provided you with incorrect or incomplete information about the deadline for asking for an appeal.
- **You can ask for a copy of the information in your appeal and add more information.** You and your doctor may add more information to support your appeal.

Step 3: We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all the information about your coverage request. We check to see if we were following all the rules when we said no to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal

- For fast appeals, we must give you our answer **within 72 hours after we get your appeal.** We'll give you our answer sooner if your health requires us to.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If we don't give you an answer within 72 hours, we're required to send your request to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.6** explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage we agreed to within 72 hours after we get your appeal.
- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal for a drug you didn't get yet

- For standard appeals, we must give you our answer **within 7 calendar days** after we get your appeal. We'll give you our decision sooner if you didn't get the drug yet and your health condition requires us to do so.
 - If we don't give you a decision within 7 calendar days, we're required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization. **Section 7.6** explains the Level 2 appeal process.
- **If our answer is yes to part or all of what you asked for,** we must provide the coverage as quickly as your health requires, but no later than **7 calendar days** after we get your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no and how you can appeal our decision.

Deadlines for a standard appeal about payment for a drug you already bought

- We must give you our answer **within 14 calendar days** after we get your request.
 - If we don't meet this deadline, we are required to send your request on to Level 2 of the appeals process, where it will be reviewed by an independent review organization.
- **If our answer is yes to part or all of what you asked for,** we are also required to make payment to you within 30 calendar days after we get your request.
- **If our answer is no to part or all of what you asked for,** we'll send you a written statement that explains why we said no. We'll also tell you how you can appeal.

Step 4: If we say no to your appeal, you decide if you want to continue with the appeals process and make another appeal.

- If you decide to make another appeal, it means your appeal is going on to Level 2 of the appeals process.

Legal Term

The formal name for the independent review organization is the **Independent Review Entity**. It is sometimes called the **IRE**.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

The **independent review organization is an independent organization hired by Medicare**. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work.

Step 1: You (or your representative or your doctor or other prescriber) must contact the independent review organization and ask for a review of your case.

- If we say no to your Level 1 appeal, the written notice we send you'll include **instructions on how to make a Level 2 appeal** with the independent review organization. These instructions will tell who can make this Level 2 appeal, what deadlines you must follow, and how to reach the independent review organization.
- **You must make your appeal request within 65 calendar days** from the date on the written notice.
- If we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding **at-risk** determination under our drug management program, we'll automatically forward your request to the IRE.
- We'll send the information about your appeal to this organization. This information is called your **case file**. **You have the right to ask us for a copy of your case file.**
- You have a right to give the independent review organization additional information to support your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: The independent review organization reviews your appeal.

Reviewers at the independent review organization will take a careful look at all the information related to your appeal.

Deadlines for fast appeal

- If your health requires it, ask the independent review organization for a fast appeal.
- If the independent review organization agrees to give you a fast appeal, the independent review organization must give you an answer to your Level 2 appeal **within 72 hours** after it gets your appeal request.

Deadlines for standard appeal

- For standard appeals, the independent review organization must give you an answer to your Level 2 appeal **within 7 calendar days** after it gets your appeal if it is for a drug you didn't get yet. If you're asking us to pay you back for a drug you have already bought, the independent review organization must give you an answer to your Level 2 appeal **within 14 calendar days** after it gets your request.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 3: The independent review organization gives you its answer.

For fast appeals:

- **If the independent review organization says yes to part or all of what you asked for, we must provide the drug coverage that was approved by the independent review organization **within 24 hours** after we get the decision from the independent review organization.**

For standard appeals:

- **If the independent review organization says yes to part or all of your request for coverage, we must provide the drug coverage that was approved by the independent review organization **within 72 hours** after we get the decision from the independent review organization.**
- **If the independent review organization says yes to part or all of your request to pay you back for a drug you already bought, we're required to **send payment to you within 30 calendar days** after we get the decision from the independent review organization.**

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

What if the independent review organization says no to your appeal?

If the independent organization says no to part or all of your appeal, it means they agree with our decision not to approve your request (or part of your request). (This is called **upholding the decision** or **turning down your appeal**.) In this case, the independent review organization will send you a letter that:

- Explains the decision.
- Lets you know about your right to a Level 3 appeal if the dollar value of the drug coverage you're asking for meets a certain minimum. If the dollar value of the drug coverage you're asking for is too low, you can't make another appeal and the decision at Level 2 is final.
- Tells you the dollar value that must be in dispute to continue with the appeals process.

Step 4: If your case meets the requirements, you choose whether you want to take your appeal further.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal).
- If you want to go on to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about the process for Level 3, 4, and 5 appeals.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**SECTION 8 How to ask us to cover a longer
inpatient hospital stay if you think
you're being discharged too soon**

When you're admitted to a hospital, you have the right to get all covered hospital services necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day you leave the hospital. They'll help arrange for care you may need after you leave.

- The day you leave the hospital is called your **discharge date**.
- When your discharge date is decided, your doctor or the hospital staff will tell you.
- If you think you're being asked to leave the hospital too soon, you can ask for a longer hospital stay and your request will be considered.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Section 8.1 During your inpatient hospital stay,
you'll get a written notice from Medicare
that tells you about your rights**

Within 2 calendar days of being admitted to the hospital, you'll be given a written notice called *An Important Message from Medicare about Your Rights*. Everyone with Medicare gets a copy of this notice. If you don't get the notice from someone at the hospital (for example, a caseworker or nurse), ask any hospital employee for it. If you need help, call Member Services at 1-877-891-6447 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048).

1. Read this notice carefully and ask questions if you don't understand it. It tells you:

- Your right to get Medicare-covered services during and after your hospital stay, as ordered by your doctor. This includes the right to know what these services are, who will pay for them, and where you can get them.
- Your right to be involved in any decisions about your hospital stay.
- Where to report any concerns you have about the quality of your hospital care.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- Your right to **ask for an immediate review** of the decision to discharge you if you think you're being discharged from the hospital too soon. This is a formal, legal way to ask for a delay in your discharge date so that we'll cover your hospital care for a longer time.

2. You'll be asked to sign the written notice to show that you got it and understand your rights.

- You or someone who is acting on your behalf will be asked to sign the notice.
- Signing the notice shows *only* that you got the information about your rights. The notice doesn't give your discharge date. Signing the notice ***doesn't mean*** you're agreeing on a discharge date.

3. Keep your copy of the notice so you have the information about making an appeal (or reporting a concern about quality of care) if you need it.

- If you sign the notice more than 2 calendar days before your discharge date, you'll get another copy before you're scheduled to be discharged.
- To look at a copy of this notice in advance, call Member Services at 1-877-891-6447 (TTY users call 711) or 1-800 MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. You can also get the notice online at www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Section 8.2 How to make a Level 1 appeal to change your hospital discharge date

To ask us to cover inpatient hospital services for a longer time, use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call Member Services at 1-877-891-6447 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP), for personalized help. The Office for the Aging's Health Insurance Information, Counseling and Assistance Program (HIICAP) 1-212-602-4180 Inside the boroughs 1-800-701-0501 Outside of boroughs. SHIP contact information is available in Chapter 2, Section 3.

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It checks to see if your planned discharge date is medically appropriate for you. The **Quality Improvement Organization** is a group of doctors and other health care professionals paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing hospital discharge dates for people with Medicare. These experts aren't part of our plan.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 1: Contact the Quality Improvement Organization for your state and ask for an immediate review of your hospital discharge. You must act quickly.

How can you contact this organization?

- The written notice you got (*An Important Message from Medicare About Your Rights*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- To make your appeal, you must contact the Quality Improvement Organization *before* you leave the hospital and **no later than midnight the day of your discharge**.
 - **If you meet this deadline**, you can stay in the hospital *after* your discharge date *without paying for it* while you wait to get the decision from the Quality Improvement Organization.
 - **If you don't meet this deadline, contact us.** If you decide to stay in the hospital after your planned discharge date, *you may have to pay all the costs* for hospital care you get after your planned discharge date.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Once you ask for an immediate review of your hospital discharge the Quality Improvement Organization will contact us. By noon of the day after we're contacted, we'll give you a **Detailed Notice of Discharge**. This notice gives your planned discharge date and explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

You can get a sample of the **Detailed Notice of Discharge** by calling Member Services at 1-877-891-6447 (TTY users call 711) or 1-800-MEDICARE (1-800-633-4227). (TTY users call 1-877-486-2048.) Or you can get a sample notice online at www.CMS.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

Step 2: The Quality Improvement Organization conducts an independent review of your case.

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you (or your representative) why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The reviewers will also look at your medical information, talk with your doctor, and review information that we and the hospital gave them.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- By noon of the day after the reviewers told us of your appeal, you'll get a written notice from us that gives your planned discharge date. This notice also explains in detail the reasons why your doctor, the hospital, and we think it is right (medically appropriate) for you to be discharged on that date.

Step 3: Within one full day after it has all the needed information, the Quality Improvement Organization will give you its answer to your appeal.

What happens if the answer is yes?

- If the independent review organization says yes, **we must keep providing your covered inpatient hospital services for as long as these services are medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments, if these apply). In addition, there may be limitations on your covered hospital services.

What happens if the answer is no?

- If the independent review organization says no, they're saying that your planned discharge date is medically appropriate. If this happens, **our coverage for your inpatient hospital services will end** at noon on the day **after** the Quality Improvement Organization gives you its answer to your appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If the independent review organization says no to your appeal and you decide to stay in the hospital, **you may have to pay the full cost** of hospital care you get after noon on the day after the Quality Improvement Organization gives you its answer to your appeal.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If the Quality Improvement Organization said *no* to your appeal, *and* you stay in the hospital after your planned discharge date, you can make another appeal. Making another appeal means you're going to **Level 2** of the appeals process.

Section 8.3 How to make a Level 2 appeal to change your hospital discharge date

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at its decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your stay after your planned discharge date.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 1: Contact the Quality Improvement Organization again and ask for another review.

- You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said no to your Level 1 appeal. You can ask for this review only if you stay in the hospital after the date your coverage for the care ended.

Step 2: The Quality Improvement Organization does a second review of your situation.

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

Step 3: Within 14 calendar days of receipt of your request for a Level 2 appeal, the reviewers will decide on your appeal and tell you it's decision.

If the independent review organization says yes:

- **We must reimburse you** for our share of the costs of hospital care you got since noon on the day after the date your first appeal was turned down by the Quality Improvement Organization. **We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.**
- You must continue to pay your share of the costs and coverage limitations may apply.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

If the independent review organization says no:

- It means they agree with the decision they made on your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process.

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further by going to Level 3.

- There are 3 additional levels in the appeals process after Level 2 (for a total of 5 levels of appeal). If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. **Section 10** talks more about Levels 3, 4, and 5 of the appeals process.

SECTION 9 How to ask us to keep covering certain medical services if you think your coverage is ending too soon

When you're getting covered **home health services, skilled nursing care, or rehabilitation care (Comprehensive Outpatient Rehabilitation Facility)**, you have the right to keep getting your services for that type of care for as long as the care is needed to diagnose and treat your illness or injury.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

When we decide it is time to stop covering any of the 3 types of care for you, we're required to tell you in advance. When your coverage for that care ends, *we'll stop paying for your care.*

If you think we're ending the coverage of your care too soon, **you can appeal our decision.** This section tells you how to ask for an appeal.

Section 9.1 We'll tell you in advance when your coverage will be ending

Legal Term:

Notice of Medicare Non-Coverage. It tells you how you can ask for a **fast-track appeal.** Asking for a fast-track appeal is a formal, legal way to ask for a change to our coverage decision about when to stop your care.

1. You get a notice in writing at least 2 calendar days before our plan is going to stop covering your care. The notice tells you:

- The date when we'll stop covering the care for you.
- How to ask for a fast-track appeal to ask us to keep covering your care for a longer period of time.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

2. You, or someone who is acting on your behalf, will be asked to sign the written notice to show that you got it. Signing the notice shows *only* that you got the information about when your coverage will stop. **Signing it *doesn't* mean you agree with our plan's decision to stop care.**

Section 9.2 How to make a Level 1 appeal to have our plan cover your care for a longer time

If you want to ask us to cover your care for a longer period of time, you'll need to use the appeals process to make this request. Before you start, understand what you need to do and what the deadlines are.

- **Follow the process**
- **Meet the deadlines**
- **Ask for help if you need it.** If you have questions or need help, call Member Services at 1-877-891-6447 (TTY users call 711). Or call your State Health Insurance Assistance Program (SHIP) for personalized help. The Office for the Aging's Health Insurance Information, Counseling and Assistance Program (HIICAP) 1-212-602-4180 Inside the boroughs 1-800-701-0501 Outside of boroughs SHIP contact information is available in Chapter 2, Section 3.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

During a Level 1 appeal, the Quality Improvement Organization reviews your appeal. It decides if the end date for your care is medically appropriate. The **Quality Improvement Organization** is a group of doctors and other health care experts paid by the federal government to check on and help improve the quality of care for people with Medicare. This includes reviewing plan decisions about when it's time to stop covering certain kinds of medical care. These experts aren't part of our plan.

Step 1: Make your Level 1 appeal: contact the Quality Improvement Organization and ask for a *fast-track appeal*. You must act quickly.

How can you contact this organization?

- The written notice you got (*Notice of Medicare Non-Coverage*) tells you how to reach this organization. Or find the name, address, and phone number of the Quality Improvement Organization for your state in Chapter 2.

Act quickly:

- You must contact the Quality Improvement Organization to start your appeal **by noon of the day before the effective date** on the Notice of Medicare Non-Coverage.
- If you miss the deadline, and you want to file an appeal, you still have appeal rights. Contact your Quality Improvement Organization.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 2: The Quality Improvement Organization conducts an independent review of your case.

Legal Term:

Detailed Explanation of Non-Coverage. Notice that gives details on reasons for ending coverage.

What happens during this review?

- Health professionals at the Quality Improvement Organization (the reviewers) will ask you, or your representative, why you believe coverage for the services should continue. You don't have to prepare anything in writing, but you can if you want to.
- The independent review organization will also look at your medical information, talk with your doctor, and review information our plan gives them.
- By the end of the day the reviewers told us of your appeal, you'll get the *Detailed Explanation of Non-Coverage* from us that explains in detail our reasons for ending our coverage for your services.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 3: Within one full day after they have all the information they need; the reviewers will tell you its decision.

What happens if the reviewers say yes?

- If the reviewers say yes to your appeal, then **we must keep providing your covered service for as long as it's medically necessary.**
- You'll have to keep paying your share of the costs (such as deductibles or copayments if these apply). There may be limitations on your covered services.

What happens if the reviewers say no?

- If the reviewers say no, then **your coverage will end on the date we told you.**
- If you decide to keep getting the home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services **after** this date when your coverage ends, **you'll have to pay the full cost** of this care yourself.

Step 4: If the answer to your Level 1 appeal is no, you decide if you want to make another appeal.

- If reviewers say no to your Level 1 appeal - and you choose to continue getting care after your coverage for the care has ended, then you can make a Level 2 appeal.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Section 9.3 How to make a Level 2 appeal to have
our plan cover your care for a
longer time**

During a Level 2 appeal, you ask the Quality Improvement Organization to take another look at the decision on your first appeal. If the Quality Improvement Organization turns down your Level 2 appeal, you may have to pay the full cost for your home health care, or skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services *after* the date when we said your coverage would end.

**Step 1: Contact the Quality Improvement Organization
again and ask for another review.**

- You must ask for this review **within 60 calendar days** after the day when the Quality Improvement Organization said *no* to your Level 1 appeal. You can ask for this review only if you continued getting care after the date your coverage for the care ended.

**Step 2: The Quality Improvement Organization does a
second review of your situation.**

- Reviewers at the Quality Improvement Organization will take another careful look at all the information related to your appeal.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Step 3: Within 14 calendar days of receipt of your appeal request, reviewers will decide on your appeal and tell you its decision.

What happens if the independent review organization says yes?

- **We must reimburse you** for our share of the costs of care you got since the date when we said your coverage would end. **We must continue providing coverage** for the care for as long as it's medically necessary.
- You must continue to pay your share of the costs and there may be coverage limitations that apply.

What happens if the independent review organization says no?

- It means they agree with the decision made to your Level 1 appeal.
- The notice you get will tell you in writing what you can do if you want to continue with the review process. It will give you details about how to go to the next level of appeal, which is handled by an Administrative Law Judge or attorney adjudicator.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 4: If the answer is no, you'll need to decide whether you want to take your appeal further.

- There are 3 additional levels of appeal after Level 2, for a total of 5 levels of appeal. If you want to go to a Level 3 appeal, the details on how to do this are in the written notice you get after your Level 2 appeal decision.
- The Level 3 appeal is handled by an Administrative Law Judge or attorney adjudicator. Section 10 of this chapter tells more about the process for Level 3, 4, and 5 appeals.

SECTION 10 Taking your appeal to Levels 3, 4 and 5

Section 10.1 Appeal Levels 3, 4 and 5 for Medical Service Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the dollar value of the item or medical service you appealed meets certain minimum levels, you may be able to go on to additional levels of appeal. If the dollar value is less than the minimum level, you can't appeal any further. The written response you get to your Level 2 appeal will explain how to make a Level 3 appeal.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An **Administrative Law Judge** or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the Administrative Law Judge or attorney adjudicator says yes to your appeal, the appeals process *may or may not* be over.** Unlike a decision at a Level 2 appeal, we have the right to appeal a Level 3 decision that's favorable to you. If we decide to appeal, it will go to a Level 4 appeal.
 - If we decide *not* to appeal, we must authorize or provide you with the medical care within 60 calendar days after we get the Administrative Law Judge's or attorney adjudicator's decision.
 - If we decide to appeal the decision, we'll send you a copy of the Level 4 appeal request with any accompanying documents. We may wait for the Level 4 appeal decision before authorizing or providing the medical care in dispute.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process *may* or *may not* be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, or if the Council denies our request to review a favorable Level 3 appeal decision, the appeals process *may* or *may not* be over.** Unlike a decision at Level 2, we have the right to appeal a Level 4 decision that is favorable to you. We'll decide whether to appeal this decision to Level 5.
 - If we decide *not* to appeal the decision, we must authorize or provide you with the medical care within 60 calendar days after getting the Council's decision.
 - If we decide to appeal the decision, we'll let you know in writing.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the answer is no or if the Council denies the review request, the appeals process *may* or *may not* be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Section 10.2 Additional Medicaid appeals

You also have other appeal rights if your appeal is about services or items that Medicaid usually covers. The letter you get from the Fair Hearing office will tell you what to do if you want to continue the appeals process.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Section 10.3 Appeal Levels 3, 4 and 5 for Part D Drug Requests

This section may be right for you if you made a Level 1 appeal and a Level 2 appeal, and both of your appeals were turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go to additional levels of appeal. If the dollar amount is less, you can't appeal any further. The written response you get to your Level 2 appeal will explain who to contact and what to do to ask for a Level 3 appeal.

For most situations that involve appeals, the last 3 levels of appeal work in much the same way as the first 2 levels. Here's who handles the review of your appeal at each of these levels.

Level 3 appeal

An Administrative Law Judge or an attorney adjudicator who works for the federal government will review your appeal and give you an answer.

- **If the answer is yes, the appeals process is over. We must authorize or provide the drug coverage that was approved by the Administrative Law Judge or attorney adjudicator within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days after we get the decision.**

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- **If the Administrative Law Judge or attorney adjudicator says no to your appeal, the appeals process may or may not be over.**
 - If you decide to accept this decision that turns down your appeal, the appeals process is over.
 - If you don't want to accept the decision, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 appeal.

Level 4 appeal

The **Medicare Appeals Council** (Council) will review your appeal and give you an answer. The Council is part of the federal government.

- **If the answer is yes, the appeals process is over. We must authorize or provide the drug coverage that was approved by the Council within 72 hours (24 hours for expedited appeals) or make payment no later than 30 calendar days after we get the decision.**
- **If the answer is no or if the Council denies the review request, the appeals process *may or may not* be over.**
 - If you decide to accept the decision that turns down your appeal, the appeals process is over.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

- If you don't want to accept the decision, you may be able to continue to the next level of the review process. If the Council says no to your appeal, the notice you get will tell you whether the rules allow you to go to a Level 5 appeal and how to continue with a Level 5 appeal.

Level 5 appeal

A judge at the **Federal District Court** will review your appeal.

- A judge will review all the information and decide *yes* or *no* to your request. This is a final answer. There are no more appeal levels after the Federal District Court.

Making complaints

SECTION 11 How to make a complaint about quality of care, waiting times, customer service, or other concerns

Section 11.1 What kinds of problems are handled by the complaint process

The complaint process is *only* used for certain types of problems. This includes problems about quality of care, waiting times, and customer service. Here are examples of the kinds of problems handled by the complaint process.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

Complaint	Example
Quality of your medical care	<ul style="list-style-type: none">• Are you unhappy with the quality of the care you got (including care in the hospital)?

Section 11.2 How to make a complaint

Legal Terms:

A **complaint** is also called a **grievance**.

Making a complaint is called **filing a grievance**.

Using the process for complaints is called **using the process for filing a grievance**.

A **fast complaint** is called an **expedited grievance**.

Step 1: Contact us promptly – either by phone or in writing.

- **Calling Member Services at 1-877-891-6447 (TTY users call 711) is usually the first step.** If there's anything else you need to do, Member Services will let you know.
- **If you don't want to call (or you called and weren't satisfied), you can put your complaint in writing and send it to us.** If you put your complaint in writing, we'll respond to your complaint in writing.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

- Our plan accepts grievances orally or in writing. Once we receive your grievance, we will look into your concerns, including obtaining any additional information necessary to fully review your grievance. In some circumstances, you may want to file a fast (“expedited”) grievance. The circumstances when you may want to file a fast grievance are when you want to complain about one of the following:
 - We extend the time to make a decision on your request for services or appeal; or
 - If you are making a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we will automatically give you a “fast” complaint, (for Part D only) you have not yet obtained the drug. If you have a “fast” complaint, it means we will give you an answer within 24 hours.
- **Whether you call or write, you should call Member Services at 1-877-891-6447 (TTY users call 711) right away.** You can make the complaint at any time after you had the problem you want to complain about.

Chapter 9 If you have a problem or complaint (coverage decisions, appeals, complaints)

Step 2: We look into your complaint and give you our answer.

- **If possible, we'll answer you right away.** If you call us with a complaint, we may be able to give you an answer on the same phone call.
- **Most complaints are answered within 30 calendar days.** If we need more information and the delay is in your best interest or if you ask for more time, we can take up to 14 more calendar days (44 calendar days total) to answer your complaint. If we decide to take extra days, we'll tell you in writing.
- **If you're making a complaint because we denied your request for a fast coverage decision or a fast appeal, we'll automatically give you a fast complaint.** If you have a fast complaint, it means we'll give you **an answer within 24 hours.**
- **If we don't agree** with some or all of your complaint or don't take responsibility for the problem you're complaining about, we'll include our reasons in our response to you.

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Section 11.3 You can also make complaints about
quality of care to the Quality
Improvement Organization**

When your complaint is about *quality of care*, you also have
2 extra options:

- **You can make your complaint directly to the Quality Improvement Organization.** The Quality Improvement Organization is a group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients. Chapter 2 has contact information.

Or

- **You can make your complaint to both the Quality Improvement Organization and us at the same time.**

**Chapter 9 If you have a problem or complaint
(coverage decisions, appeals, complaints)**

**Section 11.4 You can also tell Medicare and Medicaid
about your complaint**

You can submit a complaint about Elderplan Plus Long-Term Care (HMO-POS D-SNP) directly to Medicare. To submit a complaint to Medicare, go to www.Medicare.gov/my/medicare-complaint. You can also call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users call 1-877-486-2048.

You also have a right to contact the New York State Department of Health about your complaint. Contact the Department of Health by:

- Phone: 1-866-712-7197
- Mail: New York State Department of Health
Bureau of Managed Long Term Care
Technical Assistance Center
99 Washington Ave/ One Commerce Plaza 16th Fl
Albany, NY 12210
- E-mail: mltctac@health.ny.gov

CHAPTER 10: Ending membership in our plan

SECTION 1 Ending your membership in our plan

Ending your membership in Elderplan Plus Long-Term Care (HMO-POS D-SNP) may be **voluntary** (your own choice) or **involuntary** (not your own choice):

- You might leave our plan because you decide you *want* to leave. Sections 2 and 3 give information on ending your membership voluntarily.
- There are also limited situations where we're required to end your membership. Section 5 tells you about situations when we must end your membership.

If you're leaving our plan, our plan must continue to provide your medical care and prescription drugs, and you'll continue to pay your cost share until your membership ends.

Chapter 10 Ending your membership in our plan

SECTION 2 When can you end your membership in our plan?

Section 2.1 You may be able to end your membership because you have Medicare and Medicaid

Most people with Medicare can end their membership only during certain times of the year. Because you have Medicaid, you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare *with* a separate Medicare prescription drug plan,
- Original Medicare *without* a separate Medicare prescription drug plan (If you choose this option and receive Extra Help, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for a continuous period of 63 days or more, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

Chapter 10 Ending your membership in our plan

- Call your State Medicaid Office at New York State Medicaid Program 8 a.m. to 8 p.m., Monday through Friday, Saturday 9:00AM-1:00PM at 1-800-541-2831 to learn about your Medicaid plan options.
- Other Medicare health plan options are available during the **Open Enrollment Period**. Section 2.2 tells you more about the Open Enrollment Period.
- **Your membership will usually end on the first day of the month after we get your request to change your plans.** Your enrollment in your new plan will also begin on this day.

Section 2.2 You can end your membership during the Open Enrollment Period

You can end your membership during the **Open Enrollment Period** each year. During this time, review your health and drug coverage and decide about coverage for the upcoming year.

- The **Open Enrollment Period** is from **October 15 to December 7**.
- **Choose to keep your current coverage or make changes to your coverage for the upcoming year.** If you decide to change to a new plan, you can choose any of the following types of plans:
 - Another Medicare health plan, with or without drug coverage.
 - Original Medicare *with* a separate Medicare drug plan

Chapter 10 Ending your membership in our plan

- Original Medicare *without* a separate Medicare drug plan.
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.
- **Your membership will end in our plan** when your new plan's coverage begins on January 1.

You get Extra Help from Medicare to pay for your prescription drugs: If you switch to Original Medicare and don't enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan, unless you've opted out of automatic enrollment.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

Section 2.3 You can end your membership during the Medicare Advantage Open Enrollment Period

You can make *one* change to your health coverage during the **Medicare Advantage Open Enrollment Period** each year.

- **The Medicare Advantage Open Enrollment Period** is from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in an MA plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement.

Chapter 10 Ending your membership in our plan

- **During the Medicare Advantage Open Enrollment Period** you can:
 - Switch to another Medicare Advantage Plan with or without drug coverage.
 - Disenroll from our plan and get coverage through Original Medicare. If you switch to Original Medicare during this period, you can also join a separate Medicare drug plan at the same time.
- **Your membership will end** on the first day of the month after you enroll in a different Medicare Advantage plan, or we get your request to switch to Original Medicare. If you also choose to enroll in a Medicare drug plan, your membership in the drug plan will start the first day of the month after the drug plan gets your enrollment request.

Section 2.4 In certain situations, you can end your membership during a Special Enrollment Period

In certain situations, you may be eligible to end your membership at other times of the year. This is known as a **Special Enrollment Period**.

You may be eligible to end your membership during a Special Enrollment Period if any of the following situations apply to you. These are just examples. For the full list you can contact our plan, call Medicare, or visit www.Medicare.gov.

Chapter 10 Ending your membership in our plan

- Usually, when you move
- If you have Medicaid
- If you're eligible for Extra Help paying for your Medicare drug coverage
- If we violate our contract with you
- If you're getting care in an institution, such as a nursing home or long-term care (LTC) hospital
- If you enroll in the Program of All-inclusive Care for the Elderly (PACE)
- **Note:** If you're in a drug management program, you may only be eligible for certain Special Enrollment Periods. Chapter 5, Section 10 tells you more about drug management programs.
- **Note:** Section 2.1 tells you more about the special enrollment period for people with Medicaid.

Enrollment time periods vary depending on your situation.

To find out if you're eligible for a Special Enrollment Period, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048. If you're eligible to end your membership because of a special situation, you can choose to change both your Medicare health coverage and drug coverage. You can choose:

- Another Medicare health plan with or without drug coverage,
- Original Medicare *with* a separate Medicare drug plan,

Chapter 10 Ending your membership in our plan

- Original Medicare *without* a separate Medicare drug plan.
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

Note: If you disenroll from Medicare drug coverage, no longer receive Extra Help, and go without creditable drug coverage for 63 days or more in a row, you may have to pay a Part D late enrollment penalty if you join a Medicare drug plan later.

If you get Extra Help from Medicare to pay for your drug coverage drugs: If you switch to Original Medicare and don't enroll in a separate Medicare drug plan, Medicare may enroll you in a drug plan, unless you opt out of automatic enrollment.

Your membership will usually end on the first day of the month after your request to change our plan.

Note: Sections 2.1 and 2.2 tell you more about the special enrollment period for people with Medicaid and Extra Help.

Section 2.5 Get more information about when you can end your membership

If you have questions about ending your membership you can:

- **Call Member Services at 1-877-891-6447 (TTY users call 711)**
- Find the information in the *Medicare & You 2026* handbook
- Call **Medicare** at 1-800-MEDICARE (1-800-633-4227) (TTY users call 1-877-486-2048)

Chapter 10 Ending your membership in our plan

SECTION 4 Until your membership ends, you must keep getting your medical items, services and drugs through our plan

Until your membership ends, and your new Medicare and Medicaid coverage starts, you must continue to get your medical items, services and prescription drugs through our plan.

- **Continue to use our network providers to get medical care.**
- **Continue to use our network pharmacies or mail order to get your prescriptions filled.**
- **If you're hospitalized on the day your membership ends, your hospital stay will be covered by our plan until you're discharged** (even if you're discharged after your new health coverage starts).

SECTION 5 Elderplan Plus Long-Term Care (HMO-POS D-SNP) must end our plan membership in certain situations

Elderplan Plus Long-Term Care (HMO-POS D-SNP) must end your membership in our plan if any of the following happen:

- If you no longer have Medicare Part A and Part B
- If you're no longer eligible for Medicaid. As stated in Chapter 1, Section 2.1, our plan is for people who are eligible for both Medicare and Medicaid.

Chapter 10 Ending your membership in our plan

- If we find that you no longer have Medicaid we will send you a Disenrollment Notice due to loss of Medicaid. The notice will be sent within 10 calendars of Elderplan learning of the loss of Medicaid.
- You will continue to be deemed eligible for the Elderplan Plus Long-Term Care (HMO-POS D-SNP) plan for a period of 90 calendars days (from the date you lost Medicaid).
- At the end of the 90 days, if you have not reestablished your Medicaid, we will disenroll you from Elderplan Plus Long-Term Care (HMO-POS D-SNP) plan.
- If you move out of our service area
- If you're away from our service area for more than 6 months.
 - If you move or take a long trip, call Member Services at 1-877-891-6447 (TTY users call 711) to find out if the place you're moving or traveling to is in our plan's area.
 - NOTE: If you are away from our service area for more than 30 consecutive days, you may be at risk of losing your Medicaid benefits of Elderplan Plus Long-Term Care (HMO-POS D-SNP).
- If you become incarcerated (go to prison)
- If you're no longer a United States citizen or lawfully present in the United States

Chapter 10 Ending your membership in our plan

- If you lie or withhold information about other insurance, you have that provides drug coverage
- If you intentionally give us incorrect information when you're enrolling in our plan and that information affects your eligibility for our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you continuously behave in a way that's disruptive and makes it difficult for us to provide medical care for you and other members of our plan. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
- If you let someone else use your membership card to get medical care. (We can't make you leave our plan for this reason unless we get permission from Medicare first.)
 - If we end your membership because of this reason, Medicare may have your case investigated by the Inspector General.

If you have questions or want more information on when we can end your membership, call Member Services at 1-877-891-6447 (TTY users call 711).

Chapter 10 Ending your membership in our plan

Section 5.1 We can't ask you to leave our plan for any health-related reason

Elderplan Plus Long-Term Care (HMO-POS D-SNP) isn't allowed to ask you to leave our plan for any health-related reason.

What should you do if this happens?

If you feel you're being asked to leave our plan because of a health-related reason, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

Section 5.2 You have the right to make a complaint if we end your membership in our plan

If we end your membership in our plan, we must tell you our reasons in writing for ending your membership. We must also explain how you can file a grievance or make a complaint about our decision to end your membership.

Chapter 11 Legal notices

CHAPTER 11: Legal notices

SECTION 1 Notice about governing law

The principal law that applies to this *Evidence of Coverage* document is Title XVIII of the Social Security Act and the regulations created under the Social Security Act by the Centers for Medicare & Medicaid Services (CMS). In addition, other federal laws may apply and, under certain circumstances, the laws of the state you live in. This may affect your rights and responsibilities even if the laws aren't included or explained in this document.

SECTION 2 Notice about nondiscrimination

Our plan must obey laws that protect you from discrimination or unfair treatment. **We don't discriminate** based on race, ethnicity, national origin, color, religion, sex, age, mental or physical disability, health status, claims experience, medical history, genetic information, evidence of insurability, or geographic location within the service area. All organizations that provide Medicare Advantage plans, like our plan, must obey federal laws against discrimination, including Title VI of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act, Section 1557 of the Affordable Care Act, all other laws that apply to organizations that get federal funding, and any other laws and rules that apply for any other reason.

Chapter 11 Legal notices

If you want more information or have concerns about discrimination or unfair treatment, call the Department of Health and Human Services' **Office for Civil Rights** at 1-800-368-1019 (TTY 1-800-537-7697) or your local Office for Civil Rights. You can also review information from the Department of Health and Human Services' Office for Civil Rights at www.HHS.gov/ocr/index.html.

If you have a disability and need help with access to care, call Member Services 1-877-891-6447 (TTY users call 711). If you have a complaint, such as a problem with wheelchair access, Member Services can help.

SECTION 3 Notice about Medicare Secondary Payer subrogation rights

We have the right and responsibility to collect for covered Medicare services for which Medicare isn't the primary payer. According to CMS regulations at 42 CFR sections 422.108 and 423.462, Elderplan Plus Long-Term Care (HMO-POS D-SNP), as a Medicare Advantage Organization, will exercise the same rights of recovery that the Secretary exercises under CMS regulations in subparts B through D of part 411 of 42 CFR and the rules established in this section supersede any state laws.

Chapter 11 Legal notices

**SECTION 4 Notice about Limited Right of
Subrogation**

Under federal law, Elderplan retains a limited right of subrogation under this contract. This means that if (1) you are injured by the actions or inactions of a third party (that is, a person who or company which is not a party to the contract), (2) you sue and (3) you receive the money from that party (or the third party's insurance company) in settlement of your suit or because you won the lawsuit in court or in arbitration or in an alternative form of dispute resolution, then Elderplan is entitled to recover the amount, it paid for your medical care, including, but not limited to, hospital expenses, doctors' fees, nurses' charges, home health services, tests, medications and other related expenses. You agree to notify Elderplan if you sue any third party for an injury. Elderplan retains the right to file a lien against you to recover the costs of related medical expenses incurred by Elderplan from any money you may receive from the third party that you sue. Whether or not Elderplan files such a lien, you agree to reimburse Elderplan, from any money you receive from the third party, for the cost of medical care and services provided to you related to the injury.

CHAPTER 12: Definitions

Ambulatory Surgical Center – An Ambulatory Surgical Center is an entity that operates exclusively for the purpose of furnishing outpatient surgical services to patients not requiring hospitalization and whose expected stay in the center doesn't exceed 24 hours.

Appeal – An appeal is something you do if you disagree with our decision to deny a request for coverage of health care services or prescription drugs or payment for services or drugs you already got. You may also make an appeal if you disagree with our decision to stop services that you're getting.

Benefit Period – The way that both our plan and Original Medicare measures your use of hospital and skilled nursing facility (SNF) services. A benefit period begins the day you go into a hospital or skilled nursing facility. The benefit period ends when you haven't received any inpatient hospital care (or skilled care in a SNF) for 60 days in a row. If you go into a hospital or a skilled nursing facility after one benefit period has ended, a new benefit period begins. There's no limit to the number of benefit periods.

Chapter 12 Definitions

Biological Product – A prescription drug that’s made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can’t be copied exactly, so alternative forms are called biosimilars. (go to “**Original Biological Product**” and “**Biosimilar**”).

Biosimilar – A biological product that’s very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription (go to “**Interchangeable Biosimilar**”).

Brand Name Drug – A prescription drug that’s manufactured and sold by the pharmaceutical company that originally researched and developed the drug. Brand name drugs have the same active-ingredient formula as the generic version of the drug. However, generic drugs are manufactured and sold by other drug manufacturers and are generally not available until after the patent on the brand name drug has expired.

Catastrophic Coverage Stage – The stage in the Part D Drug Benefit that begins when you (or other qualified parties on your behalf) have spent \$2,100 for Part D covered drugs during the covered year. During this payment stage, our plan pays the full cost for your covered Part D drugs.

Centers for Medicare & Medicaid Services (CMS) – The federal agency that administers Medicare.

Chapter 12 Definitions

Chronic-Care Special Needs Plan (C-SNP) – C-SNPs are SNPs that restrict enrollment to MA eligible people who have specific severe and chronic diseases.

Coinsurance – An amount you may be required to pay, expressed as a percentage (for example 20%) as your share of the cost for services or prescription drugs.

Complaint — The formal name for making a complaint is **filing a grievance**. The complaint process is used *only* for certain types of problems. This includes problems about quality of care, waiting times, and the customer service you get. It also includes complaints if our plan doesn't follow the time periods in the appeal process.

Comprehensive Outpatient Rehabilitation Facility (CORF) – A facility that mainly provides rehabilitation services after an illness or injury, including physical therapy, social or psychological services, respiratory therapy, occupational therapy and speech-language pathology services, and home environment evaluation services.

Copayment (or copay) – An amount you may be required to pay as your share of the cost for a medical service or supply, like a doctor's visit, hospital outpatient visit, or a prescription drug. A copayment is a set amount (for example \$10), rather than a percentage.

Chapter 12 Definitions

Cost Sharing – Cost sharing refers to amounts that a member has to pay when services or drugs are gotten. Cost sharing includes any combination of the following 3 types of payments: (1) any deductible amount a plan may impose before services or drugs are covered; (2) any fixed copayment amount that a plan requires when a specific service or drug is received; or (3) any coinsurance amount, a percentage of the total amount paid for a service or drug that a plan requires when a specific service or drug is received.

Coverage Determination – A decision about whether a drug prescribed for you is covered by our plan and the amount, if any, you're required to pay for the prescription. In general, if you bring your prescription to a pharmacy and the pharmacy tells you the prescription isn't covered under our plan, that isn't a coverage determination. You need to call or write to our plan to ask for a formal decision about the coverage. Coverage determinations are called **coverage decisions** in this document.

Covered Drugs – The term we use to mean all the drugs covered by our plan.

Covered Services – The term we use to mean all the health care services and supplies that are covered by our plan.

Chapter 12 Definitions

Creditable Prescription Drug Coverage – Prescription drug coverage (for example, from an employer or union) that's expected to pay, on average, at least as much as Medicare's standard prescription drug coverage. People who have this kind of coverage when they become eligible for Medicare can generally keep that coverage without paying a penalty if they decide to enroll in Medicare prescription drug coverage later.

Custodial Care – Custodial care is personal care provided in a nursing home, hospice, or other facility setting when you don't need skilled medical care or skilled nursing care. Custodial care, provided by people who don't have professional skills or training, includes help with activities of daily living like bathing, dressing, eating, getting in or out of a bed or chair, moving around, and using the bathroom. It may also include the kind of health-related care that most people do themselves, like using eye drops. Medicare doesn't pay for custodial care.

Daily cost-sharing rate – A daily cost-sharing rate may apply when your doctor prescribes less than a full month's supply of certain drugs for you and you're required to pay a copayment. A daily cost-sharing rate is the copayment divided by the number of days in a month's supply. Here is an example: If your copayment for a one-month supply of a drug is \$30, and a one-month's supply in our plan is 30 days, then your daily cost-sharing rate is \$1 per day.

Deductible – The amount you must pay for health care or prescriptions before our plan pays.

Chapter 12 Definitions

Disenroll or Disenrollment – The process of ending your membership in our plan.

Dispensing Fee – A fee charged each time a covered drug is dispensed to pay for the cost of filling a prescription, such as the pharmacist’s time to prepare and package the prescription.

Dual Eligible Special Needs Plans (D-SNP) – D-SNPs enroll people who are entitled to both Medicare (Title XVIII of the Social Security Act) and medical assistance from a state plan under Medicaid (Title XIX). States cover some or all Medicare costs, depending on the state and the person’s eligibility.

Dually Eligible Individual – A person who is eligible for Medicare and Medicaid coverage.

Durable Medical Equipment (DME) – Certain medical equipment that’s ordered by your doctor for medical reasons. Examples include walkers, wheelchairs, crutches, powered mattress systems, diabetic supplies, IV infusion pumps, speech generating devices, oxygen equipment, nebulizers, or hospital beds ordered by a provider for use in the home.

Chapter 12 Definitions

Emergency – A medical emergency is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life (and if you're a pregnant woman, loss of an unborn child), loss of a limb, or loss of function of a limb, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that's quickly getting worse.

Emergency Care – Covered services that are: 1) provided by a provider qualified to furnish emergency services; and 2) needed to treat, evaluate, or stabilize an emergency medical condition.

Evidence of Coverage (EOC) and Disclosure Information – This document, along with your enrollment form and any other attachments, riders, or other optional coverage selected, which explains your coverage, what we must do, your rights, and what you have to do as a member of our plan.

Exception – A type of coverage decision that, if approved, allows you to get a drug that isn't on our formulary (a formulary exception), or get a non-preferred drug at a lower cost-sharing level (a tiering exception). You may also ask for an exception if our plan requires you to try another drug before getting the drug you're asking for, if our plan requires a prior authorization for a drug and you want us to waive the criteria restriction, or if our plan limits the quantity or dosage of the drug you're asking for (a formulary exception).

Chapter 12 Definitions

Extra Help – A Medicare program to help people with limited income and resources pay Medicare prescription drug program costs, such as premiums, deductibles, and coinsurance.

Generic Drug – A prescription drug that's approved by the FDA as having the same active ingredient(s) as the brand name drug. Generally, a generic drug works the same as a brand name drug and usually costs less.

Home Health Aide – A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (e.g., bathing, using the toilet, dressing, or carrying out the prescribed exercises).

Hospice – A benefit that provides special treatment for a member who has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less. Our plan must provide you with a list of hospices in your geographic area. If you elect hospice and continue to pay premiums, you're still a member of our plan. You can still get all medically necessary services as well as the supplemental benefits we offer.

Hospital Inpatient Stay – A hospital stay when you have been formally admitted to the hospital for skilled medical services. Even if you stay in the hospital overnight, you might still be considered an outpatient.

Chapter 12 Definitions

Income Related Monthly Adjustment Amount (IRMAA) –If your modified adjusted gross income as reported on your IRS tax return from 2 years ago is above a certain amount, you’ll pay the standard premium amount and an Income Related Monthly Adjustment Amount, also known as IRMAA. IRMAA is an extra charge added to your premium. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

Initial Coverage Stage – This is the stage before your out-of-pocket costs for the year have reached the out-of-pocket threshold amount.

Initial Enrollment Period – When you’re first eligible for Medicare, the period of time when you can sign up for Medicare Part A and Part B. If you’re eligible for Medicare when you turn 65, your Initial Enrollment Period is the 7-month period that begins 3 months before the month you turn 65, includes the month you turn 65, and ends 3 months after the month you turn 65.

Integrated D-SNP – A D-SNP that covers Medicare and most or all Medicaid services under a single health plan for certain groups of people eligible for both Medicare and Medicaid. These people are also known as full-benefit dually eligible people.

Chapter 12 Definitions

Institutional Special Needs Plan (I-SNP) – I-SNPs restrict enrollment to MA eligible people who live in the community but need the level of care a facility offers, or who live (or are expected to live) for at least 90 days straight in certain long-term facilities. I-SNPs include the following types of plans: Institutional-equivalent SNPs (IE-SNPs) Hybrid Institutional SNPs (HI-SNPs), and Facility-based Institutional SNPs (FI-SNPs).

Institutional-Equivalent Special Needs Plan (IE-SNP) – An IE-SNP restricts enrollment to MA eligible people who live in the community but need the level of care a facility offers.

Integrated Grievance – A type of complaint you make about our plan, providers, or pharmacies, including a complaint concerning the quality of your care. This does not involve coverage or payment disputes.

Integrated Organization Determination – A decision our plan makes about whether items or services are covered or how much you have to pay for covered items or services. Organization determinations are called coverage decisions in this document.

Interchangeable Biosimilar – A biosimilar that may be used as a substitute for an original biosimilar product at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (formulary or Drug List) – A list of prescription drugs covered by our plan.

Chapter 12 Definitions

Low Income Subsidy (LIS) – Go to Extra Help.

Manufacturer Discount Program – A program under which drug manufacturers pay a portion of our plan’s full cost for covered Part D brand name drugs and biologics. Discounts are based on agreements between the federal government and drug manufacturers.

Maximum Fair Price – The price Medicare negotiated for a selected drug.

Maximum Out-of-Pocket Amount – The most that you pay out-of-pocket during the calendar year for covered Part A and Part B services. If you’re eligible for Medicare cost-sharing assistance under Medicaid, you aren’t responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. (**Note:** Because our members also get help from Medicaid, very few members ever reach this out-of-pocket maximum.)

Medicaid (or Medical Assistance) – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources. State Medicaid programs vary, but most health care costs are covered if you qualify for both Medicare and Medicaid.

Medically Accepted Indication – A use of a drug that’s either approved by the FDA or supported by certain references, such as the American Hospital Formulary Service Drug Information and the Micromedex DRUGDEX Information system.

Chapter 12 Definitions

Medically Necessary – Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Medicare – The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with End-Stage Renal Disease (generally those with permanent kidney failure who need dialysis or a kidney transplant).

Medicare Advantage Open Enrollment Period – The time period from January 1 to March 31 when members in a Medicare Advantage plan can cancel its plan enrollment and switch to another Medicare Advantage plan or get coverage through Original Medicare. If you choose to switch to Original Medicare during this period, you can also join a separate Medicare prescription drug plan at that time. The Medicare Advantage Open Enrollment Period is also available for a 3-month period after a person is first eligible for Medicare.

Chapter 12 Definitions

Medicare Advantage (MA) Plan – Sometimes called Medicare Part C. A plan offered by a private company that contracts with Medicare to provide you with all your Medicare Part A and Part B benefits. A Medicare Advantage Plan can be i) an HMO, ii) a PPO, iii) a Private Fee-for-Service (PFFS) plan, or iv) a Medicare Medical Savings Account (MSA) plan. Besides choosing from these types of plans, a Medicare Advantage HMO or PPO plan can also be a Special Needs Plan (SNP). In most cases, Medicare Advantage Plans also offer Medicare Part D (prescription drug coverage). These plans are called **Medicare Advantage Plans with Prescription Drug coverage**.

Medicare-Covered Services – Services covered by Medicare Part A and Part B. All Medicare health plans must cover all the services that are covered by Medicare Part A and B. The term Medicare-Covered Services doesn't include the extra benefits, such as vision, dental, or hearing, that a Medicare Advantage plan may offer.

Medicare Health Plan – A Medicare health plan is offered by a private company that contracts with Medicare to provide Part A and Part B benefits to people with Medicare who enroll in our plan. This term includes all Medicare Advantage Plans, Medicare Cost Plans, Special Needs Plans, Demonstration/Pilot Programs, and Programs of All-inclusive Care for the Elderly (PACE).

Medicare Drug coverage (Medicare Part D) – Insurance to help pay for outpatient prescription drugs, vaccines, biologicals, and some supplies not covered by Medicare Part A or Part B.

Chapter 12 Definitions

Medication Therapy Management (MTM) program – A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. MTM services usually include a discussion with a pharmacist or health care provider to review medications.

Medigap (Medicare Supplement Insurance) Policy – Medicare supplement insurance sold by private insurance companies to fill *gaps* in Original Medicare. Medigap policies only work with Original Medicare. (A Medicare Advantage plan isn't a Medigap policy.)

Member (member of our plan, or plan member) – A person with Medicare who is eligible to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS).

Member Services – A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals.

Network Pharmacy – A pharmacy that contracts with our plan where members of our plan can get their prescription drug benefits. In most cases, your prescriptions are covered only if they're filled at one of our network pharmacies.

Chapter 12 Definitions

Network Provider – Provider is the general term for doctors, other health care professionals, hospitals, and other health care facilities that are licensed or certified by Medicare and by the state to provide health care services. **Network providers** have an agreement with our plan to accept our payment as payment in full, and in some cases to coordinate as well as provide covered services to members of our plan. Network providers are also called **plan providers**.

Open Enrollment Period – The time period of October 15 until December 7 of each year when members can change their health or drug plans or switch to Original Medicare.

Original Biological Product – A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (Traditional Medicare or Fee-for-Service Medicare) – Original Medicare is offered by the government, and not a private health plan like Medicare Advantage plans and prescription drug plans. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers payment amounts established by Congress. You can see any doctor, hospital, or other health care provider that accepts Medicare. You must pay the deductible. Medicare pays its share of the Medicare-approved amount, and you pay your share. Original Medicare has 2 parts: Part A (Hospital Insurance) and Part B (Medical Insurance) and is available everywhere in the United States.

Chapter 12 Definitions

Out-of-Network Pharmacy – A pharmacy that doesn't have a contract with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out-of-network pharmacies aren't covered by our plan unless certain conditions apply.

Out-of-Network Provider or Out-of-Network Facility – A provider or facility that doesn't have a contract with our plan to coordinate or provide covered services to members of our plan. Out-of-network providers are providers that aren't employed, owned, or operated by our plan.

Out-of-Pocket Costs – Go to the definition for cost sharing above. A member's cost-sharing requirement to pay for a portion of services or drugs received is also referred to as the member's out-of-pocket cost requirement.

Out-of-Pocket Threshold – The maximum amount you pay out of pocket for Part D drugs.

PACE plan – A PACE (Program of All-Inclusive Care for the Elderly) plan combines medical, social, and long-term services and supports (LTSS) for frail people to help people stay independent and living in their community (instead of moving to a nursing home) as long as possible. People enrolled in PACE plans get both their Medicare and Medicaid benefits through our plan.

Part C – Go to Medicare Advantage (MA) plan.

Chapter 12 Definitions

Part D – The voluntary Medicare Prescription Drug Benefit Program.

Part D Drugs – Drugs that can be covered under Part D. We may or may not offer all Part D drugs. Certain categories of drugs have been excluded from Part D coverage by Congress. Certain categories of Part D drugs must be covered by every plan.

Part D Late Enrollment Penalty – An amount added to your monthly plan premium for Medicare drug coverage if you go without creditable coverage (coverage that’s expected to pay, on average, at least as much as standard Medicare drug coverage) for a continuous period of 63 days or more after you’re first eligible to join a Part D plan. If you lose Extra Help, you may be subject to the late enrollment penalty if you go 63 days or more in a row without Part D or other creditable drug coverage.

Preferred Provider Organization (PPO) plan – A Preferred Provider Organization plan is a Medicare Advantage Plan that has a network of contracted providers that have agreed to treat plan members for a specified payment amount. A PPO plan must cover all plan benefits whether they’re received from network or out-of-network providers. Member cost sharing will generally be higher when plan benefits are received from out-of-network providers. PPO plans have an annual limit on your out-of-pocket costs for services received from network (preferred) providers and a higher limit on your total combined out-of-pocket costs for services from both network (preferred) and out-of-network (non-preferred) providers.

Chapter 12 Definitions

Premium – The periodic payment to Medicare, an insurance company, or a health care plan for health or prescription drug coverage.

Preventive services – Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms).

Primary Care Provider (PCP) –The doctor or other provider you see first for most health problems. In many Medicare health plans, you must see your primary care provider before you see any other health care provider.

Prior Authorization –Approval in advance to get services or certain drugs based on specific criteria. Covered services that need prior authorization are marked in the Medical Benefits Chart in Chapter 4. Covered drugs that need prior authorization are marked in the formulary and our criteria are posted on our website.

Prosthetics and Orthotics –Medical devices including, but not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

Quality Improvement Organization (QIO) – A group of practicing doctors and other health care experts paid by the federal government to check and improve the care given to Medicare patients.

Chapter 12 Definitions

Quantity Limits – A management tool that’s designed to limit the use of a drug for quality, safety, or utilization reasons. Limits may be on the amount of the drug that we cover per prescription or for a defined period of time.

“Real-Time Benefit Tool” – A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific formulary and benefit information. This includes cost-sharing amounts, alternative formulary medications that may be used for the same health condition as a given drug, and coverage restrictions (Prior Authorization, Step Therapy, Quantity Limits) that apply to alternative medications.

Referral – A written order from your primary care doctor for you to visit a specialist or get certain medical services. Without a referral, our plan may not pay for services from a specialist.

Rehabilitation Services – These services include inpatient rehabilitation care, physical therapy (outpatient), speech and language therapy, and occupational therapy.

Selected Drug – A drug covered under Part D for which Medicare negotiated a Maximum Fair Price.

Service Area – A geographic area where you must live to join a particular health plan. For plans that limit which doctors and hospitals you may use, it’s also generally the area where you can get routine (non-emergency) services. Our plan must disenroll you if you permanently move out of our plan’s service area.

Chapter 12 Definitions

Skilled Nursing Facility (SNF) Care – Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of care include physical therapy or intravenous injections that can only be given by a registered nurse or doctor.

Special Needs Plan – A special type of Medicare Advantage plan that provides more focused health care for specific groups of people, such as those who have both Medicare and Medicaid, who live in a nursing home, or who have certain chronic medical conditions.

Step Therapy – A utilization tool that requires you to first try another drug to treat your medical condition before we'll cover the drug your physician may have initially prescribed.

Supplemental Security Income (SSI) – A monthly benefit paid by Social Security to people with limited income and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Chapter 12 Definitions

Urgently Needed Services – A plan-covered service requiring immediate medical attention that’s not an emergency is an urgently needed service if either you’re temporarily outside our plan’s service area, or it’s unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries, or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren’t considered urgently needed even if you’re outside our plan’s service area or our plan network is temporarily unavailable.

Elderplan is an HMO plan with Medicare and Medicaid contracts. Enrollment in Elderplan depends on contract renewal. Anyone entitled to Medicare Parts A and B may apply. Enrolled members must continue to pay their Medicare part B premium if not otherwise paid for under Medicaid.
